• Fragment from Eliphas Levi
In presenting this celebrated magical work to the student of occult science some few prefatory remarks are necessary.

The Key of Solomon, save for a curtailed and incomplete copy published in France in the seventeenth century, has never yet been printed, but has for centuries remained in Manuscript form inaccessible to all but the few fortunate scholars to whom the inmost recesses of the great libraries were open. I therefore consider that I am highly honored in being the individual to whose lot it has fallen to usher it into the light of day.

The fountain-head and storehouse of Qabalistical Magic, and the origin of much of the Ceremonial Magic of mediæval times, the 'Key' has been ever valued by occult writers as a work of the highest authority; and notably in our own day Eliphaz Levi has taken it for the model on which his celebrated 'Dogme et Riteul de la Haute Magie' was based. It must be evident to the initiated reader of Levi, that the Key of Solomon was his text book of study, and at the end of this volume I give a fragment of an ancient Hebrew manuscript of the 'Key of Solomon,' translated and published in the 'Philosophie Occulte,' as well as an Invocation called the 'Qabalistical Invocation of Solomon,' which bears close analogy to one in the First Book, being constructed in the same manner on the scheme of the Sephiroth.

The history of the Hebrew original of the 'Key of Solomon,' is given in the Introductions, but there is every reason to suppose that this has been entirely lost, and Christian, the pupil of Levi, says as much in his 'Histoire de la Magie.'

I see no reason to doubt the tradition which assigns the authorship of the 'Key' to King Solomon, for among others Josephus, the Jewish historian, especially mentions the magical works attributed to that monarch; this is confirmed by many Eastern traditions, and his magical skill is frequently mentioned in the Arabian Nights.

There are, however, two works on Black Magic, the 'Grimorium Verum,' and the 'Clavicola di Salomone ridolta,' which have been attributed to Solomon, and which have been in some cases especially mixed up with the present work; but which have nothing really to do therewith; they are full of evil magic, and I cannot caution the practical student too strongly against them.

There is also another work called 'Lemegeton or the Lesser Key of Solomon the King.' which is full of seals of various Spirits, and is not the same as the present book, though extremely valuable in its own department.

In editing this volume I have omitted one or two experiments partaking largely of Black Magic, and which had evidently been derived from the two Goetic works mentioned above; I must further caution the practical worker against the use of blood; the prayer, the pentacle, and the perfumes, rightly used, are sufficient; and the former verges dangerously on the evil path. Let him who, in spite of the warnings of this volume, determines to work evil, be assured that evil will recoil on himself and that he will be struck by the reflex current.

This work is edited from several ancient MSS. in the British Museum which all differ from each other in various points, some giving what is omitted by the others, but all unfortunately agreeing in one thing, which is the execrable mangling of the Hebrew words through the ignorance of the transcribers. But it is in the Pentacles that the Hebrew is worse, the letters being so vilely scribbled as to be actually undecipherable in some instances, and it has been part of my work for several years to correct and reinstate the proper Hebrew and Magical characters in the Pentacles. The student may therefore safely rely on their being as nearly correct in their present reproduction as it is possible for them to be. I have therefore, wherever I could, corrected the Hebrew of the Magical Names in the Conjurations and Pentacles; and in the few instances where it was not possible to do so, I have put them in the most usual form; carefully collating throughout one MS. with another. The Chapters are a little differently classed in the various MSS., in some instances the matter contained in them being transposed, &c. I have added notes wherever necessary.

The MSS. from which this work is edited are: -- Add. MSS., 10,862; Sloane MSS., 1307 and 3091; Harleian MSS., 3981; King's MSS., 288; and Lansdowne MSS., 1202 and 1203; seven codices in all.

Of all these 10,862 Add. MSS. is the oldest, its date being about the end of the sixteenth century; 3981 Harleian is probably about the middle of the seventeenth century; the others of rather later date.

Add. MSS. 10,862 is written in contracted Latin, and is hard to read. but it contains Chapters which are omitted in the others and also an important Introduction. It is more concise in its wording. Its title is short, being simply 'The Key of Solomon, translated from the Hebrew language into the Latin.' An exact copy of the signature of the writer of this MS. is given in Figure 93.1 The Pentacles are very badly drawn.

1. The signature appears to read 'ibu Abraham.' - JHP
3981 Harleian MSS.; 288 King's MSS.; and 3091 Sloane MSS., are similar, and contain the same matter and nearly the same wording; but the latter MS. has many errors of transcription. They are all in French. The Conjurations and wording of these are much fuller than in 10,862 Add. MSS. and 1202 Lansdowne MSS. The title is 'The Key of Solomon King of the Hebrews, translated from the Hebrew Language into Italian by Abraham Colorno, by the order of his most Serene Highness of Mantua; and recently put into French. The Pentacles are much better drawn, are in coloured inks, and in the case of 3091 Sloane MSS., gold and silver are employed.

1307 Sloane MSS. is in Italian; its Title is 'La Clavicola di Salomone Redotta et epilogata nella nostra materna lingua del dottissimo Gio Peccatrix.' It is full of Black Magic, and is a jumble of the Key of Solomon proper, and the two Black Magic books before mentioned. The Pentacles are badly drawn. It, however, gives part of the Introduction to 10,862 Add. MSS., and is the only other MS. which does, save the beginning of another Italian version which is bound up with the former MS., and bears the title 'Zecorbenei.'

1202 Lansdowne MSS. is 'The True Keys of King Solomon, by Armadel.' It is beautifully written, with painted initial letters, and the Pentacles are carefully drawn in coloured inks. It is more concise in style, but omits several Chapters. At the end are some short extracts from the *Grimorium Verum* with the Seals of evil spirits, which, as they do not belong to the 'Key of Solomon' proper, I have not given. For the evident classification of the 'Key' is in two books and no more.

1203 Lansdowne MSS. is 'The Veritable Keys of Solomon translated from the Hebrew into the Latin language by the Rabbin Agognazar (?Aben Ezra).’ It is in French, exquisitely written in printing letters, and the Pentacles are carefully drawn in coloured inks. Though containing similar matter to the others, the arrangement is utterly different; being all in one book, and not even divided into chapters.

The antiquity of the Planetary Sigils is shown by the fact that, among the Gnostic Talismans in the British Museum, there is a ring of copper with the sigils of Venus, which are exactly the same as those given by the mediæval writers on Magic.

Where Psalms are referred to I have in all instances given the English and not the Hebrew numbering of them.

In some places I have substituted the word **AZOTH** for 'Alpha and Omega,' e.g., on the blade of the Knife with the Black Hilt, *Figure 62*. I may remark that the Magical Sword may, in many cases, be used instead of the Knife.
In conclusion I will only mention, for the benefit of non-Hebraists, that Hebrew is written from right to left, and that from the consonantal nature of the Hebrew Alphabet, it will require fewer letters than in English to express the same word.

I take this opportunity of expressing my obligations to Dr. Wynn Westcott for the valuable assistance he has given me in the reconstruction of the Hebrew Pentacles.

PRELIMINARY DISCOURSE

From Lansdowne MSS. 1203, 'The Veritable Clavicles of Solomon, translated from the Hebrew into the Latin language by the Rabbi Abognazar.'

Every one knoweth in the present day that from time immemorial Solomon possessed knowledge inspired by the wise teachings of an angel, to which he appeared so submissive and obedient, that in addition to the gift of wisdom, which he demanded, he obtained with profusion all the other virtues; which happened in order that knowledge worthy of eternal preservation might not be buried with his body. Being, so to speak, near his end, he left to his son Roboam a Testament which should contain all (the Wisdom) he had possessed prior to his death. The Rabbits, who were careful to cultivate (the same knowledge) after him, called this Testament the Clavicle or Key of Solomon, which they caused to be engraved on (pieces of) the bark of trees, while the Pentacles were inscribed in Hebrew letters on plates of copper, so that they might be carefully preserved in the Temple which that wise king had caused to be built.

This Testament was in ancient time translated from the Hebrew into the Latin language by Rabbi Abognazar, who transported it with him into the town of Arles in Provence, where by a notable piece of good fortune the ancient Hebrew Clavicle, that is to say, this precious translation of it, fell into the hands of the Archbishop of Arles, after the destruction of the Jews in that city; who, from the Latin, translated it into the vulgar tongue, in the same terms which here follow, without having either changed or augmented the original translation from the Hebrew.

INTRODUCTION.

From Add. MSS. 10862, 'The Key of Solomon, translated into Latin from the Hebrew idiom.'

Treasure up, O my son Roboam! the wisdom of my words, seeing that I, Solomon, have received it from the Lord.

Then answered Roboam, and said: How have I deserved to follow the example of my father Solomon in such things, who hath been found worthy to receive the knowledge of all living things through (the teaching of) an Angel of God?

And Solomon said: Hear, O my son, and receive my sayings, and learn the wonders of God. For, on a certain night, when I laid me down to sleep, I called upon that most holy Name of God, IAH, and prayed for the Ineffable Wisdom, and when I was beginning to close mine eyes, the Angel of the Lord, even Homadiel, appeared unto me, spake many things courteously unto me, and said: Listen O Solomon! thy prayer before the Most High is not in vain, and since thou hast asked neither for long life, nor for much riches, nor for the souls of thine enemies, but hast asked for thyself wisdom to perform justice. Thus saith the Lord: According to thy word have I given unto thee a wise and understanding heart, so that before thee was none like unto thee, nor ever shall arise.

And when I comprehended the speech which was made unto me, I understood that in me was the knowledge of all creatures, both things which are in the heavens and things which are beneath the heavens; and I saw that all the writings and wisdom of this present age were vain and futile, and that no man was perfect. And I composed a certain work wherein I rehearsed the secret of secrets, in which I have preserved them hidden, and I have also therein concealed all secrets of the English magical arts of any masters; any secret or experiments, namely, of these sciences which is in any way worth being accomplished. Also I have written them in this Key, so that like as a key openeth a treasure-house, so this (Key) alone may open the knowledge and understanding of magical arts and sciences.

Therefore, O my son! thou mayest see every experiment of mine or of others, and let everything be properly prepared for them, as thou shalt see properly set down by me, both day and hour, and all things necessary; for without this there will be but falsehood and vanity in this my work; wherein are hidden all secrets and mysteries which can be performed; and that which is (set down) concerning a single divination or a single experiment, that same I think concerning all things which are in the Universe, and which have been, and which shall be in future time.

Therefore, O my son Roboam, I command thee by the blessing which thou expectest from thy father, that thou shalt make an Ivory Casket, and therein place, keep, and hide this my Key; and when I shall have passed away unto my fathers, I entreat thee to place the same in my Sepulchre beside me, lest at another time it might fall into the hands of the wicked. And as Solomon commanded, so was it done.

And when, therefore (men) had waited for a long time, there came unto the Sepulchre certain
Babylonian Philosophers; and when they had assembled they at once took counsel together that a certain number of men should renew the Sepulchre in his (Solomon's) honour; and when the Sepulchre was dug out and repaired the Ivory Casket was discovered, and therein was the Key of Secrets, which they took with joyful mind, and when they had opened it none among them could understand it on account of the obscurity of the words and their occult arrangement, and the hidden character of the sense and knowledge, for they were not worthy to possess this treasure.

Then, therefore, arose one among them, more worthy (than the others), both in the sight of the gods, and by reason of his age, who was called Iohi Grevise, and said unto the others: Unless we shall come and ask the interpretation from the Lord, with tears and entreaties, we shall never arrive at the knowledge of it.

Therefore, when each of them had retired to his bed, Iohi indeed falling upon his face on the earth, began to weep, and striking his breast, and said:

What have I deserved (above others), seeing that so many men can neither understand nor interpret this knowledge, even though there were no secret thing in nature which the Lord hath hidden from me! Wherefore are these words so obscure? Wherefore am I so ignorant?

And then on his bended knees, stretching his hands to heaven, he said:

O God, the Creator of all, Thou Who knowest all things, Who gavest so great Wisdom unto Solomon the Son of David the King; grant unto me, I beseech Thee, O Holy Omnipotent and Ineffable Father, to receive the virtue of that wisdom, so that I may become worthy by Thine aid to attain unto the understanding of this Key Of Secrets.

And immediately there appeared unto me, the Angel of the Lord, saying:

Do thou remember if the secrets of Solomon appear hidden and obscure unto thee, that the Lord hath wished it, so that such wisdom may not fall into the hands of wicked men; wherefore do thou promise unto me, that thou art not willing that so great wisdom should ever come to any living creature, and that which thou revealst unto any let them know that they must keep it unto themselves, otherwise the secrets are profaned and no effect can follow?

And Iohi answered: I promise unto thee that to none will I reveal (them), save to the honour of the Lord, and with much discipline, unto penitent, secret, and faithful (persons).

Then answered the Angel: Go and read the Key, and its words which were obscure throughout shall be manifest unto thee.

And after this the Angel ascended into Heaven in a Flame of Fire.

Then Iohi was glad, and labouring with a clear mind, understood that which the Angel of the Lord had said, and he saw that the Key of Solomon was changed, so that it appeared quite clear unto him plainly in all parts. And Iohi understood that this Work might fall into the hands of the ignorant, and he said: I conjure him into whose hands this secret may come, by the Power of the Creator, and His Wisdom, that in all things he may, desire, intend and perform, that this Treasure may come unto no unworthy (person), nor may he manifest it unto any who is unwise, nor unto one who feareth not God. Because if he act otherwise, I pray God that he may never be worthy to attain unto the desired effect.

And so he deposited the Key, which Solomon preserved, in the Ivory Casket. But the Words of the Key are as follows, divided into two books, and shown in order.

INTRODUCTION

From Lansdowne MSS. 1203, "The Veritable Clavicles of Solomon," translated from the Hebrew into the Latin by the Rabbi Abognazar.

O my Son Roboam! seeing that of all Sciences there is none more useful than the knowledge of Celestial Movements, I have thought it my duty, being at the point of death, to leave thee an inheritance more precious than all the riches which I have enjoyed. And in order that thou mayest understand how I have arrived at this degree (of wisdom), it is necessary to tell thee that one day, when I was meditating upon the power of the Supreme Being, the Angel of the Great God appeared before me as I was saying, O how wonderful are the works of God! I suddenly beheld, at the end of a thickly-shaded vista of trees, a Light in the form of a blazing Star, which said unto me with a voice of thunder: Solomon, Solomon, be not dismayed; the Lord is willing to satisfy thy desire by giving thee knowledge of whatsoever thing is most pleasant unto thee. I order thee to ask of Him whatsoever thou desirest. Whereupon, recovering from my surprise, I answered unto the Angel, that according to the Will of the Lord, I only desired the Gift of Wisdom, and by the Grace of God I obtained in addition the enjoyment of all the Celestial treasures and the knowledge of all natural things.

It is by this means, my Son, that I possess all the virtues and riches of which thou now seest me in the enjoyment, and in order that thou mayest be willing to be attentive to all which I am about to relate to thee, and that thou mayest retain with care all that I am about to tell thee, I assure thee that the Graces of the Great God will be familiar unto thee, and that the Celestial and Terrestrial Creatures will be obedient unto thee, and a science which only works by the strength and power of natural things, and by the pure Angels which govern them. Of which latter I will give thee the names in order, their exercises and particular employments to which they are destined, together with the days over which they particularly preside, in order that thou
mayest arrive at the accomplishment of all, which thou wilt find in this my Testament. In all which I promise thee success, provided that all thy works only tend unto the honour of God, Who hath given me the power to rule, not only over Terrestrial but also over Celestial things, that is to say, over the Angels, of whom I am able to dispose according to my will, and to obtain from them very considerable services.

Firstly. It is necessary for thee to understand that God, having made all things, in order that they may be submitted unto Him, hath wished to bring His works to perfection, by making one which participates of the Divine and of the Terrestrial, that is to say, Man; whose body is gross and terrestrial, while his soul is spiritual and celestial, unto whom He hath made subject the whole earth and its inhabitants, and hath given unto Him means by which He may render the Angels familiar, as I call those Celestial creatures who are destined: some to regulate the motion of the Stars, others to inhabit the Elements, others to aid and direct men, and others again to sing continually the praises of the Lord. Thou mayest then, by the use of their seals and characters, render them familiar unto thee, provided that thou abusest not this privilege by demanding from them things which are contrary to their nature; for accursed be he who will take the Name of God in vain, and who will employ for evil purposes the knowledge and good wherewith He hath enriched us.

I command thee, my Son, to carefully engrave in thy memory all that I say unto thee, in order that it may never leave thee. If thou dost not intend to use for a good purpose the secrets which I here teach thee, I command thee rather to cast this Testament into the fire, than to abuse the power thou wilt have of constraining the Spirits, for I warn thee that the beneficent Angels, wearied and fatigued by thine illicit demands, would to thy sorrow execute the commands of God, as well as to that of all such who, with evil intent, would abuse those secrets which He hath given and revealed unto me. Think not, however, O my Son, that it would not be permitted thee to profit by the good fortune and happiness which the Divine Spirits can bring thee; on the contrary, it gives them great pleasure to render service to Man for whom many of these Spirits have great liking and affinity, God having destined them for the preservation and guidance of those Terrestrial things which are submitted to the power of Man.

There are different kinds of Spirits, according to the things over which they preside; some of them govern the Empyrean Heaven, others the Primum Mobile, others the First and Second Crystalline, others the Starry Heaven; there are also Spirits of the Heaven of Saturn, which I call Saturnites; there are Jovial, Martial, Solar, Venerian, Mercurial, and Lunar Spirits; there are also Spirits in the Elements as well as in the Heavens, there are some in the Fiery Region, others in the Air, others in the Water, and others upon the Earth, which can all render service to that man who learns their nature, and knows how to attract them.

Furthermore, I wish to make thee understand that God hath destined to each one of us a Spirit, which watches over us and takes care of our preservation; these are called Genii, who are elementary like us, and who are more ready to render service to those whose temperament is conformed to the Element which these Genii inhabit; for example, shouldst thou be of a fiery temperament, that is to say sanguine, thy genius would be fiery and submitted to the Empire of Mars. Besides this, there are special times reserved for the invocation of these Spirits, in the days and hours when they have power and absolute empire. It is for this reason that thou wilt see in the following tables to what Planet and to what Angel each Day and Hour is submitted, together with the Colours which belong unto them, the Metals, Herbs, Plants, Aquatic, Aerial, and Terrestrial Animals, and Incense, which are proper to each of them, as also in what quarter of the Universe they ask to be invoked. Neither are omitted, the Conjurations, Seals, Characters, and Divine Letters, which belong to them, by means of which we receive the power to sympathise with these Spirits.

### NOTE BY EDITOR

These Tables have been collated and compared with various examples of both MS. and printed. They are to be used thus: -- Supposing the student wishes to discover the properties of the hour from 12 to 1 o'clock p.m. on a Tuesday, let him look in the 'Table of the Planetary Hours,' and having found the hour marked 1 in the column headed 'Hours from Midnight to Midnight,' he will see in the column headed 'Hours from Sunset to Sunset,' on the same line the figure 8, showing it to be the eighth hour of the day; and in the column headed 'Tuesday,' the name Mars, showing that it is under the dominion of the planet Mars. On consulting the 'Table of the Magical Names of the Hours,' etc., he will find under the number 1, the name Beron, and in the column 'Tuesday,' the name of the angel Zamael over against it on the same line, showing that the ruler of the hour is the Angel Zamael, and that its Magical Name is Beron. Further, on referring to the third Table he will see that Tuesday is under the rule of the planet Mars, whose Archangel is Khamael, Angel Zamael, Metal Iron, and Colour Red. Similarly it will be found that the hour from 10 to 11 p.m. on Saturday is the sixth hour of the night, under the dominion of the Sun, that its Magical Name is Czerra, and that the Angel Michael rules it; while Saturday itself is under the dominion of the Archangel Tzaphqiel, of the Angel Cassiel, of the Planet Saturn, and that the Metal Lead and the Colour Black are applicable to it.

The ensuing Text is taken from the following MSS., collated and compared with each other.

Sloane MSS. 1307; Sloane MSS. 3091; Harleian MSS. 3981; Add. MSS. 10862; King's MSS. 288; Lansdowne MSS. 1202.

Extracts have also been made from Lansdowne MSS. 1203, which differs considerably from the others in general arrangement, though containing very similar matter.

In cases where the MSS. varied from each other I have taken the version which seemed most likely to be correct, in some cases mentioning the variant readings in footnotes. I have also, wherever it was possible to do so, corrected the Hebrew names in the Incantations, for these were in some cases so marred as to be hardly recognisable; e.g. Zenard, written for Tzafhoth, etc.

**THE KEY OF SOLOMON**
BOOK I

CHAPTER I

CONCERNING THE DIVINE LOVE WHICH OUGHT TO PRECEDE THE ACQUISITION OF THIS KNOWLEDGE

Solomon, the Son of David, King of Israel, hath said that the beginning of our Key is to fear God, to adore Him, to honour Him with contrition of heart, to invoke Him in all matters which we wish to undertake, and to operate with very great devotion, for thus God will lead us in the right way. When, therefore, thou shalt wish to acquire the knowledge of Magical Arts and Sciences, it is necessary to have prepared the order of hours and of days, and of the position of the Moon, without the operation of which thou canst effect nothing; but if thou observest them with diligence thou mayest easily and thoroughly arrive at the effect and end which thou desirest to attain.

NOTES:
5. 1202 Lansdowne MSS. omits the concluding part of this sentence.

BOOK I

CHAPTER II

OF THE DAYS, AND HOURS, AND OF THE VIRTUES OF THE PLANETS.

When thou wishest to make any experiment or operation, thou must first prepare, beforehand, all the requisites which thou wilt find described in the following Chapters: observing the days, the hours, and the other effects of the Constellations which may be found in this Chapter.

It is, therefore, advisable to know that the hours of the day and of the night together, are twenty-four in number, and that each hour is governed by one of the Seven Planets in regular order, commencing at the highest and descending to the lowest. The order of the Planets is as follows: ShBThAI, Shabbathai, Saturn; beneath Saturn is TzDQ, Tzedeq, Jupiter; beneath Jupiter is MADIM, Madim, Mars; beneath Mars is ShMSh, Shemesh, the Sun; beneath the Sun is NVGH, Nogah, Venus; beneath Venus is KVKB, Kokav, Mercury; and beneath Mercury is LBNH, Levanah, the Moon, which is the lowest of all the Planets.

It must, therefore, be understood that the Planets have their dominion over the day which approacheth nearest unto the name which is given and attributed unto them -- viz., over Saturday, Saturn; Thursday, Jupiter; Tuesday, Mars; Sunday, the Sun; Friday, Venus; Wednesday, Mercury; and Monday, the Moon.

The rule of the Planets over each hour begins from the dawn at the rising of the Sun on the day which take its name from such Planet, and the Planet which follows it in order, succeeds to the rule over the next hour. Thus (on Saturday) Saturn rules the first hour, Jupiter the Second, Mars the third, the Sun the fourth, Venus the fifth, Mercury the sixth, the Moon the seventh, and Saturn returns in the rule over the eighth, and the others in their turn, the Planets always keeping the same relative order.

Note that each experiment or magical operation should be performed under the Planet, and usually in the hour, which refers to the same. For example: --

In the Days and Hours of Saturn thou canst perform experiments to summon the Souls from Hades, but only of those who have died a natural death. Similarly on these days and hours thou canst operate to bring either good or bad fortune to buildings; to have familiar Spirits attend thee in sleep; to cause good or ill success in business, possessions, goods, seeds, fruits, and similar things, in order to acquire learning; to bring destruction and to give death, and to sow hatred and discord.

The Days and hours of Jupiter are proper for obtaining honours, acquiring riches; contracting friendships, preserving health; and arriving at all that thou canst desire.

In the Days and Hours of Mars thou canst make experiments regarding War; to arrive at military honour; to acquire courage; to overthrow enemies; and further to cause ruin, slaughter, cruelty, discord; to wound and to give death.

The Days and Hours of the Sun are very good for perfecting experiments regarding temporal wealth, hope, gain, fortune, divination, the favour of princes, to dissolve hostile feeling, and to make friends.

The Days and Hours of Venus are good for forming friendships; for kindness and love; for joyous and pleasant undertakings, and for traveling.

The Days and Hours of Mercury are good to operate for eloquence and intelligence; promptitude in business; science and divination; wonders; apparitions; and answers regarding the future. Thou canst also operate under this Planet for thefts; writings; deceit; and merchandise.

In the Days and Hours of the Moon are good for embassies; voyages; envoys; messages; navigation; reconciliation; love; and the acquisition of merchandise by water.

Thou shouldest take care punctually to observe all the instructions contained in this chapter, if thou desirdest to succeed, seeing that the truth of Magical Science dependeth thereon.

NOTES:
6. This first paragraph is omitted in 1307 Sloane MSS., and in 10862 Add. MSS.
7. Much of these foregoing instructions is omitted in the 10862 Add. MSS., but given in a different way in the ensuing paragraphs.
CHAPTER III

BOOK I

she is almost deprived of light, is proper for experiments of invisibility, and of Death. 
her decrease or wane it is good for War, Disturbance, and Discord. Likewise the period when 
Moon is proper for performing any of the experiments of which we have spoken above. But in 
construction and operation of any matter. That is why the time from the New unto the Full 
his beams and appeareth visible. For then it is good to make all experiments for the 
preparations which the Master of the Art and his Disciples must undertake before 
without the Circle; and in order to accomplish this perfectly it is necessary to take note of all 
preparations which the Master of the Art and his Disciples must undertake before 

The hours of Saturn, of Mars, and of the Moon are alike good for communicating and speaking 
with Spirits; as those of Mercury are for recovering thefts by the means of Spirits. 
The hours of Mars serve for summoning Souls from Hades, especially of those slain in battle. 
The Hours of the Sun, of Jupiter, and of Venus, are adapted for preparing any operations 
whatever of love, of kindness, and of invisibility, as is hereafter more fully shown, to which 
must be added other things of a similar nature which are contained in our work. 
The Hours of Saturn and Mars and also the days on which the Moon is conjunct with them, or 
when she receives their opposition or quartile aspect, are excellent for making experiments of 
hatred, enmity, quarrel, and discord and other operations of the same kind which are given later on 
this work. 
The Hours of Mercury are good for undertaking experiments relating to games, railly, jests, 
sports, and the like. 
The Hours of the Sun, of Jupiter, and of Venus, particularly on the days which they rule, are 
good for all extraordinary, uncommon, and unknown operations. 
The Hours of the Moon are proper for making trial of experiments relating to recovery of stolen 
property, for obtaining nocturnal visions, for summoning Spirits in sleep, and for preparing 
anything relating to Water. 
The Hours of Venus are furthermore useful for lots, poisons, all things of the nature of Venus, 
for preparing powders provocative of madness, and the like things. 
But in order to thoroughly effect the operations of this Art, thou shouldst perform them not 
only on the Hours but on the Days of the Planets as well, because then the experiment will 
always succeed better, provided thou observest the rules laid down later on, for if thou omittest 
one single condition thou wilt never arrive at the accomplishment of the Art. 
For those matters then which appertain unto the Moon, such as the Invocation of Spirit, the 
Works of Necromancy, and the recovery of stolen property, it is necessary that the Moon 
should be in a Terrestrial Sign, viz.: -- Taurus, Virgo, or Capricom. 
For love, grace, and invisibility, the Moon should be in a Fiery Sign, viz.: -- Aries, Leo, or 
Scorpio, or Pisces. 
For hatred, discord, and destruction, the Moon should be in a Watery Sign, viz.: -- Cancer, 
Sagittarius. 
For experiments of a peculiar nature, which cannot be classed under any certain head, the 
Moon should be in an Airy Sign, viz.: -- Gemini, Libra, or Aquarius. 
But if these things seem unto thee difficult to accomplish, it will suffice thee merely to notice 
the Moon after her combustion, or conjunction with the Sun, especially just when she quits his beams and appeareth visible. For then it is good to make all experiments for the 
construction and operation of any matter. That is why the time from the New unto the Full 
Moon is proper for performing any of the experiments of which we have spoken above. But in 
she decrease or wane it is good for War, Disturbance, and Discord. Likewise the period when 
she is almost deprived of light, is proper for experiments of invisibility, and of Death. 
But observe inviolably that thou commence nothing while the Moon is in conjunction with the Sun, seeing that this is extremely unfortunate, and that thou wilt then be able to effect nothing; but the Moon quitting his beams and increasing in Light, thou canst perform all that thou 
desirest, observing nevertheless the directions in this Chapter. 
Furthermore, if thou wishest to converse with Spirits it should be especially on the day of 
Mercury and in his hour, and let the Moon he in an Airy Sign, as well as the Sun. 
Retire thou then unto a secret place, where no one may be able to see thee or to hinder thee, 
before the completion of the experiment, whether thou shouldst wish to work by day or by 
night. But if thou shouldst wish to work by night, perfect thy work on the succeeding night; if 
by day, seeing that the day beginneth with the rising of the Sun (perfect thy work on) the 
succeeding day. But the Hour of Inception is the Hour of Mercury. 
Verily, since no experiments for converse with Spirits can be done without a Circle being 
prepared, whatsoever experiments therefore thou wishest to undertake for conversing 
with Spirits, therein thou must learn to construct a certain particular Circle; that being done surround 
that Circle with the Circle of Art for better caution and efficacy. 

BOOK I

CHAPTER III

CONCERNING THE ARTS.

If thou wishest to succeed, it is necessary to make the following Experiments and Arts in the 
appropriate Days and Hours, with the requisite solemnities and ceremonies contained and laid 
down in the following Chapters. 
Experiments, then, are of two kinds; the first is to make trial of what, as I have said, can be 
easily performed without a Circle, and in this case it is not necessary to observe anything but 
what thou wilt find in the proper Chapters. The second can in no way be brought to perfection 
without the Circle; and in order to accomplish this perfectly it is necessary to take note of all the 
preparations which the Master of the Art and his Disciples must undertake before
constructing the Circle.

Before commencing operations both the Master and his Disciple; must abstain with great and thorough continence during the space of nine days from sensual pleasures and from vain and foolish conversation; as plainly appeareth in the Second Book, Chapter 4. Six of these nine days having expired, he must recite frequently the Prayer and Confession as will be told him; and on the Seventh Day, the Master being alone, let him enter into a secret place, let him take off his clothes, and bathe himself from head to foot in consecrated and exercised water, saying devoutly and humbly the prayer, ‘O Lord Adonai,’ etc., as it is written in the Second Book, Chapter 2.

The Prayer being finished, let the Master quit the water, and put upon his flesh raiment of white linen clean and unsoiled; and then let him go with his Disciples unto a secret place and command them to strip themselves naked, and when having taken off their clothes, let him take exercised water and pour it upon their heads so that it flows down to their feet and bathes them completely; and while pouring this water upon them let the Master say:-- ‘Be ye regenerate, renewed, washed, and pure,’ etc., as in Book II., Chapter 3.

Which being done, the Disciples must clothe themselves, putting upon their flesh, like their Master, raiment of white linen clean and unsoiled; and the three last days the Master and his Disciples should fast, observing the solemnities and prayers marked in Book II., Chapter 2.

Note that the three last days should be calm weather, without wind, and without clouds rushing hither and thither over the face of the sky. On the last day let the Master go with his Disciples unto a secret fountain of running water, or unto a flowing stream, and there let each of them, taking off his clothes, wash himself with due solemnity, as is rehearsed in Book II. And when they are clean and pure, let each put upon him garments of white linen, pure, and clean, using the prayers and ceremonies described in Book II. After which let the Master alone say the confession. The which being finished, the Master in sign of penitence will kiss the Disciples on the forehead, and each of them will kiss the other. Afterwards let the Master extend his hands over the Disciples, and in sign of absolution absolve and bless them; which being done he will distribute to each of his disciples the Instruments necessary for Magical Art, which he is to carry into the Circle.

The First Disciple will bear the Censer, the Perfumes and the Spices; the Second Disciple will bear the Book, Papers, Pens, Ink, and any stinking or impure materials; the Third will carry the Knife and the Sickle of Magical Art, the Lantern, and the Candles; the Fourth, the Psalms, and the rest of the Instruments; the fifth, the Crucible or Chafing-dish, and the Charcoal or Fuel; but it is necessary for the Master himself to carry in his hand the Staff, and the Wand or Rod. The things necessary being thus disposed, the Master will go with his Disciples unto the assigned place, where they have proposed to construct the Circle for the Magical Arts and experiments; repeating on the way the prayers and orations which thou wilt find in Book II.

When the Master shall have arrived at the place appointed, together with his Disciples, he having lighted the flame of the fire, and having exercised it afresh as is laid down in the Second Book, shall light the Candle and place it in the Lantern, which one of the Disciples is to hold ever in his hand to light the Master at his work. Now the Master of the Art, every time that he shall have occasion for some particular purpose to speak with the Spirits, must endeavor to form certain Circles which shall differ somewhat, and shall have some particular reference to the particular experiment under consideration. Now, in order to succeed in forming such a Circle concerning Magical Art, for the greater assurance and efficacy thou shalt construct it in the following manner: --

THE CONSTRUCTION OF THE CIRCLE.

Take thou the Knife, the Sickle, or the Sword of Magical Art consecrated after the manner and order which we shall deliver unto thee in the Second Book. With this Knife or with the Sickle of Art thou shalt describe, beyond the inner Circle which thou shalt have already formed, a second Circle, encompassing the other at the distance of one foot therefrom and having the same centre. Within this space of a foot in breadth between the first and the second circumferential line, thou shalt trace towards the Four Quarters of the Earth, the Sacred and Venerable Symbols of the holy Letter Tau. And between the first and the second Circle, thou shalt shall thyself have drawn with the Instrument of Magical Art, thou shalt make four hexagonal pentacles, and between these thou shalt write four terrible and tremendous Names of God, viz.:--
Between the East and the South the Supreme Name IHVH, Tetragrammaton;--
Between the South and the West the Essential Tetragrammatic Name AHIH, Eheieh;--
Between the West and the North the Name of Power ALIVN, Elion;--
And between the North and the East the Great Name ALH, Eloah;--
Which Names are of supreme importance in the list of the Sephiroth,\textsuperscript{22} and their Sovereign

\textsuperscript{22} The Sephiroth are the ten Qabalistical Emanations of the Deity. The Sovereign
Equivalents.

Furthermore, thou shalt circumscribe about these Circles two Squares, the Angles of which shall be turned towards the Four Quarters of the Earth; and the space between the Lines of the Outer and Inner Square shall be half-a-foot. The extreme Angles of the Outer Square shall be made the Centres of four Circles, the measure or diameter of which shall be one foot. All these are to be drawn with the Knife or consecrated Instrument of Art. And within these Four Circles thou must write these four Names of God the Most Holy One, in this order:--

At the East, AL, El;

At the West, IH, Yah;

At the South, AGLA, Agla;

And at the North ADNI, Adonai.

Between the two Squares the Name Tetragrammaton is to be written in the same way as is shown in the plate. (See Figure 2.)

While constructing the Circle, the Master should recite the following Psalms:-- Psalm ii.; Psalm liv.; Psalm cxiii.; Psalm lxvii.; Psalm xlvii.; Psalm lxviii.

Or he may as well recite them before tracing the Circle.

The which being finished, and the fumigations being performed, as is described in the chapter on Fumigations in the Second Book, the Master should reassemble his Disciples, encourage them, reassure them, fortify them, and conduct them into the parts of the Circle of Art, where he must place them in the four quarters of the earth, encourage them, and exhort them to fear nothing, and to keep in the places assigned to them. Also, the Disciple who is placed towards the East should have a pen, ink, paper, silk, and white cotton, all clean and suitable for the work. Furthermore, each of the Companions should have a new Sword drawn in his hand (besides the consecrated Magical Sword of Art), and he should keep his hand resting upon the hilt thereof, and he should on no pretext quit the place assigned to him, nor move therefrom.

After this the Master should quit the Circle, light the fuel in the earthen pots, and place upon them the Censers, in the Four Quarters of the Earth; and he should have in his hand the consecrated taper of wax, and he should light it and place it in a hidden and secret place prepared for it. Let him after this re-enter and close the Circle.

The Master should afresh exhort his Disciples, and explain to them all that they have to do and to observe; the which commands they should promise and vow to execute.

Let the Master then repeat this Prayer: --

PRAYER.

When we enter herein with all humility, let God the Almighty One enter into this Circle, by the entrance of an eternal happiness, of a Divine prosperity, of a perfect joy, of an abundant charity, and of an eternal salutation. Let all the demons fly from this place, especially those who are opposed unto this work, and let the Angels of Peace assist and protect this Circle, from which let discord and strife fly and depart. Magnify and extend upon us, O Lord, Thy most Holy Name, and bless our conversation and our assembly. Sanctify, O Lord our God, our humble entry herein, Thou the Blessed and Holy One of the Eternal Ages! Amen.

After this, let the Master say upon his knees, as follows:

PRAYER

O Lord God, All Powerful and All Merciful, Thou Who desirest not the death of a sinner, but rather that he may turn from his wickedness and live; give and grant unto us thy grace, by blessing and consecrating this earth and this circle, which is here marked out with the most powerful and holy Names of God. And thee, I conjure, O Earth, by the Most Holy Name of ASHER EHEIEH entering within this Circle, composed and made with mine hand. And may God, even ADONAI, bless this place with all the virtues of Heaven, so that no obscene or unclean spirit may have the power to enter into this Circle, or to annoy any person who is therein; though the Lord God ADONAI, Who liveth eternally unto the Ages of the Ages. Amen.

I beseech Thee, O Lord God, the All Powerful and the All Merciful, that Thou wilt deign to bless this Circle, and all this place, and all those who are therein, and that Thou wilt grant unto us, who serve Thee, and rehearse nothing but the wonders of Thy law, a good Angel for our Guardian; remove from us every adverse power; preserve us from evil
from trouble; grant, O Lord, that we may rest in this place in all safety, through Thee, O Lord, Who livest and reignest unto the Ages of the Ages. Amen.

Let the Master now arise and place upon his head a Crown made of paper (or any other appropriate substance), on the which there must be written (with the Colours and other necessary things which we shall describe hereafter), these four Names AGLA, AGLAI, AGLATA, AGLATAI. The which Names are to be placed in the front, behind, and on either side of the head.

Furthermore, the Master ought to have with him in the Circle, those Pentacles or Medals which are necessary to his purpose, which are described hereinafter, and which should be constructed according to the rules given in the Chapter on Pentacles. They should be described on virgin paper with a pen; and ink, blood, or colours, prepared according to the manner which we shall hereafter show in the Chapters on these subjects. It will be sufficient to take only those Pentacles which are actually required, they should be sewed to the front of the linen robe, on the chest, with the consecrated needle of the Art, and with a thread which has been woven by a young girl.

After this, let the Master turn himself towards the Eastern Quarter (unless directed to the contrary, or unless he should be wishing to call Spirits which belong to another quarter of the Universe), and pronounce with a loud voice the Conjuration contained in this Chapter. And if the Spirits be disobedient and do not then make their appearance, he must arise and take the exorcised Knife of Art wherewith he hath constructed the Circle, and raise it towards the sky as if he wished to beat or strike the Air, and conjure the Spirits. Let him then lay his right hand and the Knife upon the Pentacles or Medals, constructed of, and described upon virgin paper, which are fastened to or sewn upon his breast, and let him repeat the following Conjuration upon his knees:--

CONJURATION.

O Lord, hear my prayer, and let my cry come unto Thee. O Lord God Almighty, who has reigned before the beginning of the Ages, and Who by Thine Infinite Wisdom, hast created the heavens, the earth, and the sea, and all that in them is, all that is visible, and all that is invisible by a single word; I praise Thee, I bless Thee, I adore Thee, I glorify Thee, and I pray Thee now at the present time to be merciful unto me, a miserable sinner, for I am the work of Thine hands. Save me, and direct me by Thy Holy Name, Thou to Whom nothing is difficult, nothing is impossible; and deliver me from the night of mine ignorance, and enable me to go forth therefrom. Enlighten me with a spark of Thine Infinite Wisdom. Take away from my senses the desire of covetousness, and the iniquity of mine idle words. Give unto me, Thy servant, a wise understanding, penetrating and subtle heart, to acquire and comprehend all Sciences and Arts; give unto me capacity to hear, and strength of memory to retain them, so that I may be able to accomplish my desires, and understand and learn all difficult and desirable Sciences; and also that I may be able to comprehend the hidden secrets of the Holy Writings. Give me the virtue to conceive them, so that I may be able to bring forth and pronounce my words with patience and humility, for the instruction of others, as Thou hast ordered me.

O God, the Father, All Powerful and All Merciful, Who hast created all things, Who knowest and conceivest them universally, and to Whom nothing is hidden, nothing is impossible; I entreat Thy Grace for me and for Thy servants, because Thou seest and knowest well that we perform not this work to tempt Thy Strength and Thy Power as if in doubt thereof, but rather that we may know and understand the truth of all hidden things. I beseech Thee to have the kindness to be favorable unto us; by Thy Splendour, Thy Magnificence, and Thy Holiness, and by Thy Holy, Terrible, and Ineffable Name IAH, at which the whole world doth tremble, and by the Fear with which all creatures obey Thee. Grant, O Lord, that we may become responsive unto Thy Grace, so that through it we may have a full confidence in and knowledge of Thee, and that the Spirits may discover themselves here in our presence, and that those which are gentle and peaceable may come unto us, so that they may be obedient unto Thy commands, through Thee, O Most Holy ADONAI, Whose Kingdom is an everlasting Kingdom, and Whose Empire endureth unto the Ages of the Ages. Amen.

After having said all these words devoutly, let the Master arise, and place his hands upon the Pentacles, and let one of the Companions hold the Book open before the Master, who, raising his eyes to heaven, and turning unto the Four Quarters of the Universe, shall say:--

O Lord, be Thou unto me a Tower of Strength against the appearance and assault of the Evil Spirits.
After this, turning towards the Four Quarters of the Universe, he shall say the following words:

These be the Symbols and the Names of the Creator, which can bring Terror and Fear unto you. Obey me then, by the power of these Holy Names, and by these Mysterious Symbols of the Secret of Secrets.

The which being said and done, thou shalt see them draw near and approach from all parts. But if they be hindered, detained, or occupied in some way, and so that they cannot come, or if they are unwilling to come, then, the Suffumigations and Censings being performed anew, and (the Disciples) having anew, by especial order, touched their Swords, and the Master having encouraged his Disciples, he shall reform the Circle with the Knife of Art, and, raising the said Knife towards the Sky, he shall as it were strike the air therewith. After this he shall lay his hand upon the Pentacles, and having bent his knees before the Most High, he shall repeat with humility the following Confession; the which his Disciples shall also do, and they shall recite it in a low and humble voice, so that they can scarcely be heard. 24

BOOK I

CHAPTER IV

THE CONFESSION TO BE MADE BY THE EXORCIST

CONFESSION.

O LORD of Heaven and of Earth, before Thee do I confess my sins, and lament them, cast down and humbled in thy presence. For I have sinned before Thee by pride, avarice, and boundless desire of honours and riches; by idleness, gluttony, greed, debauchery, and drunkenness; because I have offended Thee by all kinds of sins of the flesh, adulteries, and pollutions, which I have committed myself, and consented that others should commit; by sacrilege, thefts, rapine, violation, and homicide; by the evil use I have made of my possessions, by my prodigality, by the sins which I have committed against Hope and Charity, by my evil advice, flatteries, bribes, and the ill distribution which I have made of the goods of which I have been possessed; by repulsing and maltreating the poor, in the distribution which I have made of the goods committed to my charge, by afflicting those over whom I have been set in authority, by not visiting the prisoners, by depriving the dead of burial, by not receiving the poor, by neither feeding the hungry nor giving drink to the thirsty, by never keeping the Sabbath and the other feasts, by not living chastely and piously on those days, by the easy consent which I have given to those who incited me to evil deeds, by injuring instead of aiding those who demanded help from me, by refusing to give ear unto the cry of the poor, by not respecting the aged, by not keeping my word, by disobedience to my parents, by ingratitude towards those from whom I have received kindness, by indulgence in sensual pleasures, by irreverent behaviour in the Temple of God, by unseemly gestures thereat, by entering therein without reverence, by vain and unprofitable discourse when there, by despising the sacred vessels of the temple, by turning the holy Ceremonies into ridicule, by touching and eating the sacred bread with impure lips and with profane hands, and by the neglect of my prayers and adorations.

I detest also the crimes which I have committed by evil thoughts, vain and impure meditations, false suspicions, and rash judgments; by the evil consent which I have readily given unto the advice of the wicked, by lust of impure and sensual pleasures; by my idle words, my lies, and my deceit; by my false vows in various ways; and by my continual slander and calumny.

I detest also the crimes which I have committed within; the treachery and discord which I have incited; my curiosity, greed, false speaking, violence, malediction, murmurs, blasphemies, vain words, insults, dissimulations; my sins against God by the transgression of the ten commandments, by neglect of my duties and obligations, and by want of love towards God and towards my neighbour.

Furthermore I hate the sins which I have committed in all my senses, by sight, by hearing, by taste, by smell, and by touch, in every way that human weakness can offend the Creator; by my carnal thoughts, deeds, and meditations.

24. So as not to interfere with the direction of the Will-currents of the Master.
In which I humbly confess that I have sinned, and recognise myself as being in the sight of God the most criminal of all men.

I accuse myself before Thee, O God, and I adore Thee with all humility. O ye, Holy Angels, and ye, Children of God, in your presence I publish my sins, so that mine Enemy may have no advantage over me, and may not be able to reproach me at the last day; that he may not be able to say that I have concealed my sins, and that I be not then accused in the presence of the Lord; but, on the contrary, that on my account there may be joy in Heaven, as over the just who have confessed their sins in thy presence.

O Most Mighty and All Powerful Father, grant through Thine unbounded Mercy that I may both see and know all the Spirits which I invoke, so that by their means I may see my will and desire accomplished, by The Sovereign grandeur, and by Thine Ineffable and Eternal Glory, Thou Who art and Who wilt be for ever the Pure and Ineffable Father of All.

The Confession having been finished with great humility, and with the inward feeling of the heart, the Master will recite the following prayer:

PRAYER.

O Lord All Powerful, Eternal God and Father of all Creatures, shed upon me the Divine Influence of Thy Mercy, for I am Thy Creature. I beseech Thee to defend me from mine Enemies, and to confirm in me true and steadfast faith.

O Lord, I commit my Body and my Soul unto Thee, seeing I put my trust in none beside Thee; it is on Thee alone that I rely; O Lord my God aid me; O Lord hear me in the day and hour wherein I shall invoke Thee. I pray Thee by Thy Mercy not to put me in oblivion, nor to remove me from Thee. O Lord be Thou my succor, Thou Who art the God of my salvation. O Lord make me a new heart according unto Thy loving Kindness. These, O Lord, are the gifts which I await from Thee, O my God and my Master, Thou Who livest and reignest unto the Ages of the Ages. Amen.

O Lord God the All Powerful One, Who hast formed unto Thyself great and Ineffable Wisdom, and Co-eternal with Thyself before the countless Ages; Thou Who in the Birth of Time hast created the Heavens, and the Earth, the Sea, and things that they contain; Thou Who hast vivified all things by the Breath of Thy Mouth, I praise Thee, I bless Thee, I adore Thee, and I glorify Thee. Be Thou propitious unto me who am but a miserable sinner, and despise me not; save me and succor me, even me the work of Thine hands. I conjure and entreat Thee by Thy Holy Name to banish from my Spirit the darkness of Ignorance, and to enlighten me with the Fire of thy Wisdom; take away from me all evil desires, and let not my speech be as that of the foolish. O Thou, God the Living One, Whose Glory, Honour, and Kingdom shall extend unto the Ages of the Ages. Amen.

CHAPTER V

PRAYERS AND CONJURATIONS

PRAYER.

O LORD God, Holy Father, Almighty and Merciful One, Who hast created all things, Who knowest all things and can do all things, from Whom nothing is hidden, to Whom nothing is impossible; Thou who knowest that we perform not these ceremonies to tempt Thy power, but that we may penetrate into the knowledge of hidden things; we pray Thee by Thy Sacred Mercy to cause and to permit, that we may arrive at this understanding of secret things, of whatever nature they may be, by Thine aid, O Most Holy ADONAI, Whose Kingdom and Power shall have no end unto the Ages of the Ages. Amen.

The Prayer being finished, let the Exorcist lay his hand upon the Pentacles, while one of the Disciples shall hold open before him the Book wherein are written the prayers and conjurations proper for conquering, subduing, and reproving the Spirits. Then the Master, turning towards each Quarter of the Earth, and raising his eyes to Heaven, shall say:
O Lord, be Thou unto me a strong tower of refuge, from the sight and assaults of the Evil Spirits.

After which let him turn again towards the Four Quarters of the Earth, and towards each let him utter the following words:

Behold the Symbols and Names of the Creator, which give unto ye forever Terror and Fear. Obey then, by the virtue of these Holy Names, and by these Mysteries of Mysteries.

After this he shall see the Spirits come from every side. But in case they are occupied in some other place, or that they cannot come, or that they are unwilling to come: then let him commence afresh to invoke them after the following manner, and let the Exorcist be assured that even were they bound with chains of iron, and with fire, they could not refrain from coming to accomplish his will.

THE CONJURATION.25

O ye Spirits, ye I conjure by the Power, Wisdom, and Virtue of the Spirit of God, by the uncreate Divine Knowledge, by the vast Mercy of God, by the Strength of God, by the Greatness of God, by the Unity of God; and by the Holy Name of God EHEIEH, which is the root, trunk, source, and origin of all the other Divine Names, whence they all draw their life and their virtue, which Adam having invoked, he acquired the knowledge of all created things.

I conjure ye by the Indivisible Name IOD, which marketh and expresseth the Simplicity and the Unity of the Nature Divine, which Abel having invoked, he deserved26 to escape from the hands of Cain his brother.

I conjure ye by the Name TETRAGRAMMATON ELOHIM, which expresseth and signifieth the Grandeur of so lofty a Majesty, that Noah having pronounced it, saved himself, and protected himself with his whole household from the Waters of the Deluge.

I conjure ye by the Name of God EL Strong and Wonderful, which denoteth the Mercy and Goodness of His Majesty Divine, which Abraham having invoked, he was found worthy to come forth from the Ur of the Chaldeans.

I conjure ye by the most powerful Name of ELOHIM GIBOR, which sheweth forth the Strength of God, of a God All Powerful, Who punisheth the crimes of the wicked. Who seeketh out and chastiseth the iniquities of the fathers upon the children unto the third and fourth generation; which Isaac having invoked, he was found worthy to escape from the Sword of Abraham his father.

I conjure ye and I exorcise ye by the most holy Name of ELOAH VA-DAATH, which Jacob invoked when in great trouble, and was found worthy to bear the Name of Israel, which signifieth Vanquisher of God; and he was delivered from the fury of Esau his brother.

I conjure ye by the most potent Name of EL27 ADONAI TZABAOTH, which is the God of Armies, ruling in the Heavens, which Joseph invoked and was found worthy to escape from the hands of his Brethren.

I conjure ye by the most potent Name of ELOHI TZABAOTH, which expresseth piety, mercy, splendour, and knowledge of God, which Moses invoked, and he was found worthy to deliver the People Israel from Egypt, and from the servitude of Pharaoh.

I conjure ye by the most potent Name of SHADDAI, which signifieth doing good unto all; which Moses invoked, and having struck the Sea, it divided into two parts in the midst, on the right hand and on the left. I conjure ye by the most holy Name of EL28 CHAI, which is that of the Living God, through the virtue of which alliance with us, and redemption for us have been made; which Moses invoked and all the waters returned

25. There is an Invocation bearing the title of 'The Qabalistical Invocation of Solomon,' given by Eliphas Levi, which differs in many points from the one given above, though resembling it in some particulars. Levi's is more evidently constructed on the plan indicated in the 'Siphra Dzenioutha,' c. III.; Annotation § 5, sub. § 8, 9; while the one above more follows that laid down, ibid. § 5, sub. § 3. I see no reason to suppose that Levi's is unauthentic. It will be noted by the Qabalistical reader, that the above Conjuration rehearses the Divine Names attached to the Ten Sephiroth.

26. In the French, 'merita d`echapper.'

27. More usually the Name TETRAGRAMMATON TZABAOTH is attributed to the Seventh Sephirah.

28. Both this Name and 'Shaddai' are attributed to the Ninth Sephira, and I have therefore put the two invocations in the same paragraph.
to their prior state and enveloped the Egyptians, so that not one of them escaped to carry the news into the Land of Mizraim.

Lastly, I conjure ye all, ye rebellious Spirits, by the most holy Name of God ADONAI MELEKH, which Joshua invoked, and stayed the course of the Sun in his presence, through the virtue of Methratton, its principal Image; and by the troops of Angels who cease not to cry day and night, QADOSCH, SADOSCH, QADOSCH, ADONAI ELOHIM TZABAOOTH (that is, Holy, Holy, Holy, Lord God of Hosts, Heaven and Earth are full of Thy Glory); and by the Ten Angels who preside over the Ten Sephiroth, by whom God communicateth and extendeth His influence over lower things, which are KETHER, CHOKMAH, BINAH, GEDULAH, GEBURAH, TIPHERETH, NETZACH, HOD, YESOD, AND MALKUTH.

I conjure ye anew, O Spirits, by all the Names of God, and by all His marvellous work; by the heavens; by the earth; by the sea; by the depth of the Abyss, and by that firmament which the very Spirit of God hath moved; by the sun and by the stars; by the waters and by the seas, and all which they contain; by the winds, the whirlwinds, and the tempests; by the virtue of all herbs, plants, and stones; by all which is in the heavens, upon the earth, and in all the Abysses of the Shades.

I conjure ye anew, and I powerfully urge ye, O Demons, in whatsoever part of the world ye may be, so that ye shall be unable to remain in air, fire, water, earth, or in any part of the universe, or in any pleasant place which may attract ye; but that ye come promptly to accomplish our desire, and all things that we demand from your obedience.

I conjure ye anew by the two Tables of the Law, by the five books of Moses, by the Seven Burning Lamps on the Candlestick of Gold before the face of the Throne of the Majesty of God, and by the Holy of Holies wherein the KOHEN HA-GADUL was alone permitted to enter, that is to say, the High-Priest.

I conjure ye by Him Who hath made the heavens and the earth, and who hath measured those heavens in the hollow of His hand, and enclosed the earth with three of His fingers, Who is seated upon the Kerubim and upon the Seraphim; and by the Kerubim, which is called the Kerub, which God constituted and placed to guard the Tree of Life, armed with a flaming sword, after that Man had been driven out of Paradise.

I conjure ye anew, Apostates from God, by Him Who alone hath performed great wonders; by the Heavenly Jerusalem; and by the Most Holy Name of God in Four Letters, and by Him Who enlighteneth all things and shineth upon all things by his Venerable and Ineffable Name, EHEIEH ASHER EHEIEH; that ye come immediately to execute our desire, whatever it may be.

I conjure ye, and I command ye absolutely, O Demons, in whatsoever part of the Universe ye may be, by the virtue of all these Holy Names:-- ADONAI, YAH, HOA, EL, ELOHA, ELOHINU, ELOHIM, EHEIEH, MARON, KAPHU, ESCH, INNON, AVEN, AGLA, HAZOR, EMETH, YAIL, ARARITHA, YOVA, HA-KABIR, MESSIACH, IONAH, MALKA, EREL, KUZU, MATZPATZ, EL SHADDAI; and by all the Holy names of God which have been written with blood in the sign of an eternal alliance.

I conjure ye anew by these other names of God, Most Holy and unknown, by the virtue of which Names ye tremble every day:-- BARUC, BACURABON, PATACEL, ALCHEEGHEL, AQUACHAI, HOMORION, EHEIEH, ABBATON, CHEVON, CEBON, OYZROYMAS, CHAI, EHEIEH, ALBAMACHI, ORTAGU, NALE, ABLECH (or HELECH), YEZE (or SECHEZZE); that ye come quickly and without any delay into our presence from every quarter and every climate of the world wherein ye may be, to execute all that we shall command ye in the Great Name of God.
STRONGER AND MORE POTENT CONJURATION

If they then immediately appear, it is well; if not, let the Master uncover the consecrated Pentacles which he should have made to constrain and command the Spirits, and which he should wear fastened round his neck, holding the Medals (or Pentacles) in his left hand, and the consecrated Knife in his right; and encouraging his Companions, he shall say with a loud voice:--

ADDRESS.

Here be the Symbols of Secret things, the standards, the ensigns, and the banners, of God the Conqueror; and the arms of the Almighty One, to compel the Aerial Potencies. I command ye absolutely by their power and virtue that ye come near unto us, into our presence, from whatsoever part of the world ye may be in, and that ye delay not to obey us in all things wherein we shall command ye by the virtue of God the Mighty One.

Come ye promptly, and delay not to appear, and answer us with humility.

If they appear at this time, show them the Pentacles, and receive them with kindness, gentleness, and courtesy; reason and speak with them, question them, and ask from them all things which thou hast proposed to demand.

But if, on the contrary, they do not yet make their appearance, holding the consecrated Knife in the right hand, and the Pentacles being uncovered by the removal of their consecrated covering, strike and beat the air with the Knife as if wishing to commence a combat, comfort and exhort thy Companions, and then in a loud and stern voice repeat the following Conjuration:--

CONJURATION.32

Here again I conjure ye and most urgently command ye; I force, constrain, and exhort ye to the utmost, by the most mighty and powerful Name of God EL, strong and wonderful, and by God the Just and Upright, I exorcise ye and command ye that ye in no way delay, but that ye come immediately and upon the instant hither before us, without noise, deformity, or hideousness, but with all manner of gentleness and mildness.

I exorcise ye anew, and powerfully conjure ye, commanding ye with strength and violence by Him Who spake and it was done; and by all these names: EL SHADDAI, ELOHIM, ELOHI, TZABAOOTH, ELIM, ASHER EHEIEH, YAH, TETRAGRAMMATON, SHADDAI, which signify God the High and Almighty, the God of Israel, through Whom undertaking all our operations we shall prosper in all the works of our hands, seeing that the Lord is now, always, and for ever with us, in our heart and in our lips; and by His Holy Names, and by the virtue of the Sovereign God, we shall accomplish all our work.

Come ye at once without any hideousness or deformity before us, come ye without monstrous appearance, in a gracious form or figure. Come ye, for we exorcise ye with the utmost vehemence by the Name of IAH and ON, which Adam spake and heard; by the Name EL, which Noah heard, and saved himself with all his family from the Deluge; by the Name IOD, which Noah heard, and knew God the Almighty One; by the Name AGLA which Jacob heard, and saw the Ladder which touched Heaven, and the Angels who ascended and descended upon it, whence he called that place the House of God and the Gate of Heaven; and by the Name ELOHIM, and in the Name ELOHIM, which Moses named, invoked, and heard in Horeb the Mount of God, and he was found worthy to hear Him speak from the Burning Bush; and by the Name AIN SOPH, which Aaron heard, and was at once made eloquent, wise, and learned; and by the Name TZABAOOTH, which Moses named and invoked, and all the ponds and rivers were covered with blood throughout the land of Egypt;33 and by the name IOD, which Moses named and invoked, and striking upon the dust of the earth both men and beasts were struck with disease;34 and by the Name, and in the Name PRIMEUMATON, which Moses named and invoked, and there fell a great and severe hail throughout all the land of Egypt, destroying the vines, the trees, and the woods which were in that country; and by the Name IAPHAR, which Moses heard and invoked, and immediately a great pestilence began to appear through all the land of Egypt, striking and slaying the asses, the oxen, and the sheep of the Egyptians, so that they all died; and by the Name ABADDON which Moses invoked and sprinkled the dust towards heaven, and immediately there fell so great rain upon the men, cattle, and flocks, that

32. This Conjuration is almost identical with one given in the 'Lemegeton,' or Lesser Key, a different work, also attributed to Solomon.

33. Some MSS. add, 'et furent purifies.'

34. Some MSS. substitute, 'les hommes furent reduits en cendre, comme aussi les bouifs, bétail, et troupeaux des Egyptiens.'
they all died throughout the land of Egypt; and by the Name ELION which Moses invoked, and there fell so great hail as had never been seen from the beginning of the world unto that time, so that all men, and herds, and everything that was in the fields perished and died throughout all the land of Egypt. And by the Name ADONAI, which Moses having invoked, there came so great a quantity of locusts which appeared in the land of Egypt, that they devoured and swallowed up all that the hail had spared; and by the Name of PATHEON, which having invoked, there arose so thick, so awful, and so terrible darkness throughout the land of Egypt, during the space of three days and three nights, that almost all who were left alive died; and by the Name YESOD, and in the Name YESOD, which Moses invoked, and at midnight all the first-born, both of men and of animals, died; and by the Name of YESHIMON, which Moses named and invoked, and the Red Sea divided itself and separated in two; and by the name HESION, which Moses invoked, and all the army of Pharaoh was drowned in the waters; and by the Name ANABONA, which Moses having heard upon Mount Sinai, he was found worthy to receive and obtain the tables of stone written with the finger of God the Creator; and by the Name ERYGION, which Joshua having invoked when he fought against the Moabites, he defeated them and gained the victory; and by the Name HOA, and in the Name HOA, which David invoked, and he was delivered from the hand of Goliath; and by the name YOD, which Solomon having named and invoked, he was found worthy to ask for and obtain in sleep the Ineffable Wisdom of God; and by the Name YIAI, which Solomon having named and invoked, he was found worthy to have power over all the Demons, Potencies, Powers, and Virtues of the Air.

By these, then, and by all the other Names of God Almighty, Holy, Living, and True, we powerfully command ye, ye who by your own sin have been cast down from the Empyreal Heaven, and from before His Throne; by Him who hath cast ye down unto the most profound of the Abysses of Hell, we command ye boldly and resolutely; and by that terrible Day of the Sovereign Judgment of God, on which all the dry bones in the earth will arise to hear and listen unto the Word of God with their body, and will present themselves before the face of God Almighty; and by that Last Fire which shall consume all things; by the (Crystal) Sea which is known unto us, which is before the Face of God; by the indicible and ineffable virtue, force, and power of the Creator Himself, by His Almighty power, and by the Light and Flame which emanate from His Countenance, and which are before His Face; by the Angelical Powers which are in the Heavens, and by the most great Wisdom of Almighty God; by the Seal of David, by the Ring and Seal of Solomon, which was revealed unto him by the Most High and Sovereign Creator; and by the Nine Medals or Pentacles, which we have among our Symbols, which proceed and come from Heaven, and are among the Mysteries or Secrets of Secrets, which you can also behold in my hand, consecrated and exorcised with the due and requisite Ceremonies. By these, then, and by all the Secrets which the Almighty encloseth in the Treasures of the Sovereign and Highest Wisdom, by His Hand, and by His marvellous power; I conjure, force, and exorcise ye that ye come without delay to perform in our presence that which we shall command ye.

I conjure ye anew by that most Holy Name which the whole Universe fears, respects, and reveres, which is written by these letters and characters, IOD, HE, VAU, HE; and by the last and terrible judgment; by the Seat of BALDACHIA, and by this Holy Name, YIAI, which Moses invoked, and there followed that great Judgment of God, when Dathan and Abiram were swallowed up in the centre of the earth. Otherwise, if ye contravene and resist us by your disobedience unto the virtue and power of this Name YIAI, we curse ye even unto the Depth of the Great Abyss, into which we shall cast, hurl, and bind ye, if ye show yourselves rebellious against the Secret of Secrets, and against the Mystery of Mysteries. AMEN, AMEN. FIAT, FIAT.

This Conjuration thou shalt say and perform, turning thyself unto the East, and if they appear not, thou shalt repeat it unto the Spirits, turning unto the South, the West, and the North, in succession, when thou wilt have repeated it four times. And if they appear not even then, thou shalt make the Sign of TAU upon the foreheads of thy companions, and thou shalt say:--

CONJURATION.
Behold anew the Symbol and the Name of a Sovereign and Conquering
God, through which all the Universe fears, trembles, and shudders, and
through the most mysterious words of the Secret Mysteries and by their
Virtue, Strength, and Power.

I conjure ye anew, I constrain and command ye with the utmost
vehemence and power, by that most potent and powerful Name of God,
EL, strong and wonderful, by Him who spake and it was done; and by the
Name IAHT, which Moses heard, and spoke with God; and by the Name
AGLA, which Joseph invoked, and was delivered out of the hands of his
brethren; and by the Name VAU, which Abraham heard, and knew God
the Almighty One; and by the Name of Four Letters, TETRAGRAMMATON, which Joshua named and invoked, and he was
rendered worthy and found deserving to lead the Army of Israel into the
Promised Land; and by the Name ANABONA, by which God formed
Man and the whole Universe; and by the Name ARPHETON, and in
the Name ARPHETON, by which the Angels who are destined to that end
will summon the Universe, in visible body and form, and will assemble
(all people) together by the sound of the Trumpet at that terrible and
awful Day of Judgment, when the memory of the wicked and ungodly
shall perish; and by the Name ADONAI, by which God will judge all
human flesh, at Whose voice all men, both good and evil, will rise again,
and all men and Angels will assemble in the air before the Lord, Who
will judge and condemn the wicked; and by the Name ONEIPHETON, by
which God will summon the dead, and raise them up again unto life;
and by the Name ELOHIM, and in the Name ELOHIM, by which God
will disturb and excite tempests throughout all the seas, so that they will
cast out the fish therefrom, and in one day the third part of men about the
sea and the rivers shall die; and by the Name ELOHI, by which God will dry up the sea and the rivers, so that men can
go on foot through their channels; and by the Name ON, and in the Name
ELOHI, by which God will dry up the sea and the rivers, so that men can
buildings, so that there shall not be left one stone upon another; and by
the Name IAHT, by which God will cast one stone upon another, so that
all animals combat together, so that they shall die in a single day; and by
the Name ARIEL, by which God shall destroy in a single day all
animals combat together, and by the Name ANAEL, and in the Name
IANI, by which God will perform wonders, and the winged creatures and birds of the air shall
contend with one another; and by the Name ANAEL, and in the Name
ANAEL, by which God will cast down the mountains and fill up the
valleys, so that the surface of the earth shall be level in all parts; and by
the Name ZEDEREZA, and in the Name ZEDEREZA, by which God will
cause the Sun and Moon to be darkened, and the Stars of heaven to
fall; and by the Name SEPHERIEL, by which God will come to
Universal Judgment, like a Prince newly crowned entering in triumph into
his capital city, girded with a zone of gold, and preceded by Angels, and
at His aspect all climes and parts of the Universe shall be troubled and
astonished, and a fire shall go forth before Him, and flames and storm
shall surround Him; and by the Name TAU, by which God brought the
Deluge, and the waters prevailed above the mountains, and fifteen cubits
above their summits; and by the Name RUACHIAH, by which God
having purged the Ages, He will make His Holy spirit to descend upon
the Universe, and will cast ye, ye rebellious Spirits, and unclean beings,
into the Depths of the Lake of the Abyss, in misery, filth, and mire, and
will place ye in impure and foul dungeons bound with eternal chains of
fire.

By these Names then, and by all the other Holy Names of God before
Whom no man can stand and live, and which Names the armies of the
Demons fear, tremble at, and shudder; we conjure ye, we potently
exorcise and command ye, conjuring ye in addition by the terrible and
tremendous PATHS of GOD and by His Holy habitation wherein He
reigneth and commandeth unto the eternal Ages. Amen.

By the virtue of all those aforesaid, we command ye that ye remain not in
any place wherein ye are, but to come hither promptly without delay to do that which we shall enjoin ye. But if ye be still contumacious, we, by the Authority of a Sovereign and Potent God, deprive ye of all quality, condition, degree, and place which ye now enjoy, and precipitate ye into and relegate ye unto the Kingdom of Fire and of Sulphur, to be there eternally tormented. Come ye then from all parts of the earth, wheresoever ye may be, and behold the Symbols and Names of that Triumphant Sovereign Whom all creatures obey, otherwise we shall bind ye and conduct ye in spite of yourselves, into our presence bound with chains of fire, because those effects which proceed and issue from our Science and operation, are ardent with a fire which shall consume and burn ye eternally, for by these the whole Universe trembleth, the earth is moved, the stones thereof rush together, all creatures obey, and the rebellious Spirits are tormented by the power of the Sovereign Creator.

Then it is certain that they will come, even if they be bound with chains of fire, unless prevented by affairs of the very greatest importance, but in this latter case they will send ambassadors and messengers by whom thou shalt easily and surely learn what occupies the Spirits and what they are about. But if they appear not yet in answer to the above Conjuration, and are still disobedient, then let the Master of the Art or Exorciser arise and exhort his Companions to be of good cheer and not to despair of the ultimate success of the operation; let him strike the air with the Consecrated Knife towards the Four Quarters of the Universe; and then let him kneel in the midst of the Circle, and the Companions also in their several places, and let them say consecutively with him in a low voice, turning in the direction of the East, the following:

ADDRESS TO THE ANGELS.

I conjure and pray ye, O ye Angels of God, and ye Celestial Spirits, to come unto mine aid; come and behold the Signs of Heaven, and be my witness before the Sovereign Lord, of the disobedience of these evil and fallen Spirits who were at one time your companions.

This being done, let the Master arise, and constrain and force them by a stronger conjuration, in manner following.

BOOK I

CHAPTER VII

AN EXTREMELY POWERFUL CONJURATION

Behold us again prepared to conjure ye by the Names and Symbols of God, wherewith we are fortified, and by the virtue of the Highest One. We command ye and potently ordain ye by the most strong and powerful Names of God, Who is worthy of all praise, admiration, honor, glory, generation, and fear, that ye delay not longer, but that ye appear before us without any tumult or disturbance, but, on the contrary, with great respect and courtesy, in a beautiful and human form.

If they then appear, let them see the Pentacles, and say:

Obey ye, Obey ye, behold the Symbols and Names of the Creator; be ye gentle and peaceable, and obey in all things that we shall command ye.

They will then immediately talk with thee, as a friend speaketh unto a friend. Ask of them all that thou desirest, with constancy, firmness, and assurance, and they will obey thee.

But if they appear not yet, let not the Master on that account lose his courage, for there is nothing in the world stronger and of greater force to overawe the Spirits than constancy. Let him, however, re-examine and reform the Circle, and let him take up a little dust of the earth, which he shall cast towards the Four Quarters of the Universe; and having placed his Knife upon the ground, let him say on his knees, turning towards the direction of the North:

In the Name of ADONAI ELOHIM TZABAOTH SHADDAI, Lord God of Armies Almighty, may we successfully perform the works of our hands. and may the Lord he present with us in our heart and in our lips.

These words having been said kneeling upon the earth, let the Master shortly after arise and open his arms wide as if wishing to embrace the air, and say:

CONJURATION.

By the Holy Names of God written in this Book, and by the other Holy and Ineffable Names which are written in the Book of Life, we conjure ye
to come unto us promptly and without any delay, wherefore tarry not, but appear in a beautiful and agreeable form and figure, by these Holy Names: ADONAI, TZABAOTH, EL, ELOHI, ELOHIM, SHADDAI; and by EHEIEH, YOD HE VAU HE, which is the Great Name of God TETRAGRAMMATON written with Four Letters, ANAPHODITION, and Ineffable; by the God of those Virtues and Potencies, Who dwelt in the Heavens, Who rideth upon the Kerubim, Who moveth upon the Wings of the Wind, Whose Power is in Heaven and in Earth, Who spake and it was done, Who commanded and the whole Universe was created; and by the Holy Names and in the Holy Names, IAH, IAH, IAH, ADONAI TZABAOTH; and by all the Names of God, the Living, and the True, I reiterate the Conjuration, and I conjure ye afresh ye Evil and rebellious Spirits, abiding in the Abysses of Darkness.

I conjure, I address, and I exorcise ye, that ye may approach unto and come before the Throne of God, the Living and the True, and before the Tribunal of the Judgment of His Majesty, and before the Holy Angels of God to hear the sentence of your condemnation.

Come ye then by the Name and in the Name of SHADDAI, which is that of God Almighty, strong, powerful, admirable, exalted, pure, clean, glorified, virtuous, great, just, terrible, and holy; and by the Name and in the Name of EL, IAH, IAH, IAH, Who hath formed and created the world by the Breath of His Mouth, Who supporteth it by His Power, Who ruleth and governeth it by His Wisdom, and Who hath cast ye for your pride into the Land of Darkness and into the Shadow of Death.

Therefore, by the Name of the Living God, Who hath formed the heavens above, and hath laid the foundations of the earth beneath, we command ye that, immediately and without any delay, ye come unto us from all places, valleys, mountains, hills, field, seas, rivers, fountains, ponds, brooks, caverns, grottos, cities, towns, villages, markets, fairs, habitations, baths, courtyards, gardens, vineyards, plantations, reservoirs, cisterns, and from every corner of the terrestrial earth where ye may happen to be in your assemblies, so that ye may execute and accomplish our demands with all mildness and courtesy; by that Ineffable Name which Moses heard and invoked, which he received from God from the midst of the Burning Bush, we conjure ye to obey our commands, and to come unto us promptly with all gentleness of manner.

Again we command ye with vehemence, and we exorcise ye with constancy, that ye and all your comrades come unto us in an agreeable and gracious manner like the breeze, to accomplish successively our various commands and desires. Come ye, then, by the virtue of these Names by the which we exorcise ye; ANAI, JCHHAD, TRAN SIN, EMET H, CHAIA, IONA, PROFA, TITACHE, BEN ANI, BRIAH, THEIT; all which names are written in Heaven in the characters of Malachim, that is to say, the tongue of the Angels.

We then, by the just judgment of God, by the Ineffable and Admirable Virtue of God, just, living, and true, we call ye with power, we force and exorcise ye by and in the admirable Name which was written on the Tables of Stone which God gave upon Mount Sinai; and by and in the wonderful Name which Aaron the High Priest bare written upon his breast, by which also God created the World, the which name is AXINETON; and by the Living God Who is One throughout the Ages, whose dwelling is in the Ineffable Light, Whose Name is Wisdom, and Whose Spirit is Life, before Whom goeth forth Fire and Flame, Who hath from that Fire formed the firmament, the Stars and the Sun; and Who with that Fire will burn ye all for ever, as also all who shall contravene the Words of His Will.

Come ye, then, without delay, without noise, and without rage, before us, without any deformity or hideousness, to execute all our will; come ye from all places wherein ye are, from all mountains, valleys, streams, rivers, brooks, ponds, places, baths, synagogues; for God, strong and powerful, will chase ye and constrain ye, being glorious over all things; He will compel ye, both ye and the Prince of Darkness. Come ye, come ye, Angels of Darkness; come hither before this Circle without fear, terror, or deformity, to execute our commands, and be ye ready both to achieve and to complete all that we shall command ye.

Come ye, then, by the Crown of the Chief of your Emperors, and by the Sceptres of your power, and of SID, the Great Demon, your Master; by

the Names and in the Names of the Holy Angels who have been created to be above you, long before the constitution of the world; and by the Names of the two Princes of the Universe, whose Names are, IONIEL and SEFONIEL; by the rod of Moses, by the staff of Jacob; by the ring and seal of David, wherein are written the Names of Sovereign God; and by the Names of the Angels by which Solomon has linked and bound ye; and by the sacred bonds by which ANAEL hath environed and hath conquered the Spirit; and by the Name of the Angel who ruleth potently over the rest, and by the praise of all creatures who cry incessantly unto God, Who spake, and immediately all things, even the Ages, were made and formed; and by the Name HA-QADOSCH BERAKHA, which signifies the Holy and Blessed One; and by the Ten Choirs of the Holy Angels, CHAIOTH HA-QADESH, AUPHANIM, ARALIM, CHASHMALIM, SERAPHIM, MALACHIM, ELOHIM, BENI ELOHIM, KERUBIM, and ISHIM; and by, and in the Sacred name of Twelve Letters of which each letter is the Name of an Angel, and the letters of the Name are ALEPH, BETH, BETH, NUN, VAU, RESH, VAU, CHETH, HE, QOPH, DALETH, SHIN.

By these Names therefore, and by all the other Holy Names, we conjure ye and we exorcise ye; by the Angel ZECHIEL; by the Angel DUCHIEL; by the Angel DONACHIEL; and by the Great Angel METATRON, Who is the Prince of the Angels, and introduceth the Souls before the Face of God; and by the Angel SANGARIEL, by whom the portals of Heaven are guarded; and by the Angel KERUB, who was made the Guardian of the Terrestrial Paradise, with a Sword of Flame, after the expulsion of Adam our forefather; and by the Angel MICHAEL by whom ye were hurled down from the Height of the THRONE into the Depth of the Lake and of the Abyss, the same Name meaning, 'Who is like God upon Earth;' and by the Angel ANIEL; and by the Angel OPHIEL; and by the Angel BEDALIEL; wherefore, by these and by all the other Holy Names of the Angels, we powerfully conjure and exorcise ye, that ye come from all parts of the world immediately, and without any delay, to perform our will and demands, obeying us quickly and courteously, and that ye come by the Name and in the Name of ALEPH, BETH, BETH, NUN, VAU, RESH, VAU, CHETH, HE, QOPH, DALETH, SHIN.

50. Which Letters I have, with much care, corrected, for in the MSS. the letters are jumbled together in hopeless confusion, Seym is written for Shin, Res for Beth, etc. The Name is Ab, Ben, Ve-Ruach, Ha-Qadesch, Father, Son, and Holy Spirit. There are two other Names of Twelve Letters, frequently employed, HQDVSh BRVK HVA, Holy and Blessed be He; and ADNI HMLK NAMN, The Lord, the faithful King; besides other forms.

We constrain ye yet again by the Seal of the Sun which is the Word of God; and by the Seal of the Moon and of the Stars we bind ye; and by the other Animals and Creatures which are in Heaven, by whose wings Heaven cleaneth itself, we force and attract ye inextremely to execute our will without failure. And we conjure, oblige, and terribly exorcise ye, that ye draw near unto us without delay and without fear, as far as is possible unto ye, here before this Circle, as supplicants gently and with discretion, to accomplish our will in all and through all. If ye come promptly and voluntarily, ye shall inhale our perfumes, and our suffumigations of pleasant odour, which will be both agreeable and delightful unto ye. Furthermore ye will see the Symbol of your Creator, and the Names of his Holy Angels, and we shall afterwards dismiss ye, and send ye hence with thanks. But if, on the contrary, ye come not quickly, and ye show yourselves self-opinionated, rebellious, and contumacious, we shall conjure ye again, and exorcise ye ceaselessly, and will repeat all the aforesaid words and Holy Names of God and of the Holy Angels; by the which Names we shall harass you, and if that be not sufficient we will add thereunto yet greater and more powerful ones, and we will thereunto again add other Names which ye have not yet heard from us, which are those of an Almighty God, and which will make ye tremble and quake with fear, both ye and your princes; by the which Names we conjure both you and them also, and we shall not desist from our work until the accomplishment of our will. But if perchance ye yet shall harden yourselves, and show yourselves self-opinionated, disobedient, rebellious, refractory, and contumacious, and if ye yet resist our powerful conjurations, we shall pronounce against you this warrant of arrest in the Name of God Almighty, and this definite sentence that ye shall fall into dangerous disease and leprosy, and that in sign of the Divine Vengeance ye shall all perish by a terrifying and horrible death, and that a fire shall consume and devour you on every side, and utterly crush you; and that by the Power of God, a flame shall go forth from His Mouth which shall burn ye up and reduce ye unto nothing in Hell. Wherefore delay ye not to come, for we shall not cease from these
powerful conjurations until ye shall be obliged to appear against your will.

Thus then, therefore, we anew conjure and exorcise ye by and in the Holy Name of ON, which is interpreted and called God; by the Name and in the Name of EHEIEH, which is the true Name of God, 'I am He Who is'; by and in the Ineffable Name of Four Letters YOD HE VAU HE, the Knowledge and understanding of which is hidden even from the Angels; by the Name and in the Name of EL, which signifieth and denoteth the powerful and consuming fire which issueth from His Countenance, and which shall be your ruin and destruction; and by the Light of the Angels which is kindled and taken ineffably from that flame of Divine ardour.

By these then, and by other most Holy Names which we pronounce against you from the bottom of our hearts, do we force and constrain ye, if ye be yet rebellious and disobedient. We conjure ye powerfully and strongly exercise ye, that ye come unto us with joy and quickness, without fraud or deceit, in truth and not in error.

Come ye then, come ye, behold the Signs and the Names of your Creator, behold the Holy Pentacles by the virtue of which the Earth is moved, the trees thereof and the Abysses tremble. Come ye; come ye; come ye.

These things being thus done and performed, ye shall see the Spirits come from all sides in great haste with their Princes and Superiors; the Spirits of the First Order, like Soldiers, armed with spears, shields, and corslets; those of the Second Order like Barons, Princes, Dukes, Captains, and Generals of Armies. For the Third and last Order their King will appear, before whom go many players on instruments of music, accompanied by beautiful and melodious voices which sing in chorus.

Then the Exorcist, or Master of the Art, at the arrival of the King, whom he shall see crowned with a Diadem, should uncover the Holy Pentacles and Medals which he weareth upon his breast covered with a cloth of silk or of fine twined linen, and show them unto him, saying:--

**Behold the Signs and Holy Names by and before whose power every knee should bow, of all that is in Heaven, upon Earth, or in Hell. Humble ye yourselves, therefore, under the Mighty hand of God.**

Then will the King bow the knee before thee, and will say, 'What dost thou wish, and wherefore hast thou caused us to come hither from the Infernal Abodes?'

Then shall the Exorcist, or Master of Magical Art, with an assured air and a grave and imperious voice, order and command him to be tranquil, to keep the rest of his attendants peaceable, and to impose silence upon them.

Let him, also, renew his fumigations, and offer large quantities of Incense, which he should at once place upon the fire, in order to appease the Spirits as he hath promised them. He should then cover the Pentacles, and he will see wonderful things, which it is impossible to relate, touching worldly matters and all sciences.

This being finished, let the Master uncover the Pentacles, and demand all that he shall wish from the King of the Spirits, and if there are one or two Spirits only, it will be the same; and having obtained all his desire, he shall thus license them to depart:--

**THE LICENSE TO DEPART**

In the Name of ADONAI, the Eternal and Everlasting One, let each of you return unto his place; be there peace between us and you, and be ye ready to come when ye are called.

After this he should recite the first chapter of Genesis, 'Berashith Bara Elohim, In the beginning, etc.'

This being done, let them all in order quit the Circle, one after the other, the Master first. Furthermore let them bathe their faces with the exorcised water, as will be hereafter told, and then let them take their ordinary raiment and go about their business.

Take notice and observe carefully that this last conjuration is of so great importance and efficacy, that even if the Spirits were bound with chains of iron and fire, or shut up in some strong place, or retained by an oath, they could not even then delay to come. But supposing that they were being conjured in some other place or part of the Universe by some other Exorcist or Master of the Art, by the same conjuration; the Master should add to his conjuration that they should at least send him some Messengers, or some individual to declare unto him where they are, how employed, and the reason why they cannot come and obey him.

But if (which is almost impossible) they be even yet self-opinionated and disobedient, and unwilling to obey; in this case their names should be written on virgin paper, which he should soil and fill with mud, dust, or clay. Then he shall kindle a fire with dry rue, upon which he shall put powdered asafoetida, and other things of evil odour; after which let him put the aforesaid names, written on parchment or virgin paper, upon the fire, saying:--
THE CONJURATION OF THE FIRE.

I conjure thee, O Creature of Fire, by Him who removeth the Earth, and maketh it tremble, that thou burn and torment these Spirits, so that they may feel it intensely, and that they may be burned eternally by thee.

This being said, thou shalt cast the aforesaid paper into the fire, saying:--

THE CURSE.

Be ye accursed, damned, and eternally reproved; and be ye tormented with perpetual pain, so that ye may find no repose by night nor by day, nor for a single moment or time, if ye obey not immediately the command of Him Who maketh the Universe to tremble; by these Names, and in virtue of these Names, the which being named and invoked all creatures obey and tremble with fear and terror, these Names which can turn aside lightning and thunder; and which will utterly make you to perish, destroy, and banish you. These Names then are Aleph, Beth, Gimel, Daleth, He, Vau, Zayin, Cheth, Teth, Yod, Kaph, Lamed, Mem, Nun, Samekh, Ayin, Pe, Tzaddi, Qoph, Resh, Shin, Tau. 51

By these secret Names, therefore, and by these signs which are full of Mysteries, we curse ye, and in virtue of the power of the Three Principles, Aleph, Mem, Shin, we deprive ye of all office and dignity which ye may have enjoyed up till now; and by their virtue and power we relegate you unto a lake of sulphur and of flame, and unto the deepest depths of the Abyss, that ye may burn therein eternally for ever.

Then will they assuredly come without any delay, and in great haste, crying: 'O Our Lord and Prince, deliver us out of this suffering.'

All this time thou shouldest have near thee ready an exorcised pen, paper, and ink, as will be described hereinafter. Write their Names afresh, and kindle fresh fire, whereon thou shalt put gum benjamin, olybdanum, and storax to make therewith a fumigation; with these odours thou shalt afresh, perfume the aforesaid paper with the Names; but thou shouldest have these names ready prepared beforehand. Then show them the Holy Pentacles, and ask of them what thou wilt, and thou shalt obtain it; and having gained thy purpose, send away the Spirits, saying:--

THE LICENSE TO DEPART.

By the virtue of these Pentacles, and because ye have been obedient, and have obeyed the commandments of the Creator, feel and inhale this grateful odour, and afterwards depart ye unto your abodes and retreats; be there peace between us and you; be ye ever ready to come when ye shall be cited and called; and may the blessing of God, as far as ye are capable of receiving it, be upon you, provided ye be obedient and prompt to come unto us without solemn rites and observances on our part.

Thou shouldest further make a Book of virgin paper, and therein write the foregoing conjurations, and constrain the Demons to swear upon the same Book that they will come whenever they be called, and present themselves before thee, whenever thou shalt wish to consult them. Afterwards thou canst cover this Book with sacred Sigils on a plate of silver, and therein write or engrave the Holy Pentacles. Thou mayest open this Book either on Sundays or on Thursdays, rather at night than by day, and the Spirits will come.

Regarding the expression 'night;' understand the night following, and not the night preceding the aforesaid days. And remember that by day (the Demons) are ashamed, for they are Animals of Darkness.

CHAPTER VIII

CONCERNING PENTACLES, AND THE MANNER OF CONSTRUCTING THEM

As we have already made mention of the Pentacles, it is necessary that thou shouldest understand that the whole Science and understanding of our Key dependeth upon the operation, Knowledge, and use of Pentacles.

He then who shall wish to perform any operation by the means of the Medals, or Pentacles, and therein to render himself expert, must observe what hath been hereinbefore ordained. Let him then, O my Son Roboam, know and understand that in the aforesaid Pentacles he shall find those Ineffable and Most Holy Names which were written by the finger of God in the Tablets of Moses; and which I, Solomon, have received through the Ministry of an Angel by Divine Revelation. These then have I collected together, arranged, consecrated, and kept, for the benefit of the human race, and the preservation of Body and of Soul.
The Pentacles should then be made in the days and hours of Mercury, when the Moon is in an aerial or terrestrial sign; she should also be in her increase, and in equal number of days with the Sun.

It is necessary to have a Chamber or Cabinet specially set apart and newly cleaned, wherein thou canst remain without interruption, the which having entered with thy Companions, thou shalt incense and perfume it with the odours and perfumes of the Art. The sky should be clear and serene. It is necessary that thou shouldst have one or more pieces of virgin paper prepared and arranged ready, as we shall tell you more fully later on, in its place.

Thou shalt commence the writing or construction of the Pentacles in the hour aforesaid. Among other things, thou shalt chiefly use these colours: Gold, Cinnabar or Vermilion Red, and celestial or brilliant Azure Blue. Furthermore, thou shalt make these Medals or Pentacles with exercised pen and colours, as we shall hereafter show thee. Whenevsoever thou construest them, if thou canst complete them in the hour wherein thou didst begin them, it is better. However, if it be absolutely necessary to interrupt the work, thou shouldst await the proper day and hour before re-commencing it.

The Pentacles being finished and completed, take a cloth of very fine silk, as we shall hereafter ordain thee, in the which thou shalt wrap the Pentacles. After which thou shalt take a large Vessel of Earth filled with Charcoal, upon the which there must be put frankincense, mastic, and aloes, all having been previously conjured and exercised as shall hereafter be told thee. Thou must also be thyself pure, clean, and washed, as thou shalt find given in the proper place. Furthermore, thou shouldst have the Sickle or Knife of Magical Art, with the which thou shalt make a Circle, and trace within it an inner circle, and in the space between the two thou shalt write the Names of God, which thou shalt think fit and proper. It is necessary after this that thou shouldst have within the Circle a vessel of earth with burning coals and odoriferous perfumes thereon; with the which thou shalt fumigate the aforesaid Pentacles; and, having turned thy face towards the East, thou shalt hold the said Pentacles over the smoke of the Incense, and shalt repeat devoutly the following Psalms of David my Father: Psalms viii., xxi., xxvi., xxvii., xxix., xxxii., lxxii., cxxxiv. 55 (For a convenient form of Circle which may be used for preparing Instruments and other things of the same kind, as well as for consecrating the Pentacles, see Figure 3.)

After this thou shalt repeat the following Oration:--

**THE ORATION.**

O ADONAI most powerful, EL most strong, AGLA most holy, ON most righteous, the ALEPH and the TAU, the Beginning and the End; Thou Who hast established all things in Thy Wisdom; Thou Who has chosen Abraham Thy faithful servant, and hast promised that in his seed shall all nations of the earth be blessed, which seed Thou hast multiplied as the Stars of Heaven; Thou Who has appeared unto Thy servant Moses in flame in the midst of the Burning Bush, and hast made him walk with dry feet through the Red Sea; Thou Who gavest the Law to him upon Mount Sinai; Thou Who has appeared unto Thy servant Solomon Thy Servant these Pentacles by Thy great Mercy, for the preservation of Soul and of Body; we most humbly implore and supplicate Thy Holy Majesty, that these Pentacles may be consecrated by Thy power, and prepared in such manner that they may obtain virtue and strength against all Spirits, through Thee, O Most Holy ADONAI, Whose Kingdom, Empire, and principality, remaineth and endureth without end.

These words being said, thou shalt perfume the Pentacles with the same sweet scents and perfumes, and afterwards having wrapped them in a piece of prepared silk cloth, thou shalt put them in a place fit and clean, which thou mayest open whenever it shall please thee, and close it again, at thy pleasure and according unto thy will. We will hereafter show thee the method and manner of preparing the aforesaid place, of perfuming it with scents and sweet odours, and of sprinkling it with the Water and Water-Sprinkler of Magical Art; for all these things contain many good properties, and innumerable virtues, as experience will easily teach thee.

We have already said sufficient regarding the Solemn Conjunction of Spirits.

We have also spoken enough in our present Key, regarding the manner in which it is necessary to attract the Spirits so as to make them speak. Now, by Divine aid, I will teach thee how to perform certain experiments with success.

Know, 57 O my Son Roboam, that all the Divine Sigils, Characters, and Names (which are the most precious and excellent things in Nature, whether Terrestrial or Celestial), should be written by thee each separately, when thou art in a state of grace and purity, upon Virgin parchment, with ordinary ink, in the beginning of the month of August before sunrise, raising thine eyes unto heaven, and turning towards the east. Thou shalt preserve them to suspend from thy neck, whichever thou wilt, on the day and hour wherein thou wast born, after which thou shalt take heed to name every day ten times, the Name which is hung from thy neck, turning towards the East, and thou mayest be assured that no enchantment or any other danger shall have power to harm thee.

Furthermore thou shalt vanquish all adversities, and shalt be cherished and loved by the Angels and Spirits, provided that thou hast made their characters and that thou hast them upon thee; I assure thee that this is the true way to succeed with ease in all thine operations, for being

fortified with a Divine Name, and the Letters, Characters, and Sigils, applicable unto the operation, thou shalt discover with what supernatural exactitude and very great promptitude, both Terrestrial and Celestial things will be obedient unto thee. But all this will only be true, when accompanied by the Pentacles which hereinafter follow, seeing that the Seals, Characters, and Divine Names, serve only to fortify the work, to preserve from unforeseen accidents, and to attract the familiarity of the Angels and Spirits, which is one reason, my Son, that before making any experiment, I order thee to read and re-read my Testament, not once only but many times, so that being perfectly instructed in the several Ceremonies thou mayest in no way fail, and that thus what shall have previously appeared to thee difficult and lengthy, may become in process of time easy and of very great use.

I am about to endow thee with many secrets, which I charge thee never to employ for an evil purpose, for ACCURSED BE HE WHO TAKETH THE NAME OF ALMIGHTY GOD IN VAIN; but thou mayest without any other ceremonies make use of them, provided that, as I have already said, thou hast only the Glory of Eternal God for thine object. Thus, after having taught thee all the Ceremonies which concern the manner of performing the Operations, I am at length determined to make thee a partaker in the secrets of which I have particular knowledge, unknown to this day unto the generality of men; but, nevertheless, only on the condition that thou attemptest not the ruin and destruction of thy neighbour, for his blood will cry for vengeance unto God, and in the end thou and thine shall feel the just wrath of an offended Deity. However, God not having forbidden honest and lawful pleasures, thou mayest perform boldly the Operations which follow, it being always especially necessary to distinguish between the good and the evil, so as to choose the former and avoid the latter, which is why I command thee to be attentive to all that is contained in this my Testament.

CHAPTER IX

OF THE EXPERIMENT CONCERNING THINGS STOLEN, AND HOW IT SHOULD BE PERFORMED

My beloved Son, if thou findest any Theft, thou shalt do as is hereinafter ordained, and with the help of God thou shalt find that which hath been taken away.

If the hours and days be not otherwise ordained in this operation, thou must refer to what hath already been said. But before commencing any operation whatsoever for the recovery of things stolen, after having made all necessary preparations, thou shalt say the following Oration:--

THE ORATION.

Atëh 59 Adonai Elohim Asher Ha-Sha'main Ve-Ha-Aretz, etc.

Thou, O Lord, Who hast made both Heaven and Earth, and hast measured them in the hollow of Thy hand; Thou Who art seated upon the Kerubim and the Seraphim, in the high places, whereunto human understanding cannot penetrate; Thou Who hast created all things by Thine agency, in Whose Presence are the Living Creatures, of which four are marvellously volatile, which have six wings, and who incessantly cry aloud: 'QADOSCH, QADOSCH, QADOSCH, ADONAI ELOHIM TZABAOTH, Heaven and Earth are full of Thy Glory'; O Lord God, Thou Who hast expelled Adam from the Terrestrial Paradise, and Who hast placed the Kerubim to guard the Tree of Life, Thou art the Lord Who alone dost wonders; show forth I pray Thee Thy Great Mercy, by the Holy City of Jerusalem, by Thy wonderful Name of four letters which are YOD, HE, VAU, HE, and by Thy Holy and Admirable Name, give unto me the power and virtue to enable me to accomplish this experiment, and to come unto the desired end of this operation; through Thee Who art Life, and unto Whom Life belongeth unto the eternal ages. Amen.

After this perfume and cense the place with good scents and sweet odours. This aforesaid place should be pure, clean, safe from interruption or disturbance, and proper to the work, as we shall hereafter show. Then sprinkle the aforesaid place with consecrated Water, as is laid down in the Chapter concerning Circles.

The Operation being in such wise prepared, thou shalt rehearse the Conjuration necessary for this experiment, at the end of which Thou shalt say as follows:--

O Almighty Father and Lord, Who regardest the Heavens, the Earth, and the Abyss, mercifully grant unto me by Thy Holy Name written with four letters, YOD, HE, VAU, HE, that by this exorcism I may obtain virtue, Thou Who art IAH, IAH, IAH, grant that by Thy power these Spirits may discover that which we require and which we hope to find, and may they show and declare unto us the persons who have committed the theft, and where they are to be found.

59. This is simply the Hebrew of the prayer which follows; but in the MS. Codices it is so mutilated as to be worthless.
I conjure ye anew, ye Spirits above named, through which all things created tremble, that ye show openly unto me (or unto this child here present with us) those things which we seek.

These things being accomplished they will make thee to see plainly that which thou seekest. Take note that the Exorcist, or Master of the Art, should be such as is ordained in the Chapter concerning the Exorcist and his Companions; and if in this experiment it should be necessary to write down characters or Names, thou shalt do that which it is necessary to observe regarding the pen, ink, and paper, as is duly prescribed in the chapters concerning them.

For if thou dost not regard these things, thou wilt neither accomplish that which thou desirest, nor arrive at thy desired end.

**HOW TO KNOW WHO HAS COMMITTED A THEFT.**

Take a Sieve and suspend it by a piece of cord wherewith a man has been hung, which should be fastened round the circumference of the rim. Within the rim write with blood in the four divisions thereof the characters given in Figure 4.

After this take a basin of brass perfectly clean which thou shalt fill with water from a fountain, and having pronounced these words:

DIES MIES YES-CHET BENE DONE FET DONNIMA METEMEAUZ,

make the sieve spin round with thy left hand, and at the same time turn with thy right hand the water in the basin in a contrary direction, by stirring it with a twig of green laurel. When the water become still and the sieve no longer whirls, gaze fixedly into the water, and thou shalt see the form of him who hath committed the theft; and in order that thou mayest the more easily recognize him, thou shalt mark him in some part of his face with the Magical Sword of Art; for that sign which thou shalt have cut therewith in the water, shall be really found thereafter upon his own person.

**THE MANNER OF CAUSING THE SIEVE TO TURN, THAT THOU MAYEST KNOW WHO HAS COMMITTED THE THEFT.**

Take a Sieve and stick into the outside of the rim the open points of a pair of scissors, and having rested the rings of the said opened scissors on the thumb-nails of two persons, let one of them say the following Prayer:--

**PRAYER.**

DIES MIES YES-CHET BENE DONE FET DONNIMA METEMEAUZ;

O Lord, Who liberatedst the holy Susanna from a false accusation of crime; O Lord, Who liberatedst the holy Thekla; O Lord, Who rescuedst the holy Daniel from the den of lions, and the Three Children from the burning fiery furnace, free the innocent and reveal the guilty.

After this let him or her pronounce aloud the names and surnames of all the persons living in the house where the theft hath been committed, who may be suspected of having stolen the things in question, saying:--

‘By Saint Peter and Saint Paul, such a person hath not done this thing.’

And let the other reply:--

‘By Saint Peter and Saint Paul, he (or she) hath not done it.’

Let this be repeated thrice for each person named and suspected, and it is certain that on naming the person who hath committed the theft or done the crime, the sieve will turn of itself without its being able to stop it, and by this thou shalt know the evil doer.

**CHAPTER X**

**OF THE EXPERIMENT OF INVISIBILITY, AND HOW IT SHOULD BE PERFORMED**

If thou wishest to perform the Experiment of Invisibility, thou shalt follow the instructions for the same. If it be necessary to observe the day and the hour, thou shalt do as is said in their Chapters. But if thou needest not observe the day and the hour as marked in the Chapter thereon, thou shalt do as taught in the Chapter which precedeth it. If in the course of the experiment it be necessary to write anything, it should be done as is described in the Chapters pertaining thereto, with the proper pen, paper, and ink, or blood. But if the matter is to be accomplished by invocation, before thy conjurations, thou shalt say devoutly in thine heart:--

SCEABOLES, ARBARON, ELOHI, ELIMIGITH, HERENOBULCULE, METHE, BALUTH, TIMAYAL, VILLAQUIEL, TEVENI, YEVIE,
FERETE, BACUHABA, GUVARIN; through Him by Whom ye have empire and power over men, ye must accomplish this work so that I may go and remain invisible.

And if it be necessary in this operation to trace a Circle, thou shalt do as is ordained in the Chapter concerning Circles; and if it be necessary to write characters, etc., thou shalt follow the instructions given in the respective Chapters.

This operation being thus prepared, if there be an especial Conjuration to perform, thou shalt repeat it in the proper manner; if not, thou shalt say the general Conjuration, at the end of which thou shalt add the following words:--

O thou ALMIRAS, Master of Invisibility, with thy Ministers CHEROS, MAITOR, TANGEDEM, TRANSIDIM, SUVANTOS, ABELAIS, BORED, BELAMITH, CASTUMI, DABUEL; I conjure ye by Him Who maketh Earth and Heaven to tremble, Who is seated upon the Throne of His Majesty, that this operation may be perfectly accomplished according to my will, so that at whatsoever time it may please me, I may be able to be invisible.

I conjure thee anew, O ALMIRAS, Chief of Invisibility, both thee and thy Ministers, by Him through Whom all things have their being, and by SATURIEL, HARCHIEL, DANIEL, BENIEL, ASSIMONEM, that thou immediately comest thither with all thy Ministers, and achievest this operation, as thou knowest it ought to be accomplished, and that by the same operation thou render me invisible, so that none may be able to see me.

In order then to accomplish this aforesaid operation, thou must prepare all things necessary with requisite care and diligence, and put them in practice with all the general and particular ceremonies laid down for these experiments; and with all the conditions contained in our first and second Books. Thou shalt also in the same operations duly repeat the appropriate Conjurations, with all the solemnities marked in the respective Chapters. Thus shalt thou accomplish the experiment surely and without hindrance, and thus shalt thou find it true.

But, on the contrary, if thou lettest any of these things escape thee, or if thou despiseth them, never shalt thou be able to arrive at thy proposed end; as, for example, we enter not easily into a fenced city over its walls but through its gates.

HOW63 TO RENDER ONESELF INVISIBLE.

63. The rest of this Chapter is from 1203 Lansdowne MSS.

Make a small image of yellow wax, in the form of a man, in the month January and in the day and hour of Saturn, and at that time write with a needle above the crown of its head and upon its skull which thou shalt have adroitly raised, the character following. (See Figure 5.)

After which thou shalt replace the skull in proper position. Thou shalt then write upon a small strip of the skin of a frog or toad which thou shalt have killed, the following words and characters. (See Figure 6.)

hels, hels, hels,

Thou shalt then go and suspend the said figure by one of thy hairs from the vault of a cavern at the hour of midnight, and perfuming it with the proper incense thou shalt say:--

METATRON, MELEKH, BEROOTH, NOTH, VENIBBETH, MACH, and all ye, I conjure thee O Figure of wax, by the Living God, that by the virtue of these Characters and words, thou render me invisible, wherever I may bear thee with me. Amen.

And after having censed it anew, thou shalt bury it in the same place in a small deal box, and every time that thou wishest to pass or enter into any place without being seen, thou shalt say these words, bearing the aforesaid figure in thy left pocket:--

Come unto me and never quit me whithersoever I shall go.

Afterwards thou shalt take it carefully back unto the before-mentioned place and cover it with earth until thou shalt need it again.

CHAPTER XI

TO HINDER A SPORTSMAN FROM KILLING ANY GAME64

64. This Chapter is taken from 1203 Lansdowne MSS.
Take a stick of green elder, from the two ends of which thou shalt clean out the pith. In each end place a strip of parchment of hare-skin, having written thereon with the blood of a black hen the following character and word. (See Figure 7.)

ABIMEG

Having made two of these slips, place one in each end of the stick and close the apertures up with pith, afterwards on a Friday in the month of February thou shalt fumigate the aforesaid stick with suitable incense thrice in the air, and having taken it thence thou shalt bury it in the earth under an elder-tree. Afterwards thou shalt expose it in the pathway by which the sportsman will pass, and once he has passed by it, he need not hope to kill any game during that day. If thou shalt wish a second time to lay a spell upon him in like manner, thou needest but to expose the stick again in his path; but take care to bury it again in the earth under an elder tree, so as to be able to take it from thence each time that thou shalt have need of it, and to take it up each time as soon as the Sportsman shall have passed.

HOW TO MAKE THE MAGIC GARTERS

Take enough of the skin of a stag to make two hollow tubular Garters, but before stitching them up thou shalt write on the side of the skin which was next the flesh the words and characters shown in Figure 8, with the blood of a hare killed on the 25th of June, and having filled the said Garters with green mugwort gathered also on the 25th of June before sunrise, thou shalt put in the two ends of each the eye of the fish called barbel; and when thou shalt wish to use them thou shalt get up before sunrise and wash them in a brook of running water, and place them one on each leg above the knee.

DU ROSA

After this thou shalt take a short rod of holm-oak cut on the same 25th of June, turn in the direction thou wishest to go, write upon the ground the name of the place, and commencing thy journey thou wilt find it accomplished in a few days and without fatigue. When thou wishest to stop thou hast only to say AMECH and beat the air with the aforesaid wand, and incontinently thou shalt be on firm ground.

CHAPTER XIII

HOW TO MAKE THE MAGIC CARPET PROPER FOR INTERROGATING THE INTELLIGENCES, SO AS TO OBTAIN AN ANSWER REGARDING WHATSOEVER MATTER ONE MAY WISH TO LEARN

Make a Carpet of white and new wool, and when the Moon shall be at her full, in the Sign of Capricorn and in the hour of the Sun, thou shalt go into the country away from any habitation of man, in a place free from all impurity, and shalt spread out thy Carpet so that one of its points shall be towards the east, and another towards the west, and having made a Circle without it and enclosing it, thou shalt remain within upon the point towards the east, and holding thy wand in the air for every operation, thou shalt call upon MICHAEL, towards the north upon RAPHAEL, towards the west upon GABRIEL, and towards the south upon MURIEL. After this thou shalt return unto the point of the East and devoutly invoke the Great Name AGLA, and take this point of the Carpet in thy left hand; turning then towards the North thou shalt do the same, and so continuing to the other points of the Carpet, thou shalt raise them so that they touch not the ground, and holding them up thus, and turning anew towards the East thou shalt say with great veneration the following Prayer:

PRAYER.

AGLA, AGLA, AGLA, AGLA; O God Almighty Who art the Life of the Universe and Who rulest over the four divisions of its vast form by the strength and virtue of the Four Letters of Thy Holy Name Tetragrammaton, YOD, HE, VAU, HE, bless in Thy Name this covering which I hold as Thou hast blessed the Mantle of Elijah in the hands of Elisha, so that being covered by Thy Wings, nothing may be able to injure me, even as it is said:-- 'He shall hide thee under His Wings and beneath His feathers shall thou trust, His truth shall be thy shield and buckler.'

After this thou shalt fold it up, saying these words following:

RECABUSTIRA, CABUSTIRA, BUSTIRA, TIRA RA, A;

and shall keep it carefully to serve thee at need.
When thou shalt be desirous to make thine interrogations, choose the night of full or of new moon, and from midnight until daybreak. Thou shalt transport thyself unto the appointed spot if it be for the purpose of discovering a treasure; if not, any place will serve provided it be clean and pure. Having had the precaution on the preceding evening to write upon a slip of virgin parchment coloured azure-blue, with a pen made from the feather of a dove, this Character and Name (see Figure 9);

taking thy carpet, thou shalt cover thy head and body therewith, and taking the censer, with new fire therein, thou shalt place it in or upon the proper place, and cast thereon some incense. Then shalt thou prostrate thyself upon the ground, with thy face towards the earth, before the incense beginneth to fume, keeping the fire of the same beneath the carpet, holding thy wand upright, against which to rest thy chin; thou shalt hold with thy right hand the aforesaid strip of parchment against thy forehead, and thou shalt say the following words:--

VEGALE, HAMICATA, UMSA, TERATA, YEH, DAH, MA, BAXASOXA, UN, HORAH, HIMESERE; 68 O God the Vast One send unto me the Inspiration of Thy Light, make me to discover the secret thing which I ask of Thee, whatsoever such or such a thing may be, make me to search it out by the aid of Thy holy Ministers RAZIEL, TZAPHNIEL, MATOMONIEL; Lo, Thou hast desired truth in the young, and in the hidden thing shalt Thou make me known wisdom. RECAPUSTIRA, CABUSTIRA, BUSTIRA, TIRA, RA, A, KARKAHITA, KAHITA, HITA, TA.

And thou shalt hear distinctly the answer which thou shalt have sought.

HOW69 TO RENDER THYSELF MASTER OF A TREASURE POSSESSED BY THE SPIRITS

69. This is also taken from 1203 Lansdowne MSS.

The Earth being inhabited, as I have before said unto thee, by a great number of Celestial Beings and Spirits, who by their subtilty and prevision know the places wherein treasures are hidden, and seeing that it often happeneth that those men who undertake a search for these said treasures are molested and sometimes put to death by the aforesaid Spirits, which are called Gnomes; which, however, is not done through the Avarice of these said Gnomes, a Spirit being incapable of possessing anything, having no material senses wherewith to bring it into use, but because these Spirits, who are enemies of the passions, are equally so of Avarice, unto which men are so much inclined; and foreseeing the evil ends for which these treasures will be employed have some interest and aim in maintaining the earth in its condition of price and value, seeing that they are its inhabitants, and when they slightly disturb the workers in such kind of treasures, it is a warning which they give them to cease from the work, and if it happen that the greedy importunity of the aforesaid workers oblige them to continue, notwithstanding the aforesaid warnings, the Spirits, irritated by their despising the same, frequently put the workmen to death. But know, O my Son, that from the time that thou shalt have the good fortune to be familiar with such kinds of Spirits, and that thou shalt be able by means of what I have taught thee to make them submit unto thine orders, they will be happy to give thee, and to make thee partaker in that which they uselessly possess, provided that thine object and end shall be to make a good use thereof.

THE MANNER OF PERFORMING THE OPERATION.

On a Sunday before sunrise, between the 10th of July and the 20th of August, when the moon is in the Sign of the Lion, thou shalt go unto the place where thou shalt know either by interrogation of the Intelligences, or otherwise, that there is a treasure; there thou shalt describe a Circle of sufficient size with the Sword of Magic Art wherein to open up the earth, as the nature of the ground will allow; thrice during the day shalt thou cense it with the incense proper for the day, after which being clothed in the raiment proper for the Operation thou shalt suspend in some way by a machine immediately above the opening a lamp, whose oil should be mingled with the fat of a man who has died in the month of July, and the wick being made from the cloth wherein he has been buried. Having kindled this with fresh fire, thou shalt fortify the workmen with a girdle of the skin of a goat newly slain, whereon shall be written with the blood of the dead man from whom thou shalt have taken the fat these words and characters (see Figure 10);

NOPA PADOUS

and thou shalt set them to work in safety, warning them not to be at all disturbed at the Spectres which they will see, but to work away boldly. In case they cannot finish the work in a single day, every time they shall have to leave it thou shalt cause them to put a covering of wood over the opening, and above the covering about six inches of earth; and thus shalt thou continue unto the end, being all the time present in the raiment of the Art, and with the Magic Sword, during the operation. After which thou shalt repeat this prayer:--
PRAYER.

ADONAI, ELOHIM, EL, EHEIEH ASHER EHEIEH, Prince of Princes, Existence of Existences, have mercy upon me, and cast Thine eyes upon Thy Servant (N.), who invokes Thee most devoutly, and supplicates Thee by Thy Holy and tremendous Name Tetragrammaton to be propitious, and to order Thine Angels and Spirits to come and take up their abode in this place; O ye Angels and Spirits of the Stars, O all ye Angels and Elementary Spirits, O all ye Spirits present before the Face of God, I the Minister and faithful Servant of the Most High conjure ye, let God himself, the Existence of Existences, conjure ye to come and be present at this Operation, I, the Servant of God, most humbly entreat ye. Amen.

Having then caused the workmen to fill in the hole, thou shalt license the Spirits to depart, thanking them for the favour they have shown unto thee, and saying:--

THE LICENSE TO DEPART.

O ye good and happy Spirits, we thank ye for the benefits which we have just received from your liberal bounty; depart ye in peace to govern the Element which God hath destined for your habitation. Amen.

CHAPTER XV

OF THE EXPERIMENT OF SEEKING FAVOUR AND LOVE

70. This Chapter is taken from 10862 Add. MSS.

If thou wishest to perform the Experiment of seeking favour and love, observe in what manner the Experiment is to be carried out, and if it be dependent upon the day and the hour, perform it in the day and the hour required, as thou wilt find it in the Chapter concerning the hours; and if the Experiment be one that requireth writing, thou shalt write as it is said in the Chapter concerning the same; and if it be with penal bonds, pacts, and fumigations, then thou shalt cense with a fit perfume as is said in the chapter concerning suffumigations; and if it be necessary to sprinkle it with water and hyssop, then let it be as in the Chapter concerning the same; similarly if such Experiment require characters, names, or the like, let such names be written as the Chapter concerning the writing of characters, and place the same in a clean place as hath been said. Then thou shalt repeat over it the following Oration:--

THE ORATION.

O ADONAI, most Holy, Most Righteous, and most Almighty God, Who hast made all things through Thy Mercy and Righteousness wherewith Thou art filled, grant unto us that we may be found worthy that this Experiment may be found consecrated and perfect, so that the Light may issue from Thy Most Holy Seat, O ADONAI, which may obtain for us favor and love. Amen.

This being said, thou shalt place it in clean silk, and bury it for a day and a night at the junction of four cross-roads; and whenever thou wishest to obtain any grace or favor from any, take it, having first properly consecrated it according to the rule and place it in thy right hand, and seek thou what thou wilt it shall not be denied thee. But if thou dost not the Experiment carefully and rightly, assuredly thou shalt not succeed in any manner.

For obtaining grace and love write down the following words:

SATOR,71 AREPO, TENET, OPERA, ROTAS, IAH, IAH, IAH, ENAM, IAH, IAH, IAH, KETHER, CHOKMAH, BINAH, GEDULAH, GEBURAH, TIPHERETH, NETZACH, HOD, YESOD, MALKUTH, ABRAHAM, ISAAC, JACOB, SHADRACH, MESHACH, ABEDNEGO, be ye all present in my aid and for whatsoever I shall desire to obtain.

Which words being properly written as above, thou shalt also find thy desire brought to pass.

CHAPTER XVI

HOW OPERATIONS OF MOCKERY, INVISIBILITY, AND DECEIT SHOULD BE PREPARED

72. This Chapter is given in 10862 Add. MSS. 3981 Harleian MSS., 288 King's MSS., 3091 Sloane MSS., and 1307 Sloane MSS., but is wanting in 1202 Lansdowne MSS., as are all the Chapters of the First Book after Chap. 8.
Experiments relating to tricks, mockeries, and deceits, may be performed in many ways. When thou shalt wish to practice these experiments with regard to any person, thou shalt observe the day and the hour as we have already said. Should it be necessary to write Characters or Words, it should be done upon virgin paper, as we shall show farther on. As for the ink, if it be not specially ordained in this operation, it is advisable to use the blood of a bat with the pen and the needle of art. But before describing or writing the Characters or Names, all the necessary rules should be observed as given in the proper Chapters, and having carefully followed out all these, thou shalt pronounce with a loud voice the following words:—

ABAC, ALDAL, IAT, HUDAC, GUTHAC, GUTHOR, GOMEH, TISTATOR, DERISOR, DESTATUR, come hither all ye who love the times and places wherein all kinds of mockeries and deceits are practiced. And ye who make things disappear and who render them invisible, come hither to deceive all those who regard these things, so that they may be deceived, and that they may seem to see that which they see not and hear that which they hear not, so that their senses may be deceived, and that they may behold that which is not true.

Come ye then hither and remain, and consecrate this enchantment, seeing that God the Almighty Lord hath destined ye for such.

When this Experiment is completed in this manner in the hour and time which we have shown and taught, also the foregoing words ABAC, ALDAL, etc., should be written with the pen as hereinbefore ordained; but if the Experiment be performed in a different way, yet shalt thou always say the aforesaid words, and they should be repeated as before given.

If thou practicest these things in this manner correctly, thou shalt arrive at the effect of thine operations and experiments by the which thou mayest easily deceive the senses.

CHAPTER XVII

HOW EXTRAORDINARY EXPERIMENTS AND OPERATIONS SHOULD BE PREPARED

We have spoken in the preceding Chapters of common experiments and operations, which it is more usual to practice, and wherein thou mayest easily see that we have told thee sufficient for their perfection. In this Chapter we treat of extraordinary and unusual experiments, which can also be done in many ways.

None the less should those who wish to put in practice the like experiments and operations observe the days and hours as is laid down in the proper Chapters, and should be provided with virgin paper and other necessary things. Having prepared a similar experiment thou shalt say:—

PRAYER.

O God, Who hast created all things, and hast given unto us discernment to understand the good and the evil; through thy Holy Name, and through these Holy Names:— IOD, IAH, VAU, DALETH, VAU, TZABAOOTH, ZIO, AMATOR, CREATOR, do Thou, O Lord, grant that this experiment may become true and veritable in my hands through Thy Holy Seal, O ADONAI, Whose reign and empire remaineth eternally and unto the Ages of the Ages. Amen.

This being done, thou shalt perform the experiment, observing its hour, and thou shalt perfume and incense as is laid down in the proper Chapter; sprinkling with exorcised water, and performing all the ceremonies and solemnities as we shall instruct thee in the Second Book of our Key.

CHAPTER XVIII

CONCERNING THE HOLY PENTACLES OR MEDALS

The Medals or Pentacles, which we make for the purpose of striking terror into the Spirits and reducing them to obedience, have besides this wonderful and excellent virtue. If thou invokest the Spirits by virtue of these Pentacles, they will obey thee without repugnance, and having considered them they will be struck with astonishment, and will fear them, and thou shalt see them so surprised by fear and terror, that none of them will be sufficiently bold to wish to oppose thy will. They are also of great virtue and efficacy against all perils of Earth, of Air, of Water, and of Fire, against poison which hath been drunk, against all kinds of infirmities and necessities, against binding, sortilege, and sorcery, against all terror and fear, and wheresoever thou shalt find thyself, if armed with them, thou shalt be in safety all the days of thy life.

Through them do we acquire grace and good-will from man and woman, fire is extinguished, water is stayed, and all Creatures fear at the sight of the Names which are therein, and obey through that fear.

These Pentacles are usually made of the metal the most suitable to the nature of the Planet; and then there is no occasion to observe the rule of particular colours. They should be engraved with the instrument of Art in the days
and hours proper to the Planet.

Saturn ruleth over Lead; Jupiter over Tin; Mars over Iron; the Sun over Gold; Venus over Copper; Mercury over the mixture of Metals; and the Moon over Silver.

They may also be made with exorcised virgin paper, writing thereon with the colours adopted for each Planet, referring to the rules already laid down in the proper Chapters, and according to the Planet with which the Pentacle is in sympathy.

Wherefore unto Saturn the colour of Black is appropriated; Jupiter ruleth over Celestial Blue; Mars over Red; the Sun over Gold, or the colour of Yellow or Citron ; Venus over Green: Mercury over Mixed Colours; the Moon over Silver, or the colour of Argentine Earth.

The Matter of which the Pentacle is constructed should be Virgin, never having been used for any other purpose; or if it be metal it should be purified by fire.

As regards the size of the Pentacles it is arbitrary, so long as they are made according to the rules, and with the requisite solemnities as hath been ordained.

The virtues of the Holy Pentacles are no less advantageous unto thee than the knowledge of the secrets which I have already given unto thee; and thou shouldst take care if thou makest them upon virgin parchment to use the proper colours; and if thou engravest them upon metal, to do so in the manner taught thee; and so shalt thou have the satisfaction of seeing them produce the promised effect. But seeing that this Science is not a Science of argument and open reasoning, but that, on the contrary, it is entirely mysterious and occult, we should not argue and deliberate over these matters, and it is sufficient to believe firmly to enable us to bring into operation that which hath already been taught.

When thou shalt construct these Pentacles and Characters, it is necessary never to forget the Incense, nor to employ anything beyond that of which mention is made.

It is necessary, above all things, to be attentive to the operation, and never to forget or omit those things which contribute to the success which the Pentacles and Experiments promise, having ever in thy mind no other intention than the Glory of God, the accomplishment of thy desires, and loving-kindness towards thy neighbor.

Furthermore, my beloved Son, I order thee not to bury this Science, but to make thy friends partakers in the same, subject however to the strict command never to profane the things which are Divine, for if thou dost this, far from rendering thee a friend of the Spirits, it will but be the means of bringing thee unto destruction.

But never must thou lavish these things among the ignorant, for that would be as blameable as to cast precious gems before swine; on the contrary, from one Sage the secret knowledge should pass unto another Sage, for in this manner shall the Treasure of Treasures never descend into oblivion.

Adore and revere the Most Holy Names of God which are found in these Pentacles and Characters, for without this never shalt thou be able to come to the end of any enterprise, nor to accomplish the Mystery of Mysteries. Above all things, remember that to perform any of these operations thou must be pure in body and mind, and without blemish, and omit not any of the preparations.

This Key, full of Mysteries, hath been revealed unto me by an Angel.

Accursed be he who undertaketh our Art without having the qualities requisite to thoroughly understand our Key, accursed be he who invoketh the Name of God in vain, for such an one prepareth for himself the punishments which await the unbelievers, for God shall abandon them and relegate them unto the depths of Hell amongst the impure Spirits.

For God is great and Immutable, He hath been for ever, and He shall remain even unto the end of the Ages.

ACCURED BE HE WHO TAKETH THE NAME OF GOD IN VAIN! ACCURED BE HE WHO USETH THIS KNOWLEDGE UNTO AN EVIL END, BE HE ACCURED IN THIS WORLD AND IN THE WORLD TO COME. AMEN. BE HE ACCURED IN THE NAME WHICH HE HATH BLASPHEMED!

de la Haute Magie,' and by Tycho Brahe in his 'Calendarium Naturale Magicum,' but in each instance without the Hebrew words and letters, probably because these were so mangled by illiterate transcribers as to be unrecognizable. After much labor and study of the figure, I believe the words in the body of the symbol to be intended for the Ten Sephiroth arranged in the form of the Tree of Life, with the Name of Solomon to the right and to the left; while the surrounding characters are intended for the twenty-two letters of the Hebrew Alphabet. I have, therefore, thus restored them. This Figure forms in each instance the frontispiece of the MS. referred to.
SATURN.

Figure 11.-- The First Pentacle of Saturn.-- This Pentacle is of great value and utility for striking terror into the Spirits. Wherefore, upon its being shown to them they submit, and kneeling upon the earth before it, they obey.

Editor's Note.-- The Hebrew Letters within the square are the four great Names of God which are written with four letters:-- IHVH, Yod, He, Vau, He; ADNI, Adonai; IIAI, Yiai (this Name has the same Numerical value in Hebrew as the Name EL); and AHIH, Eheieh. The Hebrew versicle which surrounds it is from Psalm lxxii. 9, 'The Ethiopians shall kneel before Him, His enemies shall lick the dust.'

Figure 12.-- The Second Pentacle of Saturn.-- This Pentacle is of great value against adversaries; and of especial use in repressing the pride of the Spirits.

Editor's note.-- This is the celebrated SATOR AREPO TENET OPERA ROTAS the most perfect existing form of double acrostic, as far as the arrangement of the letters is concerned; it is repeatedly mentioned in the records of mediaval Magic; and, save to very few, its derivation from the present Pentacle has been unknown. It will be seen at a glance that it is a square of five, giving twenty-five letters, which, added to the unity, gives twenty-six, the numerical value of IHVH. The Hebrew versicle surrounding it is taken from Psalm lxxii. 8, 'His dominion shall be also from the one sea to the other, and from the flood unto the world's end.' This passage consists also of exactly twenty-five letters, and its total numerical value (considering the final letters with increased numbers), added to that of the Name Elohim, is exactly equal to the total numerical value of the twenty-five letters in the Square.

Figure 13.-- The Third Pentacle of Saturn.-- This should be made within the Magical Circle, and it is good for use at night when thou invokest the Spirits of the nature of Saturn.

Editor's Note.-- The characters at the ends of the rays of the Mystic Wheel are Magical Characters of Saturn. Surrounding it are the Names of the Angels:-- Omeliel, Anachiel, Arauchiah, and Anazachiah, written in Hebrew.

Figure 14.-- The Fourth Pentacle of Saturn.-- This Pentacle serveth principally for executing all the experiments and operations of ruin, destruction, and death. And when it is made in full perfection, it serveth also for those Spirits which bring news, when thou invokest them from the side of the South.

Editor's Note.-- The Hebrew words around the sides of the triangle are from Deut. vi. 4:-- 'Hear, O Israel, IHVH ALHINV is IHVH AChD.' The surrounding versicle is from Psalm cix. 18:-- 'As he clothed himself with cursing like as with a garment, so let it come into his bowels like water, and like oil into his bones.' In the center of the Pentacle is the mystic letter Yod.

Figure 15.-- The Fifth Pentacle of Saturn.-- This Pentacle defendeth those who invoke the Spirits of Saturn during the night; and chaseth away the Spirits which guard treasures.

Editor's Note.-- The Hebrew letters in the angles of the Cross are those of the Name IHVH. Those in the angles of the Square form ALVH, Eloah. Round
Figure 16.—The Sixth Pentacle of Saturn.—Around this Pentacle is each Name symbolized as it should be. The person against whom thou shalt pronounce it shall be obsessed by Demons.

Figure 17.—The Seventh and Last Pentacle of Saturn.—This Pentacle is fit for exciting earthquakes, seeing that the power of each order of Angels herein invoked is sufficient to make the whole Universe tremble.

For the names and the names of the nine orders of angels, see the notes. The verse is: 'A Great God, a Mighty, and a Terrible.'—Deut. x. 17.

**Editor's Note.**—It is formed from Mystical Characters of Saturn. Around it is written in Hebrew: 'Set thou a wicked one to be ruler over him, and let Satan stand at his right hand.' [This is from Psalm 108.6 according to the Vulgate numbering.—JHP]

**Editor's Note.**—Within the Pentacle are the names of the nine orders of angels, those of six of them in ordinary Hebrew characters, and the remainder in the letters which are known as 'The Passing of the River.' These nine orders are:—1. CHAIOTH HA-QADESCH, Holy Living Creatures; 2. AUPHANIM, Wheels; 3. ARALIM, Thrones; 4. CHASCHMALIM, Brilliant Ones; 5. SERAPHIM, Fiery Ones; 6. MELAKIM, Kings; 7. ELOHIM, Gods; 8. BENI ELOHIM, Sons of the Elohim; 9. KURUBIM, Kerubim. The verse is from Psalm xcviii. 7:—'Then the earth shook and trembled, the foundations of the hills also moved and were shaken, because He was wroth.'

**JUPITER.**

Figure 18.—The First Pentacle of Jupiter.—This serveth to invoke the Spirits of Jupiter, and especially those whose names are written around the Pentacle, among whom Parasiel is the Lord and Master of Treasures, and teacheth how to become possessor of places wherein they are. The verse is from Psalm xxxvii. 15:—'Their sword shall enter into their own heart, and they shall perish.'

Figure 19.—The Second Pentacle of Jupiter.—This is proper for acquiring glory, honors, dignities, riches, and all kinds of good, together with great tranquillity of mind; also to discover Treasures and chase away the Spirits who preside over them. It should be written upon virgin paper or parchment, with the pen of the swallow and the blood of the screech-owl.

Figure 20.—The Third Pentacle of Jupiter.—This defendeth and protecteth those who invoke and cause the Spirits to come. When they appear show unto them this Pentacle and immediately they will obey. The verse is from Psalm xkv. 13:—'Thou shalt go upon the lion and adder, the adder and the viper; the reed serpent and the dragon, and with the vengeance of serpents shalt thou tread.'

Figure 21.—The Fourth Pentacle of Jupiter.—It serveth to acquire riches and honor, and to possess much wealth. Its Angel is Bariel. It should be engraved upon silver in the day and hour of Jupiter when he is in the Sign Cancer. The verse is from Psalm cxii. 3:—'Wealth and Riches are in his house, and his righteousness endureth for ever.'

Figure 22.—The Fifth Pentacle of Jupiter.—This hath great power. It serveth for assured visions. Jacob being armed with this Pentacle beheld the ladder which reached unto heaven. The verse is from Psalm xcii. 16, 17:—'They pierced my hands and my feet, I may tell all my bones.'

Figure 23.—The Sixth Pentacle of Jupiter.—It serveth for protection against all earthly dangers, by regarding it each day devoutly, and repeating the verse which surroundeth it. 'Thou shalt never perish.'

Figure 24.—The Seventh and last Pentacle of Jupiter.—It hath great power against poverty, if thou considerest it with devotion, repeating the verse. It serveth furthermore to drive away those Spirits who guard treasures, and to discover the same. The verse is from Ezekiel i. 1:—'As I was among the captives by the river of Chebar, the heavens were opened, and I saw visions of Elohim.' In my opinion the verse should only consist of the five last words thereof, when the anachronism of Jacob using a Pentacle with a sentence from Ezekiel will not longer exist.

**Editor's Note.**—The Hebrew letters within the Pentacle are taken from the five last words of the verse which surrounds it, each of which contains five letters. These are, then, recombined so as to form certain Mystical Names. The verse is from Ezekiel i. 1:—'As I was among the captives by the river of Chebar, the heavens were opened, and I saw visions of Elohim.' In my opinion the verse should only consist of the five last words thereof, when the anachronism of Jacob using a Pentacle with a sentence from Ezekiel will not longer exist.

**Editor's Note.**—The Four Names in the Arms of the Cross are:—Seraph, Kerub, Ariel, and Tharsis; the four rulers of the Elements. The verse is from Psalm xxxii. 16, 17:—'They pierced my hands and my feet, I may tell all my bones.'

**Editor's Note.**—Mystical Characters of Jupiter with the verse:—'Lifting up the poor out of the mire, and raising the needy from the dunghill, that he may set him with princes, even with the princes of his people.'—Psalm cxii. 7.

**MARS.**

Figure 25.—The First Pentacle of Mars.—It is proper for invoking Spirits of the Nature of Mars, especially those which are written in the Pentacle. The verse is from Psalm xcviii. 17:—'Who is so great a God as our Elohim?'

Figure 26.—The Second Pentacle of Mars.—This Pentacle serveth with great success against all kinds of diseases, if it be applied unto the afflicted part. The verse is from Ezekiel ii. 4:—'In Him was life, and the life was the light of man.' This may be adduced as an emblematical of the Spirit, and Elohim. Around it is the sentence, John i. 4:—'In the center of the Hexagram are the letters of the Name IHVH; above and below, El. Round it is the versicle from Psalm lxxvii. 13:—'Who is so great a God as our Elohim?'

Figure 27.—The Third Pentacle of Mars.—It is of great value for exciting war, wrath, discord, and hostility; also for resisting enemies, and striking terror into rebellious Spirits; the Names of God the All Powerful are therein expressly marked.

Figure 28.—The Fourth Pentacle of Mars.—It is of great virtue and power in war, wherefore without doubt it will give thee victory.

Figure 29.—The Fifth Pentacle of Mars.—Write thou this Pentacle upon virgin parchment or paper, because it is terrible unto the Demons, and at its sight and aspect they will obey thee, for they cannot resist its presence.

Figure 30.—The Sixth Pentacle of Mars.—It hath so great virtue that being armed therewith, if thou art attacked by any one, thou shalt neither be injured nor wounded when thou fightest with him, and his own weapons shall turn against him.

Figure 31.—The Seventh and Last Pentacle of Mars.—Write thou this upon virgin parchment or paper with the blood of a bat, in the day and hour of Mars; and uncover it within the Circle, invoking the four sides of the Square are the names of the angels:—AREZANAH, RAHKIANNAH, ROELHAIPHAR, and NOAPHIEL. The verse is:—'A Great God, a Mighty, and a Terrible.'—Deut. x. 17.

**Editor's Note.**—It is formed from Mystical Characters of Mars. Around it is written in Hebrew: 'Set thou a wicked one to be ruler over him, and let Satan stand at his right hand.' [This is from Psalm 108.6 according to the Vulgate numbering.—JHP]

**Editor's Note.**—Within the Pentacle are the names of the Nine Orders of Angels, those of six of them in ordinary Hebrew Characters, and the remainder in the letters which are known as 'The Passing of the River.' These Nine Orders are:—1. CHAIOTH HA-QADESCH, Holy Living Creatures; 2. AUPHANIM, Wheels; 3. ARALIM, Thrones; 4. CHASCHMALIM, Brilliant Ones; 5. SERAPHIM, Fiery Ones; 6. MELAKIM, Kings; 7. ELOHIM, Gods; 8. BENI ELOHIM, Sons of the Elohim; 9. KURUBIM, Kerubim. The verse is from Psalm xcviii. 7:—'Then the earth shook and trembled, the foundations of the hills also moved and were shaken, because He was wroth.'
the Demons whose Names are therein written; and thou shalt immediately see hail and tempest.

THE SUN.

Figure 32.-- The First Pentacle of the Sun.-- The Countenance of Shaddai the Almighty, at Whose aspect all creatures obey, and the Angelic Spirits do reverence on bended knees.

Figure 33.-- The Second Pentacle of the Sun.-- This Pentacle, and the preceding and following, belong to the nature of the Sun. They serve to repress the pride and arrogance of the Solar Spirits, which are altogether proud and arrogant by their nature.

Figure 34.-- The Third Pentacle of the Sun.-- This serveth in addition (to the effects of the two preceding) to acquire Kingdom and Empire, to inflict loss, and to acquire renown and glory, especially through the Name of God, Tetragrammaton, which therein is twelve times contained.

Figure 35.-- The Fourth Pentacle of the Sun.-- This serveth to enable thee to see the Spirits when they appear invisible unto those who invoke them; because, when thou hast uncovered it, they will immediately appear visible.

Figure 36.-- The Fifth Pentacle of the Sun.-- It serveth to invoke those Spirits who can transport thee from one place unto another, over a long distance and in short time.

Figure 37.-- The Sixth Pentacle of the Sun.-- It serveth excellently for the operation of invisibility, when correctly made.

Figure 38.-- The Seventh and Last Pentacle of the Sun.-- If any be by chance imprisoned or detained in fetters of iron, at the presence of this Pentacle, which should be engraved in Gold on the day and hour of the Sun, he will be immediately delivered and set at liberty.

VENUS.

Figure 39.-- The First Pentacle of Venus.-- This and those following serve to control the Spirits of Venus, and especially those herein written.

Figure 40.-- The Second Pentacle of Venus.-- These Pentacles are also proper for obtaining grace and honor, and for all things which belong unto Venus, and for accomplishing all thy desires herein.

Figure 41.-- The Third Pentacle of Venus.-- This, if it be only shown unto any person, serveth to attract love. Its Angel Monachiel should be invoked in the day and hour of Venus, at one o'clock or at eight.

Editor's Note.-- In the center of the Pentacle are the Divine Names, El and Yai, which have the same numerical value when written in Hebrew. The Letters in Hebrew, and in the Secret Alphabet called the Celestial, compose the Names of Spirits. Round the Pentacle is:-- 'He gave them hail for rain, and flaming fire in their land. He smote their vines also, and their fig-trees.'-- Psalm cv. 32, 33.
Figure 42.-- The Fourth Pentacle of Venus.-- It is of great power, since it compels the Spirits of Venus to obey, and to force on the instant any person thou wishest to come unto thee.

Figure 43.-- The Fifth and Last Pentacle of Venus.-- When it is only showed unto any person soever, it inciteth and exciteth wonderfully unto love.

MERCURY.

Figure 44.-- The First Pentacle of Mercury.-- It serveth to invoke the Spirits who are under the Firmament.

Figure 45.-- The Second Pentacle of Mercury.-- The Spirits herein written serve to bring to effect and to grant things which are contrary unto the order of Nature; and which are not contained under any other head. They easily give answer, but they can with difficulty be seen.

Figure 46.-- The Third Pentacle of Mercury.-- This and the following serve to invoke the Spirits subject unto Mercury; and especially those who are written in this Pentacle.

Figure 47.-- The Fourth Pentacle of Mercury.-- This is further proper to acquire the understanding and Knowledge of all things created, and to seek out and penetrate into hidden things; and to command those Spirits which are called Allatori to perform embassies. They obey very readily.

Figure 48.-- The Fifth and Last Pentacle of Mercury.-- This commandeth the Spirits of Mercury, and serveth to open doors in whatever way they may be closed, and nothing it may encounter can resist it.

THE MOON.

Figure 49.-- The First Pentacle of the Moon.-- This and the following serve to call forth and invoke the Spirits of the Moon; and it further serveth to open doors, in whatever way they may be fastened.

Figure 50.-- The Second Pentacle of the Moon.-- This serveth against all perils and dangers by water, and if it should chance that the Spirits of the Moon should excite and cause great rain and exceeding tempests about the Circle, in order to astonish and terrify thee; on showing unto them this Pentacle, it will all speedily cease.

Figure 51.-- The Third Pentacle of the Moon.-- This being duly borne with thee when upon a journey, if it be properly made, serveth against all attacks by night, and against every kind of danger and peril by Water.

Figure 52.-- The Fourth Pentacle of the Moon.-- This defendeth thee from all evil sources, and from all injury unto soul or body. Its Angel, Sophiel, giveth the knowledge of the virtue of all herbs and stones; and unto whomsoever shall name him, he will procure the knowledge of all.

Figure 53.-- The Fifth Pentacle of the Moon.-- It serveth to have answers in sleep. Its Angel Iachadiel serveth unto destruction and loss, as well as unto the destruction of enemies. Thou mayest also call upon him by Abdon and Dalil against all Phantoms of the night, and to summon the souls of the departed from Hades.

Figure 54.-- The Sixth and Last Pentacle of the Moon.-- This is wonderfully good, and serveth excellently to excite and cause heavy rains, if it be engraved upon a plate of silver; and if it be placed under water, as long as it remaineth there, there will he rain. It should be engraved, drawn, or written in the day and hour of the Moon.

[Pentacles from the Greek Key of Solomon (Harl. 5596)]]
[This is the end of the Holy Pentacles, in all which I have, to the best of my power, restored the Hebrew letters and mystical characters correctly. I have further given nearly every versicle in pointed Hebrew, instead of in the Latin, so that the Occult student might not be inconvenienced by having to search out the same in a Hebrew Bible. The restoration of the Hebrew letters in the body of the Pentacles has been a work of immense difficulty, and has extended over several years.]
THE KEY OF SOLOMON

BOOK II

PREFATORY NOTE

This Work of Solomon is divided into two books. In the First thou mayest see and know how to avoid errors in Experiments, Operations, and in the Spirits themselves. In the second thou art taught in what manner Magical Arts may be reduced to the proposed object and end.

It is for this reason that thou shouldst take great heed and care that this Key of Secrets fall not into the hands of the foolish, the stupid, and the ignorant. For he who is the possessor hereof, and who availeth himself hereof according to the ordinances herein contained, will not only be able to reduce the Magical Arts herein to their proposed end, but will, even if he findeth certain errors herein, be able to correct them.

Any Art or Operation of this kind will not be able to attain its end, unless the Master of the Art or Exorcist, shall have this Work completely in his power, that is to say, unless he thoroughly understand it, for without this he will never attain the effect of any operation.

For this reason I earnestly pray and conjure the person into whose hands this Key of Secrets may fall, neither to communicate it, nor to make any one a partaker in this knowledge, if he be not faithful, nor capable of keeping a secret, nor expert in the Arts. And I most humbly entreat the possessor of this by the Ineffable Name of God in four Letters, YOD, HE, VAU, HE, and by the Name ADONAI, and by all the other Most High and Holy Names of God, that he values this work as dearly as his own soul, and that he makes no foolish or ignorant man a partaker therein.

BOOK II

CHAPTER I

AT WHAT HOUR AFTER THE PREPARATION OF ALL THINGS NECESSARY, WE SHOULD BRING THE EXERCISE OF THE ART TO PERFECTION

The Days and Hours have already been treated of, in general, in the First Book. It is now necessary to notice in particular at what hour accomplishment and perfection should be given to the Arts, all things necessary having been previously prepared.

Should it then happen that thou hast undertaken any secret operation for conversing with or conjuring Spirits, in which the day and the hour are not marked, thou shalt put it in execution on the days and hours of Mercury, at the sixteenth or twenty-third hour, but it will be still better at the eighth, which is the third of the same night, which is called and means before the morning, for then thou shalt be able to put in practice all the Arts and Operations which should be performed, according as it shall please thee by day or by night, provided that they have been prepared at the hours suitable to them, as hath been already said. But when neither hour nor time of operation or invocation is specified, it is then much better to perform these experiments at night, seeing that it is more easy to the Spirits to appear in the peaceful silence of night than during the day. And thou shouldst inviolably observe, that wishing to invoke the Spirits, either by day or by night, it is necessary that it should be done in a place hidden, removed, secret, convenient, and proper for such Art, where no man frequenteth or inhabiteth, as we shall relate more fully in its place.

If then thou shouldst operate touching anything which hath been stolen, in whatever way it be performed and whatever way it may have been prepared, it is necessary to practice it on the days and hours of the Moon, being if possible in her increase, and from the first unto the eighth hour of the day.

But if it be by night, then it should be at the fifth or at the third hour; but it is better by day than by the night, for the light justifieth them, and maketh them much more fit for publication. But if the Operations be regarding Invisibility, they should be put in practice at the first, second, and third hours of Mars by day. But if by night, until the third hour. If they be Operations of seeking love, grace, or favor, they should be performed until the eighth hour of the same day, commencing with the first hour of the Sun; and from the first hour of Venus unto the first hour of the same day of Venus.

As for Operations of destruction and desolation, we should practice and put them into execution on the day of Saturn at the first hour, or rather at the eighth or fifteenth of the day; and from the first until the eighth hour of the night.

Experiments of games, raillery, deceit, illusion, and invisibility, ought to be done at the first hour of Venus, and at the eighth hour of the day; but by night at the third and at the seventh.

At all times of practicing and putting into execution Magical Arts, the Moon should be increasing in light, and in an equal number of degrees with the Sun; and it is much better from the first quarter to the Opposition, and the Moon should be in a fiery Sign, and notably in that of the Ram or of the Lion.

Therefore, to execute these Experiments in any manner whatsoever, it should be done when the Moon is
clear, and when she is increasing in light.

In order to put in execution those of Invisibility after everything is properly prepared, the Moon should
be in the Sign of the Fishes, in the hours proper and fitting, and she should be increasing in light.

For experiments of seeking love and favor, in whatever way it may be desired, they will succeed,
provided that they have been prepared at the proper hours. and that the Moon be increasing in light and in
the Sign of the Twins.

So exact a preparation of days and hours is not necessary for those who are adepts in the Art, but it is
extremely necessary for apprentices and beginners, seeing that those who have been little or not at all
instructed herein, and who only begin to apply themselves to this Art, do not have as much faith in the
experiments as those who are adepts therein, and who have practiced them. But as regards beginners,
they should always have the days and hours well disposed and appropriate unto the Art. And the Wise
should only observe the precepts of the Art which are necessary, and in observing the other solemnities
necessary they will operate with a perfect assurance.

It is, nevertheless, necessary to take care that when thou shalt have prepared any experiment thyself for
the days and hours ordained, that it should be performed in clear, serene, mild, and pleasant weather,
without any great tempest or agitation of the air, which should not be troubled by winds. For when thou
shalt have conjured any Spirits in any art or experiment, they will not come when the Air is troubled or
agitated by winds, seeing that Spirits have neither flesh nor bones, and are created of different
substances.

Some are created from Water.

Others from Wind, unto which they are like.

Some from Earth.

Some from Clouds.

Others from Solar Vapors.

Others from the keenness and strength of Fire; and when they are invoked or summoned, they come
always with great noise, and with the terrible nature of fire.

When the Spirits which are created of Water are invoked, they come with great rains, thunder, hail,
lightning, thunder-bolts, and the like.

When the Spirits which are created of Clouds are invoked, they come with great deformity, in a horrible
form, to strike fear into the Invocator, and with an exceeding great noise.

Others3 which are formed from wind appear like thereunto and with exceeding swift motion, and
whenever those which are created from Beauty4 appear, they will show themselves in a fair and
agreeable form; moreover, whatsoever thou shalt call the Spirits created from Air, they will come with a
kind of gentle breeze.

When the Spirits which are created from the Vapours of the Sun are invoked, they come under a very
beautiful and excellent form, but filled with pride, vanity, and conceit. They are clever, whence it comes
that these last are all specified by Solomon in his book of ornament, or of beauty. They show great
ostentation and vainglory in their dress, and they rejoice in many ornaments; the boast of possessing
mundane beauty, and all sorts of ornaments and decorations. Thou shalt only invoke them in serene, mild,
and pleasant weather.

The Spirits5 which are created of Fire reside in the east, those created of Wind in the south.

Note then that it will be much better to perform the experiments or operations in the direction of the east,
putting everything necessary in practice towards that point.

But for all other operations or extraordinary experiments, and for those of love, they will be much more
efficacious directed towards the north.

Take heed further, that every time that thou performest any experiment, to reduce it unto perfection with
the requisite solemnities, thou shalt recommence the former experiment if interrupted therein, without the
preparation of hours or other solemnities.

If by chance it should happen that having performed an experiment with due observance of days, hours,
and requisite solemnities, thou shalt find it unsuccessful, it must be in some manner false, ill-arranged
and defective, and thou must assuredly have failed in some matter; for if thou doest ill in one single
point, these experiments or these Arts will not be verified.

Thus upon this Chapter dependeth this whole Key of Arts, Experiments, and Operations, and although
every solemnity be rightly observed, no experiment will be verified, unless thou canst penetrate the
meaning of this Chapter.

BOOK II

CHAPTER II
IN WHAT MANNER THE MASTER OF THE ART SHOULD KEEP, RULE, AND GOVERN HIMSELF.

He who wisheth to apply himself unto so great and so difficult a Science should have his mind free from all business, and from all extraneous ideas of whatever nature they may be.

He should then thoroughly examine the Art or Operation which he should undertake, and write it regularly out on paper, particularly set aside for that purpose, with the appropriate conjurations and exorcisms. If there be anything to mark or write down, it should be performed in the manner specified regarding the paper, ink, and pen. He should also observe at what day and at what hour this Experiment should be undertaken, and what things are necessary to prepare for it, what should be added, and what can be dispensed with.

The which matters being prepared, it is necessary for thee to search out and arrange some fitting place wherein the Magical Art and its Experiments can be put in practice. All these things being thus arranged and disposed, let the Master of the Art go into a proper and fitting place; or into his Cabinet or Secret Chamber if it be convenient for the purpose, and he can there dispose and set in order the whole operation; or he can use any other convenient secret place for the purpose, provided that no one knoweth where it is, and that no man can see him when there.

After this he must strip himself entirely naked, and let him have a bath ready prepared, wherein is water exorcised, after the manner which we shall describe, so that he may bathe and purify himself therein from the crown of his head unto the sole of his foot, saying:--

O Lord ADONAI, Who hast formed me Thine unworthy servant in Thine Image and resemblance of vile and of abject earth; deign to bless and to sanctify this Water, so that it may be for the health and purification of my soul, and of my body, so that no foolishness or deceitfulness may therein in any way have place.

O Most Powerful and Ineffable God, Who madest Thy people pass dryshod through the Red Sea when they came up out of the Land of Egypt, grant unto me grace that I may be purified and regenerated from all my past sins by this Water, that so no uncleanness may appear upon me in Thy Presence.

After this thou shalt entirely immerse thyself in the Water, and thou shalt dry thyself with a towel of clean white linen, and then thou shalt put upon thy flesh the garments of pure white linen whereof we shall speak hereafter.

Hereafter, for three days at least, thou shalt abstain from all idle, vain, and impure reasonings, and from every kind of impurity and sin, as will be shown in the Chapter of fast and of vigil. Each day shalt thou recite the following prayer, at least once in the morning, twice about noon, thrice in the afternoon, four times in the evening, and five times before lying down to sleep; this shalt thou do on the three ensuing days:--

THE PRAYER.

HERACHIO, ASAC, ASACRO, BEDRIMULAEL, TILATH, ARABONAS, IERAILHEM, IDEODOC, ARCHARZEL, ZOPHIEL, BLAUTE, BARACATA, EDONIEL, ELOHIM, EMAGRO, ABRAGATEH, SAMOEL, GEBURAHEL, CADATO, ERA, ELOHI, ACHSAH, EBMISHA, IMACHEDEL, DANIEL, DAMA, ELAMOS, IZACHEL, BAEI, SECON, GEMON, DEMAS.

O Lord God, Who art seated upon the Heavens, and Who regardest the Abysses beneath, grant unto me Thy Grace I beseech Thee, so that what I conceive in my mind I may accomplish in my work, through Thee, O God, the Sovereign Ruler of all, Who livest and reignest unto the Ages of the Ages. Amen.

These three days having passed, thou must have all things in readiness, as hath been said, and after this a day appointed and set apart. It will be necessary for thee to wait for the hour in which thou shouldest commence the Operation; but when once it shall be commenced at this hour, thou shalt be able to continue it unto the end, seeing that it deriveth its force and virtue from its beginning, which extendeth to and spreadeth over the succeeding hours, so that the Master of the Art will be enabled to complete his work so as to arrive at the desired result.

BOOK II

CHAPTER III

HOW THE COMPANIONS OR DISCIPLES OF THE MASTER OF THE ART OUGHT TO REGULATE AND GOVERN THEMSELVES.

When the Master of the Art wisheth to put in practice any Operation or Experiment, especially one of importance, he should first consider of what Companions he should avail himself. This is the reason why
in every Operation whose Experience should be carried out in the Circle, it is well to have three
Companions. And if he cannot have Companions, he should at least have with him a faithful and attached
dog. But if it be absolutely necessary for him to have Companions, these Companions should be obligated
and bound by oath to do all that the Master shall order or prescribe them, and they should study, observe,
and carefully retain, and be attentive unto all which they shall hear. For those who shall act otherwise
shall suffer and endure many pains and labors, and run into many dangers, which the Spirits will cause
and procure for them, and for this cause sometimes they shall even die.

The Disciples then, being well and thoroughly instructed, and fortified with a wise and understanding
heart, the Master shall take exorcised Water, and he shall enter with his Disciples into a secret place
purified and clean, where he must strip them entirely naked; after this, let him pour exorcised water upon
their heads, which he should cause to flow from the crown of their head unto the sole of their foot, so as
to bathe them entirely therewith; and while bathing them thus, he should say:--

Be ye regenerate, cleansed, and purified, in the Name of the Ineffable, Great, and
Eternal God, from all your iniquities, and may the virtue of the Most High descend
upon you and abide with you always, so that ye may have the power and strength to
accomplish the desires of your heart. Amen.

After this let the Disciples robe themselves as the Master hath done, and fast like him for three days,
repeating the same prayer; let them act like him, and in the work let them implicitly follow and obey him
in all things.

But if the Master of the Art wisheth to have a dog for his Companion, he must bathe him thoroughly with
the exorcised water in the same manner as the Disciples, and let him perfume him with the odours and
incense of Art, and let him repeat the following Conjuration over him:--

I conjure thee, O thou Creature, being a Dog, by Him Who hath created thee, I
bathe and I perfume thee in the Name of the Most High, Most Powerful, and
Eternal God, so that thou mayest be my true Companion in this operation, and that
thou mayest be also my faithful friend in whatsoever Operation I may hereafter
perform.

But if he wisheth to have for his companion a little boy or girl, which will be still better, he must ordain
them as he hath ordained the dog; and he must pare and cut the nails of their hands and of their feet,
saying:--

I conjure thee, O thou Creature, being a young girl (or boy), by the Most High God,
the Father of all Creatures, by the Father ADONAI ELOHIM, and by the Father
ELION, that thou shalt have neither will nor power to hide from me anything, nor
yet to keep back from me the truth in all which I shall demand of thee, and that
thou be obedient and faithful unto me. Amen.

Let him purify, cleanse, and wash this young child anew, with the Water of Art, saying:--

Be thou regenerate, cleansed, and purified, so that the Spirits may neither harm thee
nor abide in thee. Amen.

Then perfume the child with odours as above.

When the Companions shall be thus ordained and disposed, the Master shalt be able to operate in surety
together with them, every time that it shall please him; and he shall perform his operation happily, and
shall attain his end.

But for the safety both of soul and of body, the Master and the Companions should have the Pentacles
before their breasts, consecrated, and covered with a silken veil, and perfumed with the proper
fumigations. By the which being assured and encouraged, they may enter into the matter without fear or
terror, and they shall be exempt and free from all perils and dangers, provided that they obey the
commands of the Master and do all that he ordain them. If they shall act thus, all things shall go
according unto their desires.

All being thus arranged, the Master should take heed that His Disciples are perfectly instructed in those
things which they have to perform.

These Companions or Disciples should be three in number, without including the Master. They may also
be of the number of five, of seven, or of nine; but so that they ever implicitly obey the orders of their
Master; for thus only shall all things come to a successful issue.

BOOK II

CHAPTER IV

CONCERNING THE FASTING, CARE, AND THINGS TO BE OBSERVED.
WHEN the Master of the Art shall wish to perform his operations, having previously arranged all things which it is necessary to observe and practise; from the first day of the Experiment, it is absolutely necessary to ordain and to prescribe care and observation, to abstain from all things unlawful, and from every kind of impiety, impurity, wickedness, or immodesty, as well of body as of soul; as, for example, eating and drinking superabundantly, and all sorts of vain words, buffooneries, slanders, calumnies, and other useless discourse; but instead to do good deeds, speak honestly, keep a strict decency in all things, never lose sight of modesty in walking, in conversation, in eating and drinking, and in all things; the which should be principally done and observed for nine days, before the commencement of the Operation. The Disciples should do the same, and should equally put in practice all things necessary to be observed, if they wish to make use of all these operations and experiments.

But before the commencement of the work, it is absolutely necessary that the Master with his Disciples repeat the following Conjuration once in the morning, and twice in the evening:--

THE CONJURATION.

O Lord God Almighty, be propitious unto me a miserable sinner, for I am not worthy to raise mine eyes unto heaven, because of the iniquity of my sins and the multitude of my faults. O pitying and merciful Father, who wouldest not the death of a sinner but rather that he should turn from his wickedness and live, O God have mercy upon me and pardon all my sins; for I unworthy entreat Thee, O Father of all Creatures, Thou Who art full of mercy and of compassion, by Thy great goodness, that Thou deign to grant unto me power to see and know these Spirits which I desire to behold and to invoke to appear before me and to accomplish my will. Through Thee Who art Conqueror, and Who art Blessed unto the Ages of the Ages. Amen.

O Lord God the Father Eternal, Who art seated upon the Kerubim and the Seraphim, Who lookest upon Earth and upon Sea; unto Thee do I raise my hands and implore thine aid alone, Thou Who alone art the accomplishment of good works, Thou Who givest rest unto those who labour, Who humblest the proud, Who art the Author of Life and the Destroyer of Death; Thou art our rest, Thou art the Protector of those who invoke Thee; protect, guard, and defend me in this matter, and in this enterprise which I propose to carry out, O Thou Who livest, reignest, and abidest unto the Eternal Ages. Amen.

During the three last days before the commencement of this action, thou shalt content thyself with only eating fasting diet, and that only once in the day; and it will be better still if thou only partakest of bread and water. Thou shalt also abstain from every impure thing; reciting the prayer above written. And on the last day, when thou shalt wish to commence the Operation, thou shalt remain all day without eating, and later on thou shalt go into a secret place, where thou shalt confess all thy sins unto God with a contrite heart. The Disciples also, together with the Master, shall recite the same Confession with a low but distinct voice, as hath been already said in the First Book.

This having been done thrice with a devout, pure, and contrite heart, in a place withdrawn from men, cleansed, and pure, where thou canst not be seen, taking the water and the hyssop, thou shalt say:--

Purify me, O Lord, with hyssop, and I shall be pure; wash me and I shall be whiter than snow.

After this, bathe thyself with the exorcised water, and clothe thyself again with the consecrated garment which thou hast taken off; cense thyself, and surround thyself with odours, as will be told farther on, when we speak of perfumes and suffumigations.

The which being done, thou shalt go unto the ordained place with thy Companions, and all things being prepared, thou shalt make the Circle, as hath been already said, with all other necessary ceremonies; then shalt thou commence to invoke the Spirits by the Exorcisms; thou shalt also repeat anew the foregoing Confession as hath been already said in the First Book. After which, in sign of amendment and of repentance, each shall mutually kiss the other.

Mark well, that up to this point, the Disciples should do the same things as the Master.

Let the Master now give his commands unto his Disciples, and pursue the course of the Experiment, and work with all diligence to bring it unto perfection.

BOOK II

CHAPTER V

CONCERNING THE BATHS, AND HOW THEY ARE TO BE ARRANGED

The Bath is necessary for all Magical and Necromantic Arts; wherefore, if thou wishest to perform any experiment or operation, having arranged all things necessary thereunto according to the proper days and
hours, thou shalt go unto a river or running stream, or thou shalt have warm water ready in some large
vessel or tub in thy secret cabinet, and while disrobing thyself of thy raiment thou shalt repeat the
following Psalms:-- Psalms xiv. or lii.; xxvii.; liv.; lxxxi.; cv.

And when the Master shall be entirely disrobed let him enter into the water or into the Bath, and let him
say:--

THE EXORCISM OF THE WATER.

I exorcise thee, O Creature of Water, by Him Who hath created thee and gathered
thee together into one place so that the dry land appeared, that thou uncover all the
deceits of the Enemy, and that thou cast out from thee all the impurities and
uncleannesses of the Spirits of the World of Phantasm, so they may harm me not,
through the virtue of God almighty who liveth and reigneth unto the Ages of the
Ages. Amen.

Then shalt thou begin to wash thyself thoroughly in the Bath, saying:--

MERTALIA, MUSALIA, DOPHALIA, ONEMALIA, ZITANSEIA,
GOLDAPHAIRA, DEDULSAIRA GHEVIALAIRA, GHEMINAIRA,
GEGROPHEIRA, CEDAI; GILTHAR, GODIEB, EZOILIL, MUSIL, GRASSIL,
TAMEN, PUERI, GODU, HUZNOTH, ASTACHOTH, TZABAOOTH, ADONAI,
AGLA, ON, EL, TETRAGRAMMATON, SHEMA, ARESION,
ANAPHAXETON, SEGILATON, PRIMEUMATON.

All the which Names thou shalt repeat twice or thrice, until thou art completely washed and clean, and
when thou art perfectly pure thou shalt quit the Bath, and sprinkle thyself with exorcised water, in the
manner described later on, and thou shalt say:--

Purge me, O Lord, with hyssop, and I shall be clean; wash me, and I shall be whiter
than snow.

Whilst again clothing thyself, thou shalt recite the following Psalms:-- Psalms cii.; li.; iv.; xxx.; cxix.,
Mem., v. 97.; cxiv.; cxxvi., cxxxix. After which thou shalt recite the following prayer:--

PRAYER.

EL Strong and Wonderful, I bless Thee, I adore Thee, I glorify Thee, I invoke
Thee, I render Thee thanks from this Bath, so that this Water may be able to cast
from me all impurity and concupiscence of heart, through Thee, O Holy ADONAI;
and may I accomplish all things through Thee Who livest and reignest unto the

After this take the Salt and bless it in this manner:--

THE BENEDICTION OF THE SALT.

The Blessing of the Father Almighty be upon this Creature of Salt, and let all
malignity and hindrance be cast forth hencefrom, and let all good enter herein, for
without Thee man cannot live, wherefore I bless thee and invoke thee, that thou
mayest aid me.

Then thou shalt recite over the Salt, Psalm ciii.

Then taking the grains of the exorcised Salt thou shalt cast them into the aforesaid Bath; and thou shalt
again disrobe thyself, pronouncing the following words:--

IMANEL, ARNAMON, IMATO, MEMEON, RECTACON, MUOBOII,
PALTELLON, DECIAON, YAMENTON, YARON, TATONON, VAPHORON,
GARDON, EXISTON, ZAGVERON, MOMERTON, ZARMESITON, TILEION,
TIXMIN.

After this thou shalt enter a second time into the Bath and recite Psalms civ. and lxxxi.

Then thou shalt quit the Bath and clothe thyself as before in linen garments clean and white, and over
them thou shalt put the garments, of which we shall speak in the proper Chapter, and thus clothed thou
shalt go to finish thy work.

The Disciples should wash themselves in like manner, and with like solemnities.

BOOK II
CHAPTER VI

OF THE GARMENTS AND SHOES OF THE ART

The exterior habiliments which the Master of the Art should wear ought to be of linen, as well as those which he weareth beneath them; and if he hath the means they should be of Silk. If they be of linen the thread of which they are made should have been spun by a young maiden.

The characters shown in Figure 55 should be embroidered on the breast with the needle of Art in red silk.

The shoes should also be White, upon the which the characters in Figure 56 should be traced in the same way.

The shoes or boots should be made of white leather, on the which should be marked the Signs and Characters of Art. These shoes should be made during the days of fast and abstinence, namely, during the nine days set apart before the beginning of the Operation, during which the necessary instruments also should be prepared, polished, brightened, and cleaned.

Besides this, the Master of the Art should have a Crown made of virgin paper, upon the which should be written these four Names:-- YOD, HE, VAU, HE, in front; ADONAI behind; EL on the right; and ELOHIM on the left. (See Figure 57.) These names should be written with the ink and pen of the Art, whereof we shall speak in the proper Chapter. The Disciples should also each have a Crown of virgin paper whereon these Divine symbols should be marked in scarlet. (See Figure 58.)

Take heed also that in clothing thyself with these aforesaid habiliments, that thou recite these Psalms:-- Psalms xv.; cxxxi.; cxxxvii.; cxvii.; lxvii.; lxviii.; and cxxvii.

After this perfume the vestments with the perfumes and suffumigations of the Art, and sprinkle them with the water and hyssop of the Art.

But when the Master and His Disciples shall commence to robe themselves after the first Psalm, and before continuing with the others, he should pronounce these words:--

AMOR, AMATOR, AMIDES, IDEODANIACH, PAMOR, PLAIOR, ANITOR; through the merits of these holy Angels will I robe and indu me with the Vestments of Power, through which may I conduct unto the desired end those things which I ardently wish, through Thee, O Most Holy ADONAI, Whose Kingdom and Empire endureth for ever. Amen.

Take notice that if the linen garments were vestments of the Levites or of the Priests, and had been used for holy things, that they would be all the better.

BOOK II

CHAPTER VII

OF PLACES WHEREIN WE MAY CONVENIENTLY EXECUTE THE EXPERIMENTS AND OPERATIONS OF THE ART

The places best fitted for exercising and accomplishing Magical Arts and Operations are those which are concealed, removed, and separated from the habitations of men. Wherefore desolate and uninhabited regions are most appropriate, such as the borders of lakes, forests, dark and obscure places, old and deserted houses, whither rarely and scarce ever men do come, mountains, caves, caverns, grottos, gardens, orchards; but best of all are cross-roads, and where four roads meet, during the depth and silence of night. But if thou canst not conveniently go unto any of these places, thy house, and even thine own chamber, or, indeed, any place, provided it hath been purified and consecrated with the necessary ceremonies, will be found fit and convenient for the convocation and assembling of the Spirits.

These Arts or Operations should he carried out at the prescribed time, but if there be no time specially appointed it will be always better to perform them at night, which is the most fit and proper time for the Operations of Necromancy; this is also a symbol that it is just and right to hide them from the sight of the foolish, the ignorant, and the profane.

But when thou shalt have selected a place fitting, thou mayest perform thine experiments by day or by night. It should be spacious, clear, and bounded on all sides by hedges, shrubs, trees, or walls. Thou shalt thyself cleanse it thoroughly and render it neat and pure, and while doing this thou shalt recite Psalms ii.; lvii.; and liv.

After this thou shalt perfume it with the odours and suffumigations of the Art, and shalt sprinkle it with the water and the hyssop; and after this thou mayest iii this place make all the necessary preparations for an operation.

But when, later on, thou shalt go unto this place, to complete and accomplish the operation, thou shalt repeat on the way thither the following Prayer in a low and distinct voice:--
THE PRAYER.

ZAAZII, ZAMAIL, PUIDAMON Most Powerful, SEDON Most Strong, EL, YOD HE VAU HE, IAH, AGLA, assist me an unworthy sinner who have had the boldness to pronounce these Holy Names which no man should name and invoke save in very great danger. Therefore have I recourse unto these Most Holy Names, being in great peril both of soul and of body. Pardon me if I have sinned in any manner, for I trust in Thy protection alone, especially on this journey.

Let the Master as he goeth sprinkle the path with the water and hyssop of the Art, while each of his Disciples shall repeat in a low voice the Prayer which we have enjoined for the days of fasting and preparation.

Furthermore, let the Master appoint his Disciples to carry the things necessary for the Art.

The first shall bear the Censer, the Fire, and the Incense.

The Second; the Book, the Paper, the Pens, the Ink, and the various Perfumes.

The Third; the Knife, and the Sickle.

The Master; the Staff, and the Wand.

But if there be more Disciples present, the Master shall distribute the things for each to carry, according to their number.

When they shall have arrived at the place, and all things being disposed in their proper order, the Master shall cake the Knife or other convenient consecrated Magical implement of Steel, wherewith to form the Circle of Art which he intends to construct. This being done, he must perfume it, and sprinkle it with water; and having warned and exhorted his Disciples, he shall work thus:--

First let him have a Trumpet made of new wood, on the one side of which shall be written in Hebrew with the pen and ink of the Art these Names of God, ELOHIM GIBOR, ELOHIM TZABAOTH (see Figure 59); and on the other side these characters (see Figure 60).

Ad. 10862, fol 120r.

Having entered into the Circle to perform the Experiment, he should sound his Trumpet towards the four quarters of the Universe, first towards the East, then towards the South, then towards the West, and lastly towards the North. Then let him say:--

Hear ye, and be ye ready, in whatever part of the Universe ye may be, to obey the Voice of God the Mighty One, and the Names of the Creator. We let you know by this signal and sound that ye will be convoked hither, wherefore hold ye yourselves in readiness to obey our commands.

This being done let the Master complete his work, renew the Circle, and make the incensements and fumigations.

BOOK II

CHAPTER VIII

OF THE KNIFE, SWORD, SICKLE, PONIARD, DAGGER, LANCE, WAND, STAFF, AND OTHER INSTRUMENTS OF MAGICAL ART

In order to properly carry out the greatest and most important Operations of the Art, various Instruments are necessary, as a Knife with a white hilt, another with a black hilt, a short Lance, wherewith to trace Circles, Characters, and other things.

The Knife with the white hilt (see Figure 61) should be made in the day and hour of Mercury, when Mars is in the Sign of the Ram or of the Scorpion. It should be dipped in the blood of a gosling and in the juice of the pimpernel, the Moon being at her full or increasing in light. Dip therein also the white hilt, upon which thou shalt have engraved the Characters shown. Afterwards perfume it with the perfumes of the Art.

With this Knife thou mayest perform all the necessary Operations of the Art, except the Circles. But if it seemeth unto thee too troublesome to make a similar Knife, have one made in the same fashion; and thou shalt place it thrice in the fire until it becometh red-hot, and each time thou shalt immerse it in the
aforesaid blood and juice, fasten thereunto the white hilt having engraved thereon the aforesaid characters, and upon the hilt thou shalt write with the pen of Art, commencing from the point and going towards the hilt, these Names Agla, On, as shown in Figure 61. Afterwards thou shalt perfume and sprinkle it, and shalt wrap it in a piece of silken cloth.

But as for the Knife with the black hilt (see Figure 62) for making the Circle, wherewith to strike terror and fear into the Spirits, it should be made in the same manner, except that it should be done in the day and hour of Saturn, and dipped in the blood of a black cat and in the juice of hemlock, the Characters and Names shown in Figure 62 being written thereon, from the point towards the hilt. Which being completed, thou shalt wrap it in a black silk cloth.

The Scimitar (Figure 63), and the Sickle (Figure 64), are made in the same way, as also the Dagger (Figure 65), the Poniard (Figure 66), and the short Lance (Figure 67), in the day and hour of Mercury, and they should be dipped in the blood of a magpie and the juice of the herb Mercury. Thou must make for them handles of white boxwood cut at a single stroke from the tree, at the rising of the Sun, with a new knife, or with any other convenient instrument. The characters shown should be traced thereon. Thou shalt perfume them according to the rules of Art; and wrap them in silk cloth like the others.

The Staff (see Figure 68) should be of elderwood, or cane, or rosewood; and the Wand (Figure 69) of hazel or nut tree, in all cases the wood being virgin, that is of one year’s growth only. They should each be cut from the tree at a single stroke, on the day of Mercury, at sunrise. The characters shown should be written or engraved thereon in the day and hour of Mercury.

![Staff and wand, Sloane MS. 1307, fol. 21r.](image)

![Sacred names on the wand according to Francis Barrett, The Magus.](image)

This being done, thou shalt say:--

**ADONAI, Most Holy, deign to bless and to consecrate this Wand, and this Staff, that they may obtain the necessary virtue, through Thee, O Most Holy ADONAI, whose kingdom endureth unto the Ages of the Ages. Amen.**

After having perfumed and consecrated them, put them aside in a pure and clean place for use when required.

Swords are also frequently necessary for use in Magical Arts. Thou shalt therefore take a new Sword which thou shalt clean and polish on the day of Mercury, and at the first or the fifteenth hour, and after this thou shalt write on one side these Divine Names in Hebrew, YOD HE VAU HE, ADONAI, EHEIEH, YAYAI; and on the other side ELOHIM GIBOR (see Figure 70); sprinkle and cense it and repeat over it the following conjuration:--

THE CONJURATION OF THE SWORD.

I conjure thee, O Sword, by these Names, ABRAHACH, ABRACH, ABRACADABRA, YOD HE VAU HE, that thou serve me for a strength and defence in all Magical Operations, against all mine Enemies, visible and invisible.

I conjure thee anew by the Holy and Indivisible Name of EL strong and wonderful, by the Name SHADDAI Almighty; and by these Names QADOSCH, QADOSCH, QADOSCH, ADONAI ELOHIM TZABAOTH, EMANUEL, the First and the Last, Wisdom, Way, Life, Truth, Chief, Speech, Word, Splendour, Light, Sun, Fountain, Glory, the Stone of the Wise, Virtue, Shepherd, Priest, Messiah Immortal; by these Names then, and by the other Names, I conjure thee, O Sword, that thou servest me for a Protection in all adversities. Amen.
This being finished thou shalt wrap it also in silk like all the other Instruments, being duly purified and consecrated by the Ceremonies requisite for the perfection of all Magical Arts and Operations.

Three\(^6\) other Swords should be made for the use of the Disciples.

The first one should have on the pommel the Name CARDIEL or GABRIEL (see Figure 71); on the Lamen of the Guard, REGION (Figure 72); on the Blade, PANORAIM HEAMESIN\(^7\) (Figure 73).

The Second should have on the pommel the Name AURIEL (Figure 74); on the Lamen of the Guard, SARION (Figure 75); on the Blade, GAMORIN\(^8\) DEBALIN (Figure 76).

The third should have on the pommel the Name DAMIEL or RAPHAEL (Figure 77); on the Lamen of the Guard, YEMETON (Figure 78); on the Blade, LAMEDIN ERADIM\(^9\) (Figure 79).

The Burin\(^{10}\) (Figure 80) or Graver is useful for engraving or incising characters. In the day and hour either of Mars or of Venus thou shalt engrave thereon the characters shown, and having sprinkled and censed it thou shalt repeat over it the following Prayer:--

PRAYER.

ASOPHIEL, ASOPHIEL, ASOPHIEL, PENTAGRAMMATON ATHANATOS, EHEIEH ASHER EHEIEH, QADOSCH, QADOSCH; O God Eternal, and my Father, bless this Instrument prepared in Thine honour, so that it may only serve for a good use and end, for Thy Glory. Amen.

Having again perfumed, thou shalt put it aside for use. The Needle may be consecrated in the same way.

BOOK II

CHAPTER IX

OF\(^{11}\) THE FORMATION OF THE CIRCLE

Having chosen a place for preparing and constructing the Circle, and all things necessary being prepared for the perfection of the Operations, take thou the Sickle or Scimitar of Art and stick it into the centre of the place where the Circle is to be made; then take a cord of nine feet in length, fasten one end thereof unto the Sickle and with the other end trace out the circumference of the Circle, which may be marked either with the Sword or with the Knife with the Black hilt. Then within the Circle mark out four regions, namely, towards the East, West, South, and North, wherein place Symbols; and beyond the limits of this Circle describe with the Consecrated Knife or Sword another Circle, but leaving an open space therein towards the North whereby thou mayest enter and depart beyond the Circle of Art. Beyond this again thou shalt describe another Circle at a foot distance with the aforesaid Instrument, yet ever leaving therein an open space for entrance and egress corresponding to the open space already left in the other.

Beyond this again make another Circle at another foot distance, and beyond these two Circles, which are beyond the Circle of Art yet upon the same Centre, thou shalt describe Pentagrams with the Symbols and Names of the Creator therein so that they may surround the Circle already described. Without these Circles shalt thou circumscribe a Square, and beyond that another Square, so that the Angles of the former may touch the centres of the sides of the latter, and that the Angles of the latter may stretch towards the four quarters of the Universe, East, West, North, and South; and at the four Angles of each square, and touching them, thou shalt describe lesser Circles wherein let there be placed standing censers with lighted charcoal and sweet odours.

These things being done, let the Magus of Art\(^{12}\) assemble his Disciples, exhort, confirm, and cheer them, lead them into the Circle of Art and station them therein towards the Four Quarters of the Universe, exhort them to fear nothing, and to abide in their assigned places. Furthermore let each of the Companions have a Sword besides the Sword of the Art, which he must hold naked in his hand. Then let the Magus quit the Circle, and Kindle the Censers, and place thereon exercised Incense, as is said in the Chapter of Fumigations; and let him have the Censers in his hand and kindle it, and then place it in the part prepared. Let him now enter within the Circle and carefully close the openings left in the same, and let him again warn his Disciples, and take the Trumpet of Art prepared as is said in the Chapter concerning the same, and let him incense the Circle towards the Four Quarters of the Universe.

After this let the Magus commence his Incantations, having placed the Sickle, Sword, or other Implement of Art upright at the ground at his feet. Having sounded the trumpet as before taught let him invoke the Spirits, and if need he conjure them, as is said in the First Book, and having attained his desired effect, let him license them to depart.

Here followeth the Form of the Circle (see Figure 81), wherein whosoever entereth he shall be at safety as within a fortified Castle, and nothing shall be able to harm him.

CHAPTER X

CONCERNING INCENSE, SUFFUMIGATIONS, PERFUMES, ODOURS, AND SIMILAR THINGS WHICH ARE USED IN MAGICAL ARTS

NOTES:

There are many kinds of Incense, Suffumigations, and Perfumes, which are made for and offered unto the Spirits; those which are of sweet odour are for the good, those which are of evil savour are for the evil.

For perfumes of good odour, take thou incense, aloes, nutmeg, gum benjamin, musk, and other fragrant spices, over which thou shalt say:

THE EXORCISM OF INCENSE.

O God of Abraham, God of Isaac, God of Jacob, deign to bless these odoriferous spices so that they may receive strength, virtue, and power to attract the Good Spirits, and to banish and cause to retire all hostile Phantoms. Through Thee, O Most Holy ADONAI, Who livest and reignest unto the Ages of the Ages. Amen.

I exorcise thee, O Spirit impure and unclean, thou who art a hostile Phantom, in the Name of God, that thou quit this Perfume, thou and all thy deceits, that it may be consecrated and sanctified in the name of God Almighty. May the Holy Spirit of God grant protection and virtue unto those who use these Perfumes; and may the hostile and evil Spirit and Phantom never be able to enter therein, through the Ineffable Name of God Almighty. Amen.

O Lord, deign to bless and to sanctify this Creature of Perfume so that it may be a remedy unto mankind for the health of body and of soul, through the Invocation of
Thy Holy Name. May all Creatures who receive the odour of this incense and of these spices receive health of body and of soul, through Him Who hath formed the Ages. Amen.

After this thou shalt sprinkle the various Spices with the Water of the Art, and thou shalt place them aside in a piece of silk as in other cases, or in a box destined for the purpose, so that thou mayest have them ready prepared for use when necessary.

When thou wishest to use the incense, thou shalt kindle a fire of fresh charcoal, in earthen vessels newly glazed within and without, and thou shalt kindle fire fresh with flint and steel, and the fire being lighted thou shalt say over it as follows, before putting the Spices thereon:--

**THE EXORCISM OF THE FIRE.**

I exorcise thee, O Creature of Fire, by Him through Whom all things have been made, so that every kind of Phantasm may retire from thee, and be unable to harm or deceive in any way, through the Invocation of the Most High Creator of all. Amen.

Bless, O Lord All Powerful, and All Merciful, this Creature of Fire, so that being blessed by Thee, it may be for the honour and glory of Thy Most Holy Name, so that it may work no hindrance or evil unto those who use it. Through Thee, O Eternal and Almighty Lord, and through Thy Most Holy Name. Amen.

This being done, thou shalt put the Spices upon the Fire, and make what perfumes and suffumigations thou requirest.

Over Fumigations of evil odour thou shalt say:--

**ADONAI, LAZAI, DALMAI, AIMA, ELOHI, O Holy Father, grant unto us succour, favour, and grace, by the Invocation of thy Holy Name, so that these things may serve us for aid in all that we wish to perform therewith, that all deceit may quit them, and that they may be blessed and sanctified through Thy Name. Amen.**

**BOOK II**

**CHAPTER XI**

**OF THE WATER, AND OF THE HYSSOP**

If it he necessary to sprinkle with water anything required in the Art it should be done with a Sprinkler.

Prepare a Censer in the day and hour of Mercury, with the odoriferous Spices of the Art. After this thou shalt take a vessel of brass, of lead varnished within and without, or of earth, which thou shalt fill with most clear spring water, and thou shalt have salt. and say these words over the salt:--

TZABAOTH, MESSIACH, EMANUEL, ELOHIM GIBOR, YOD HE VAU HE; O God, Who art the Truth and the Life, deign to bless and sanctify this Creature of Salt, to serve unto us for help, protection, and assistance in this Art, experiment and operation, and may it be a succor unto us.

After this cast the salt into the vessel wherein is the Water, and say the following Psalms: cii.; liv.; vi.; lxvii.

Thou shalt then make unto thyself a Sprinkler of vervain, fennel, lavender, sage, valerian, mint, garden-basil, rosemary, and hyssop, gathered in the day and hour of Mercury, the moon being in her increase. Bind together these herbs with a thread spun by a young maiden, and engrave upon the handle on the one side the characters shown in Figure 82, and on the other side those given in Figure 83.

After this thou mayest use the Water, using the Sprinkler whenever it is necessary; and know that wheresoever thou shalt sprinkle this Water, it will chase away all Phantoms, and they shall be unable to hinder or annoy any. With this same Water thou shalt make all the preparations of the Art.

**BOOK II**

**CHAPTER XII**

**OF THE LIGHT, AND OF THE FIRE.**

It hath been ever the custom among all nations to use fire and light in sacred things. For this reason the
Master of the Art should also employ them in sacred rites, and besides those for reading the Conjurations by, and for the incense, in all operations Lights are necessary in the Circle.

For this reason he should make candles of virgin wax in the day and hour of Mercury; the wicks should have been made by a young girl; and the Candles should be made when the moon is in her increase, of the weight of half a pound each, and on them thou shalt engrave these characters with the Dagger, or the Burin of Art. (See Figure 84.)

After this thou shalt repeat over the Candles, Psalms cli.; ci iii.; cvii., and shalt say:--

O Lord God, Who governest all things by Thine Almighty Power, give unto me, a poor sinner, understanding and knowledge to do only that which is agreeable unto Thee; grant unto me to fear, adore, love, praise, and give thanks unto Thee with true and sincere faith and perfect charity. Grant, O Lord, before I die, and descend into the realms beneath, and before the fiery flame shall devour me, that Thy Grace may not leave me, O Lord of my Soul. Amen.

After this thou shalt add:--

I exorcise thee, O Creature of wax, by Him Who alone hath created all things by His Word, and by the virtue of Him Who is pure truth, that thou cast out from thee every Phantasm, Perversion, and Deceit of the Enemy, and may the Virtue and Power of God enter into thee, so that thou mayest give us light, and chase far from us all fear or terror.

After this thou shalt sprinkle them with the Water of the Art, and incense them with the usual perfumes.

And when thou shalt wish to kindle them thou shalt say:--

I exorcise thee, O Creature of Fire, in the Name of the Sovereign and Eternal Lord, by His Ineffable Name, which is YOD, HE, VAU, HE; by the Name IAH; and by the Name of Power EL; that thou mayest enlighten the heart of all the Spirits which we shall call unto this Circle, so that they may appear before us without fraud and deceit through Him Who hath created all things.

Then thou shalt take a square Lantern, with panes of Crystal glass, and thou shalt fit therein the Candle lighted, to read by, to form the Circle, or any other purpose for which thou shalt require it.

CHAPTER XIII

CONCERNING THE PRECEPTS OF THE ART

He who hath attained the rank or degree of Exorcist, which we are usually accustomed to call Magus or Master according to grade, whensoever he desireth to undertake any operation, for the nine days immediately preceding the commencement of the work, should put aside from him all uncleanness, and prepare himself in secret during these days, and prepare all the things necessary, and in the space of these days all these should be made, consecrated, and exorcised.

The which being duly completed, let him go on the day and hour of the commencement of the work, unto the place set apart for the same, as hath been said, in the place concerning the formation of the Circle. Let him instruct his Disciples on no cause whatsoever to move from their assigned places. And the Magus should exhort them with a bold and confident voice as follows:--

THE EXHORTATION OF THE COMPANIONS.

Fear ye not, my beloved Companions, seeing that we draw near unto the desired end; therefore, all things being rightly done and the Conjurations and Exorcisms diligently performed, ye shall behold Kings of Kings, and Emperors of Emperors, and other Kings, Princes, and Majesties with them, and a great crowd of followers, together with all sorts of musical instruments, yet nothing should either the Magus or his Disciples fear.

And then let the Magus say:--

I exhort you by these Holy Names of God, ELOHIM, ADONAI, AGLA, that none of you now presume to move or cross over from your appointed stations.

This being said, let the Magus and his Disciples uncover the Holy Pentacles and show them towards each
Then shall the Emperor of (the Spirits) say unto you:--
From the time of the Great Addus until now, there hath not been an Exorciser who could behold my person, and unless those things which ye have showed unto us hath been made, ye would not now have seen me. But seeing that ye have powerfully called us, as I believe, by the rites derived from Solomon, and which but few of your comrades, or Exorcisers, possess, also they compel us against our will, and I therefore say unto thee that we wish to be obedient in all matters.
Then shall the Magus place the petitions of himself and his companions, which should be written down clearly on virgin card, or paper, beyond the Circle towards the King or Prince of the Spirits, and he will receive it and take counsel with his Chiefs. After this he will return the Card, saying:-- That which thou desirest is accomplished, be thy will performed, and all thy demands fulfilled.

CHAPTER XIV

OF THE PEN, INK, AND COLOURS.

All things employed for writing, etc., in this Art, should be prepared in the following manner.
Thou shalt take a male gosling, from which thou shalt pluck the third feather of the right wing, and in plucking it thou shalt say:--

ADRAI, HAHLII, TAMAI, TILONAS, ATHAMAS, ZIANOR, ADONAI, banish from this pen all deceit and error, so that it may be of virtue and efficacy to write all that I desire. Amen.

After this thou shalt sharpen it with the penknife of the Art, perfume it, sprinkle it, and place it aside in a silken cloth.

Thou shalt have an Inkstand made of earth or any convenient matter, and in the day and hour of Mercury thou shalt engrave thereon with the Burin of Art these Names:-- Yod, He, Vau, He, Metatron, Iah Iah Iah, Qadosch, Elohim Tzabaoth (see Figure 85) and in putting the ink therein thou shalt say:--

I exorcise thee, O Creature of Ink, by ANAIRETON, by SIMULATOR, and by the Name ADONAI, and by the Name of Him through Whom all things were made, that thou be unto me an aid and succor in all things which I wish to perform by thine aid.

As it sometimes happeneth that it is necessary to write with some noble colour, it is well to have a new and clean box wherein to keep them. The principal colours will be Yellow or Gold, Red, Celestial or Azure Blue, Green, and Brown; and any other colours that may be requisite. Thou shalt exorcise, perfume, and sprinkle them in the usual manner.

CHAPTER XV

OF THE PEN OF THE SWALLOW AND OF THE CROW.

Take the feather of a Swallow or of a Crow, and before plucking it thou shalt say:--

May Holy MICHAEL the Archangel of God, and MIDAEL and MIRAEL, the Chiefs and Captains of the Celestial Army, be my aid in the operation I am about to perform, so that I may write herewith all things which are necessary, and that all the experiments which I commence herewith may through you and through your names be perfected by the power of the Most High Creator. Amen.

After this thou shalt point and complete the pen with the Knife of the Art, and with the pen and ink of the art thou shalt write upon its side the Name, ANAIRETON (see Figure 86), and thou shalt say over it the following Psalms: cxxxiii.; cxvii.

CHAPTER XVI

OF THE BLOOD OF THE BAT, PIGEON, AND OTHER ANIMALS

Take a living Bat and exorcise it thus:--

THE EXORCISM OF THE BAT.
CAMIACH, EOMIAHE, EMIAL, MACBAL, EMOII, ZAZEAN, MAIPHIAT, ZACRATH, TENDAC, VULAMAH; by these Most Holy Names, and the other Names of Angels which are written in the Book ASSAMAIAN, I conjure thee O Bat (or whatever animal it may be) that thou assist me in this operation, by God the True, God the Holy, the God Who hath created thee, and by Adam, Who hath imposed thy true name upon thee and upon all other animated beings.

After this, take the Needle or other convenient Instrument of Art, as will be said later on, and pierce the bat in the vein which is in the right wing; and collect the blood in a small vessel over the which thou shalt say:--

Almighty ADONAI, ARATHRON, ASHAI, ELOHIM, ELOHI, ELION, ASHER EHEIEH, SHADDAI, O God the Lord, immaculate, immutable, EMANUEL, MESSIACH, YOD, HE, VAU, HE, be my aid, so that this blood may have power and efficacy in all wherein I shall wish, and in all that I shall demand.

Perfume it and keep it for use.

The blood of other winged animals may be taken in the same manner, with the proper solemnities.

Note by Editor: I cannot too strongly impress on the readers of this volume that the use of blood is more or less connected with Black Magic; and that it should be avoided as much as possible.

BOOK II

CHAPTER XVII

OF VIRGIN PARCHMENT, OR VIRGIN PAPER, AND HOW IT SHOULD BE PREPARED

Virgin paper, or card, is that which is new, pure, clean, and exorcised, never having served for any other purpose.

Virgin parchment is necessary in many Magical Operations, and should be properly prepared and consecrated. There are two kinds, one called Virgin, the other Unborn. Virgin parchment is that which is taken from an Animal which hath not attained the age of generation, whether it be ram, or kid, or other animal.

Unborn parchment is taken from an animal which hath been taken before its time from the uterus of its mother.

Take whichever of these two classes of animals thou pleasest, provided only that it be male, and in the day and hour of Mercury; and take it to a secret place where no man may see thee at work. Thou shalt have a marsh-reed cut at a single stroke with a new knife, and thou shalt strip from it the leaves, repeating this Conjuration:--

THE CONJURATION OF THE REED.

I conjure thee by the Creator of all things, and by the King of Angels, Whose Name is EL SHADDAI, that thou receivest strength and virtue to flay this animal and to construct the parchment whereon I may write the Holy Names of God, and that it may acquire so great virtue that all which I shall write or do may obtain its effect, through Him who liveth unto the Eternal Ages. Amen.

Before cutting the Reed recite Psalm lxxii.

After this, with the Knife of the Art, thou shalt fashion the Reed into the shape of a Knife, and upon it thou shalt write these Names: AGLA, ADONAI, ELOHI (see Figure 87), through Whom be the work of this Knife accomplished. Then thou shalt say:--

O God, Who drewest Moses, Thy well beloved and Thine elect, from among the Reeds on the marshy banks of the Nile, and from the Waters, he being yet but a child, grant unto me through Thy great mercy and compassion that this Reed may receive Power and Virtue to effect that which I desire through Thy Holy Name and the Names of Thy Holy Angels. Amen.

This being done, thou shalt commence with this Knife to flay the Animal, whether it be Virgin or Unborn, saying:--

ZOHAR, ZIO, TALMAI, ADONAI, SHADDAI, TETRAGRAMMATON, and ye Holy Angels of God; be present, and grant power and virtue unto this parchment,
and may it be consecrated by you, so that all things which I shall write thereon shall
obtain their effect. Amen.

The Animal being flayed, take Salt, and say thus over it:--

God of Gods, and Lord of Lords, Who hast created all things from Negative
Existence, deign to bless and sanctify this Salt, so that in placing it upon this
parchment which I wish to make, it may have such virtue that whatsoever I may
write on it hereafter may attain its desired end. Amen.

Afterwards rub the said parchment with the exorcised salt, and leave it in the Sun, to imbibe this salt for
the space of an entire day. Then take a large earthen vessel glazed within and without, round the outside
of which thou shalt write the characters in Figure 88.

After this thou shalt put powdered lime into the vessel, saying:--

OROII, ZARON, ZAINON, ZEVARON, ZAHIPHIL, ELION, be ye present and
bless this work so that it may attain the desired effect, through the King of the

Take then exorcised Water and pour it upon the said lime, and place the skin therein for three days, after
which thou shalt take it thence, and scrape therefrom the lime and flesh adhering, with the Knife of Reed.

After this thou shalt cut, with a single stroke, a Wand of Hazel, long enough for thee to form a Circle
therewith; take also a cord spun by a young maiden, and small stones or pebbles from a brook,
pronouncing these words:--

O God Adonai, holy and Powerful Father, put virtue into these stones, that they
may serve to stretch this parchment, and to chase therefrom all fraud, and may it
obtain virtue by Thine Almighty Power.

After this, having stretched the said parchment upon the Circle and bound it with the cord and stones,
thou shalt say:--

AGLA, YOD, HE, VAU, HE, IAH, EMANUEL, bless and preserve this
parchment, so that no Phantasm may enter therein.

Let it dry thus for three days in a dark and shady place, then cut the cord with the Knife of Art, and
detach the Parchment from the Circle, saying:--

ANTOR, ANCOR, TURLOS, BEODONOS, PHAIAR, APHARCAR, be present
for a guard unto this Parchment.

Then perfume it, and keep it in silk ready for use.

No woman, if her flowers be upon her, should be permitted to see this parchment; otherwise it will lose
its virtue. He who maketh it should be pure, clean, and prepared.

But if the preparation of the aforesaid parchment seemeth too tedious, thou mayest make it in the
following manner, but it is not so good.

Take any Parchment, and exorcise it; prepare a censer with perfumes; write upon the parchment the
characters in Figure 89, hold it over the Incense, and say:--

Be ye present to aid me, and may my operation be accomplished through you;
ZAZAII, ZALMAII, DALMAII, ADONAI, ANAPHAXETON, CEDRION,
CRIPON, PRION, ANAIRETEN, ELION, OCTINOMON, ZEVANION,
ALAZAION, ZIDEON, AGLA, ON, YOD HE VAU HE, ARTOR, DINOTOR,
Holy Angels of God; be present and infuse virtue into this Parchment, so that it
may obtain such power through you that all Names or Characters thereon written
may receive due power, and that all deceit and hindrance may depart therefrom,
through God the Lord merciful and gracious, Who liveth and reigneth through all
the Ages. Amen.

Then shalt thou recite over the parchment Psalms lxxii.; cxvii.; and cxxiv.; and the 'Benedicite Omnia
Opera.' [i.e., The Song of the Three Children, Daniel 3:57ff. -JHP].

Then say:--

I conjure thee, O Parchment, by all the Holy Names, that thou obtainest efficacy
and strength, and becomest exorcised and consecrated, so that none of the things
which may he written upon thee shall be effaced from the Book of Truth. Amen.
Then sprinkle it, and keep it as before said.

The cauls of newly-born children, duly consecrated, may also be used instead of virgin parchment. Also paper, satin, silk, and the like substances, may be employed in operations of less importance if duly exorcised and consecrated.

CHAPTER XVIII

OF WAX AND VIRGIN EARTH

Wax and Virgin Earth are also employed in many Magical Operations, whether to make Images, or Candles, or other things; therefore they should never have been put to any other use. The Earth should be dug up with thine own hands, and reduced to a paste, without touching it with any instrument whatever, so that it be not defiled thereby.

The Wax should be taken from bees which have only made it for the first time, and it should never have been employed for any other purpose; and when thou shalt wish it to avail thyself of the one or the other, thou shalt before commencing the work repeat the following conjuration:

CONJURATION.

EXTABOR, HETABOR, SITTACIBOR, ADONAI, ONZO, ZOMEN, MENOR, ASMODAL, ASCOBAL, COMATOS, ERIONAS, PROFAS, ALKOMAS, CONAMAS, PAPUENDOS, OSIANDOS, ESPIACENT, DAMNATH, EHERES, GOLADES, TELANTES, CPHI, ZADES, ye Angels of God be present, for I invoke ye in my work, so that through you it may find virtue and accomplishment.

Amen.

After this repeat Psalms cxxxii.; xv.; vii.; lxxii.; lxviii.; lxvii.; cxxiv.; cxxv.; clxi.; clxv.; clxvi.; clxvii.; clxviii.; li.; cxxx.; cxxxix.; lii.; and say:--

I exorcise thee, O Creature of Wax (or of Earth), that through the Holy Name of God and His Holy Angels thou receive blessing, so that thou mayest be sanctified and blessed, and obtain the virtue which we desire, through the Most Holy Name of ADONAI. Amen.

Sprinkle the wax and put it aside for use; but take note that the Earth which should be dug up with thy hands should be prepared every time thou hast need thereof.

BOOK II

CHAPTER XIX

CONCERNING THE NEEDLE AND OTHER IRON INSTRUMENTS

There are several steel instruments necessary in various Operations, as a Needle to prick or to sew; a Burin, or instrument wherewith to engrave, etc.

Thou shalt make such instruments in the day and hour of Jupiter, and when it is finished thou shalt say:--

I conjure thee, O Instrument of Steel, by God the Father Almighty, by the Virtue of the Heavens, of the Stars, and of the Angels who preside over them; by the virtue of stones, herbs, and animals; by the virtue of hail, snow, and wind; that thou receivest such virtue that thou mayest obtain without deceit the end which I desire in all things where I shall use thee; through God the Creator of the Ages, and Emperor of the Angels. Amen.

Afterwards repeat Psalms iii.; ix.; xxxi.; clxii.; li.; cxxx.

Perfume it with the perfumes of the Art, and sprinkle it with exorcised water, wrap it in silk and say:--

DANI, ZUMECH, AGALMATUROD, GADIEL, PANI, CANEOAS, MEROD, GAMIDOI, BALDOI, METRATOR, Angels most holy, be present for a guard unto this instrument.

CHAPTER XX
CONCERNING THE SILKEN CLOTH

When any Instrument of the Art is properly consecrated, it should be wrapped in silk and put away, as we have said.

Take, then, silk of any colour except black or grey, whereon write the words and Characters in Figure 90.

Perfume it with incense of good odour, sprinkle it, and recite Psalms lxxxii.; lxxii.; cxxxiv.; lxiv.

After this thou shalt put it aside for seven days with sweet spices; and thou shalt use this silk to wrap all the instruments of the Art.

CHAPTER XXI

CONCERNING CHARACTERS, AND THE CONSECRATION OF THE MAGICAL BOOK

Whensoever in any Operation it is necessary to write Characters, and thou fearest that thou wilt fail, do this: Write at the beginning the Name EHEIEH ASHER EHEIEH (Figure 91), and at the end the name AIN SOPH (Figure 92); between these Names write what thou wishest, and if thou hast anything especial to do bear the said written Names upon the wrapper in silk, and thou shalt say over them:--

Most Wise and Most High Creator of all things, I pray Thee for Thy grace and mercy that Thou mayest grant such virtue and power unto these Holy Names, that Thou mayest keep these characters from all deceit and error, through Thee, O Most Holy ADONAI. Amen.

After having repeated this thou shalt write the requisite Characters, and thou shalt not fail, but shall attain thy desired end.

THE CONSECRATION OF THE BOOK.\(^{16}\)

Make a small Book containing the Prayers for all the Operations, the Names of the Angels in the form of Litanies, their Seals and Characters; the which being done thou shalt consecrate the same unto God and unto the pure Spirits in the manner following:--

Thou shalt set in the destined place a small table covered with a white cloth, whereon thou shalt lay the Book opened at the Great Pentacle which should be drawn on the first leaf of the said Book; and having kindled a lamp which should be suspended above the center of the table, thou shalt surround the said table with a white curtain; clothe thyself in the proper vestments, and holding the Book open, repeat upon thy knees the following prayer with great humility:--

(For the Prayer beginning 'Adonai Elohim,' etc., see Book I., Chapter XIV., where it is given in full.)

After which thou shalt incense it with the incense proper to the Planet and the day, and thou shalt replace the Book on the aforesaid Table, taking heed that the fire of the lamp be kept up continually during the operation, and keeping the curtains closed. Repeat the same ceremony for seven days, beginning with Saturday, and perfuming the Book each day with the Incense proper to the Planet ruling the day and hour, and taking heed that the lamp shall burn both day and night; after the which thou shalt shut up the Book in a small drawer under the table, made expressly for it, until thou shalt have occasion to use it; and every time that thou wishest to use it, clothe thyself with thy vestments, kindle the lamp, and repeat upon thy knees the aforesaid prayer, 'Adonai Elohim.' etc.

It is necessary also, in the Consecration of the Book, to summon all the Angels whose Names are written therein in the Litanies, the which thou shalt do with devotion; and even if the Angels and Spirits appear not in the Consecration of the Book, be not thou astonished thereat, seeing that they are of a pure nature, and consequently have much difficulty in familiarising themselves with men who are inconstant and impure, but the Ceremonies and Characters being correctly carried out devoutly and with perseverance, they will be constrained to come, and it will at length happen that at thy first invocation thou wilt be able to see and communicate with them. But I advise thee to undertake nothing unclean or impure, for then thy importunity, far from attracting them, will only serve to chase them from thee; and it will be thereafter exceedingly difficult for thee to attract them for use for pure ends.

BOOK II

CHAPTER XXII

CONCERNING SACRIFICES TO THE SPIRITS, AND HOW THEY SHOULD BE MADE

In many operations it is necessary to make some sort of sacrifice unto the Demons, and in various ways. Sometimes white animals are sacrificed to the good Spirits and black to the evil. Such sacrifices consist of the blood and sometimes of the flesh.
They who sacrifice animals, of whatsoever kind they be, should select those which are virgin, as being more agreeable unto the Spirits, and rendering them more obedient.

When blood is to be sacrificed it should be drawn also from virgin quadrupeds or birds, but before offering the oblation, say:--

May this Sacrifice which we find it proper to offer unto ye, noble and lofty Beings, be agreeable and pleasing unto your desires; be ye ready to obey us, and ye shall receive greater ones.

Then perfume and sprinkle it according to the rules of Art.

When it is necessary, with all the proper Ceremonies, to make Sacrifices of fire, they should be made of wood which hath some quality referring especially unto the Spirits invoked; as juniper, or pine, unto the Spirits of Saturn; box, or oak, unto those of Jupiter; cornel, or cedar, unto those of Mars; laurel unto those of the Sun; myrtle unto those of Venus; hazel unto those of Mercury; and willow unto those of the Moon.

But when we make sacrifices of food and drink, everything necessary should be prepared without the circle, and the meats should be covered with some fine clean cloth, and have also a clean white cloth spread beneath them; with new bread and good and sparkling wine, but in all things those which refer to the nature of the Planet. Animals, such as fowls or pigeons, should be roasted. Especially shouldst thou have a vessel of clear and pure fountain water, and before thou enterest into the Circle, thou shalt summon the Spirits by their proper Names, or at least those chief among them, saying:--

In whatsoever place ye may be, ye Spirits, who are invited to this feast, come ye and be ready to receive our offerings, presents, and sacrifices, and ye shall have hereafter yet more agreeable oblations.

Perfume the viands with sweet incense, and sprinkle them with exorcised water; then commence to conjure the Spirits until they shall come.

This is the manner of making sacrifices in all arts and operations wherein it is necessary, and acting thus, the Spirits will be prompt to serve thee.

Here endeth our Key, the which if thou thoroughly instillest into thy memory, thou shalt be able, if it pleaseth thee, even to fly with the wings of the wind. But if thou takest little heed hereof, and despisest this Book, never shalt thou attain unto the desired end in any Magical experiment or operation whatsoever.

For in this Book is comprised all science of Magical Art, and it should be strictly kept by thee. And hereunto is the end of our Key, in the Name of God the righteous, the merciful, and the eternal, Who liveth and reigneth throughout the Ages. Amen.

THE END OF THE KEY OF SOLOMON THE KING.

ANCIENT FRAGMENT OF THE KEY OF SOLOMON

TRANSLATED FROM THE HEBREW BY ELIPHAZ LIFI; and given in his 'Philosophie Occulte,' Serie II., Page 136.

I will now give unto thee the Key of the Kingdom of the Spirits.

This Key is the same as that of the Mysterious Numbers of Yetzirah.¹

The Spirits are governed by the natural and universal Hierarchy of things.

Three command Three through the medium of Three.

There are the Spirits of Above, those of Below, and those of the Centre; then if thou investest the Sacred Ladder, if thou descendest instead of ascending, thou wilt discover the Counter-Hierarchy of the Shells, or of the Dead Spirits.

Know thou only that the Principalities of Heaven, the Virtues, and the Powers, are not Persons, but dignities.

They are the Degrees of the Sacred Ladder upon which the Spirits ascend and descend.

Michael, Gabriel, Raphael, and the others, are not Names but Titles.

The First of the Numbers is the Unity.

The First of the Divine Conceptions called the Sephiroth is Kether or the Crown.

¹. The 'Sepher Yetzirah,' or 'Book of Formation,' one of the most ancient Books of the Qabalah.
The First Category of the Spirits is that of Chaioth Ha-Qadesh or the Intelligences of the Divine Tetragram, whose Letters are symbolized by the Mysterious Animals in the Prophecy of Ezekiel.

Their empire is that of unity and synthesis. They correspond to the Intelligence.

They have for adversaries the Thamiel or Double-Headed Ones, the Demons of revolt and of anarchy, whose two Chiefs ever at War with each other, are Satan and Moloch.

The Second Number is two; the Second Sephira is Chokmah or Wisdom.

The Spirits of Wisdom are the Auphanim, a Name which signifieth the Wheels, because all acts in Heaven like immense Wheels spangled with Stars. Their Empire is that of Harmony. They correspond to the Reason.

They have for Adversaries the Chaigidel, or the Shells which attach themselves to Material and Lying Appearances. Their Chief, or rather their Guide, for Evil Spirits obey no one, is Beelzebub, whose Name signifieth the God of Flies, because Flies haunt putrefying corpses.

The third Number is three. The third Sephira is Binah or Understanding.

The Spirits of Binah are Aralim, or the Strong. Their empire is the creation of ideas; they correspond to activity and energy of thought.

They have for adversaries the Satariel, or concealers, the Demons of absurdity, of intellectual inertia, and of Mystery. The Chief of the Satariel is Lucifuge, called falsely and by anti-phrase Lucifer (as the Eumenides, who are the Furies, are called in Greek the Gracious Ones).

The fourth Number is four. The fourth Sephira is Gedulah or Chesed, Magnificence or Mercy.

The Spirits of Gedulah are the Chaschmalim, or the Lucid Ones. Their empire is that of beneficence; they correspond to the imagination.

They have for adversaries the Gamchicoth or the Disturbers of Souls. The Chief or Guide of these Demons is Astartar or Astarte, the impure Venus of the Syrians, whom they represent with the head of an ass or of a bull, and the breasts of a woman.

The fifth Number is five. The fifth Sephira is Geburah or Justice.

The Spirits of Geburah are the Seraphim, or the Spirits burning with zeal. Their empire is that of the chastisement of crimes. They correspond to the faculty of comparing and of choosing.

They have for adversaries the Golab or incendiaries, Genii of wrath and sedition, whose Chief is Asmodeus, whom they also call Samael the Black.

The sixth Number is six. The sixth Sephira is Tiphereth the Supreme Beauty.

The Spirits of Tiphereth are the Malachim, or the Kings. Their empire is that of the Universal Harmony. They correspond to the judgment.

They have for adversaries the Tagaririm, or Disputers, whose Chief is Belphegor.

The seventh Number is seven. The seventh Sephira is Netzach, or Victory.

The Spirits of Netzach is the Elohim or the Gods, that is to say the representatives of God. Their empire is that of progress and of life; they correspond to the Sensorium or to sensibility.

They have for adversaries the Harab-Serapel, or the Ravens of Death, whose Chief is Baal.

The eighth Number is eight. The eighth Sephira is Hod or eternal order.

The Spirits of Hod are the Beni-Elohim or Sons of the Gods. Their empire is that of order; they correspond to the inner sense.

They have for adversaries the Samael or jugglers, whose Chief is Adramelech.

The ninth Number is nine. The ninth Sephira is Yesod, or the fundamental principle.

The Spirits of Yesod are the Cherubim or Angels, those powers which fecundate the earth, and which are represented in Hebrew symbolism under the form of bulls. Their empire is that of fecundity. They correspond to true ideas.

They have for adversaries the Gamaliel or obscene, whose Queen is Lilith, the Demon of debaucheries.

The tenth Number is ten. The tenth Sephira is Malkuth, or the kingdom of forms.

The Spirits of Malkuth are the Ischim, or the virile ones; they are the souls of the Saints whose Chief is Moses. (Let us not forget that it is Solomon who speaks. -Eliphaz Levi.)

They have for adversaries the wicked ones who obey Nahema, the Demon of Impurity.
The wicked are symbolized by the five accursed nations whom Joshua was to destroy.

Joshua, or Jehoshua the Saviour, is a symbol of the Messiah.

His Name is composed of the letters of the Divine Tetragram changed into the Pentagram by the addition of the Letter Schin (see Figure 94).

Each letter of this Pentagram represents a power of good attacked by the five accursed nations.

For the real history of the people of God is the allegorical legend of Humanity.

The five accursed nations are:

1. The Amalekites or Aggressors;
2. The Geburim or Violent Ones;
3. The Raphaim or Cowards;
4. The Nephilim or Voluptuous Ones;
5. The Anakim or Anarchists.

The Anarchists are vanquished by the Yod, which is the Sceptre of the Father.

The Violent are vanquished by the He', which is the Gentleness of the Mother.

The Cowards are vanquished by the Vau, which is the Sword of Michael, and Generation by travail and pain.

Lastly, the Aggressors are vanquished by the Schin, which is the Fire of the Lord and the equilibrating Law of justice.

The Princes of the Perverse Spirits are the False Gods whom they adore.

Hell has then no other government than that fatal law which punishes perversity and corrects error, for the false Gods only exist in the false opinion of their adorers.

Baal, Belphegor, Moloch, Adramelech, have been the idols of the Syrians; idols without soul, idols now destroyed, and of whom the Name alone remaineth.

The True God hath vanquished all the Demons as Truth triumphs over Error. That is past in the opinions of men, and the Wars of Michael against Satan are the symbols of movement, and of the progress of Spirits.

The Devil is ever a God of refusal.

Accredited idolatries are religions in their time.

Superannuated idolatries are Superstitions and Sacrileges.

The Pantheon of Phantoms, which are then in vogue, is the Heaven of the Ignorant.

The Receptacle of Phantoms, whom Folly even wisheth for no longer, is the Hell.

But all this existeth only in the Imagination of the Vulgar.

For the Wise, Heaven is the Supreme Reason, and Hell is Folly.

But It must be understood that we here employ the word Heaven in the Mystical sense which we give it in opposing to it the word Hell.

In order to evoke Phantoms it is sufficient to intoxicate oneself or to render oneself mad; for Phantoms are ever the companions of drunkenness and of vertigo.

The Phosphorus of the imagination, abandoned to all the caprices of over-excited and diseased nerves, fills itself with Monsters and absurd visions.

We can also arrive at hallucination by mingling together wakefulness and sleep by the graduated use of narcotics; but such actions are crimes against nature.

Wisdom chaseth away Phantoms, and enables us to communicate with the Superior Spirits by the contemplation of the Laws of Nature and the study of the Holy Numbers.

(Here King Solomon addresseth himself to his son, Roboam):--
Do thou, O my son Roboam, remember, that the Fear of Adonai is only the beginning of Wisdom.

Keep and preserve those who have not Understanding in the Fear of Adonai, which will give and will preserve unto thee my crown.

But learn to triumph thyself over Fear by Wisdom, and the Spirits will descend from Heaven to serve thee.

I, Solomon, thy father, King of Israel and of Palmyra, I have sought out and obtained in my lot the Holy Chokmah, which is the Wisdom of Adonai.

And I have become King of the Spirits as well of Heaven as of Earth, Master of the Dwellers of the Air, and of the Living Souls of the Sea, because I was in possession of the Key of the Hidden Gates of Light.

I have done great things by the virtue of the Schema Hamphorasch, and by the Thirty-two Paths of Yetzirah.

Number, weight, and measure determine the form of things; the substance is one, and God createth it eternally.

Happy is he who comprehendeth the Letters and the Numbers.

The Letters are from the Numbers, and the Numbers from the Ideas, and the Ideas from the Forces, and the Forces from the Elohim. The Synthesis of the Elohim is the Schema.

The Schema is one, its columns are two, its power is three, its form is four, its reflection giveth eight, which multiplied by three giveth unto thee the twenty-four Thrones of Wisdom.

Upon each Throne reposeth a Crown with three Rays, each Ray beareth a Name, each Name is an Absolute Idea. There are Seventy-two Names upon the Twenty-four Crowns of the Schema.

Thou shalt write these Names upon Thirty-six Talismans, two upon each Talisman, one on each side.

Thou shalt divide these Talismans into four series of nine each, according to the number of the Letters of the Schema.

Upon the first Series thou shalt engrave the Letter Yod, symbolized by the Flowering Rod of Aaron. Upon the second the Letter He, symbolized by the Cup of Joseph. Upon the third the Letter Vau, symbolized by the Sword of David my father. And upon the fourth the He final, symbolized by the Shekel of Gold.

These thirty-six Talismans will be a Book which will contain all the Secrets of Nature. And by their diverse combinations thou shalt make the Genii and Angels speak.

(HERE ENDETH THE FRAGMENT OF THE KEY OF SOLOMON.)

THE QABALISTICAL INVOCATION OF SOLOMON

Speravi miserere mei Domine quoniam tribular conturbatus est in ira oculus meus anima mea et venter meus

Speravi quoniam defecit in dolore vita mea et anni mei in gemitibus infirma est in paupertate virtus mea et ossa mea conturbata sunt

Speravi super omnes inimicos meos factus sum obprobrium et vicinis meis valde et timor notis meis qui videbant me foras fugerunt a me

Speravi oblivioni datus sum tamquam mortuus a corde factus sum tamquam vas perditum

Speravi quoniam audivi vituperationem multorum commorantium in circuitu in eo dum convenirent simul adversus me accipere animam meam consiliati sunt

Speravi ego autem in te speravi Domine dixi Deus meus es tu

Speravi in manibus tuis sortes meae eripe me de manu inimicorum meorum et a persequentibus me

Speravi Domine ne confundar quoniam invocavi te erubescant impii et deducantur in infernum

Speravi muta fiant labia dolosa quae loquent adversus iustum iniquitatem in superbia et in abusione

Speravi quam magna multitudo dulcedinis tuae Domine; quam abscondisti timentibus te perfecisti eis qui sperant in te in conspectu filiorum hominum

Speravi abscondes eos in abdito faciei tuae a conturbatione hominum proteges eos in tabernaculo a contradictione linguarum

Speravi benedictus Dominus quoniam mirificavit misericordiam suam mihi in civitate munita

Speravi ego autem dixi in excessu mentis meae proiectus sum a facie oculorum tuorum ideo exaudisti vocem orationis meae dum clamarem ad te

Speravi diligite Dominum omnes sancti eius Domine; veritates requirit Dominus et retribuit abundanter facientibus superbiam

Speravi viriliter agite et confortetur cor vestrum omnes qui speratis in Domino

72:1 psalmus Asaph quam bonus Israel Deus his qui recto sunt corde
72:2 mei autem paene moti sunt pedes paene effusi sunt gressus mei
72:3 quia zelavi super iniquis pacem peccatorum videns
72:4 quia non est respectus morti eorum et firmamentum in plaga eorum
72:5 in labore hominum non sunt et cum hominibus non flagellabuntur
72:6 ideo tenuit eos superbia operti sunt iniquitate et impietate sua
72:7 prodiet quasi ex adipe iniquitas eorum transierunt in affectum cordis
72:8 cogitaverunt et locuti sunt in nequitia iniquitatem in excelso locuti sunt
72:9 posuerunt in caelum os suum et lingua eorum transivit in terra
72:10 ideo convertetur populus meus hic et dies pleni invenientur in eis
72:11 et dixerunt quomodo scit Deus et si est scientia in Excelso
72:12 ecce ipsi peccatores et abundantes in saeculo obtinuerunt divitias
72:13 %et dixi; ergo sine causa justificavi cor meum et lavi inter innocentes manus meas
72:14 et fui flagellatus tota die et castigatio mea in matutino
72:15 si dicebam narrabo sic ecce nationem filiorum tuorum reprobavi
72:16 et existimabam cognoscere hoc labor est ante me
72:17 donec intrem in sanctuarium Dei intellegam in novissimis eorum
72:18 verumtamen propter dolos posuisti eis deieciisti eos dum adlevantur
72:19 quomodo facti sunt in desolationem subito defecerunt perierunt propter iniquitatem suam
72:20 velut somnium surgentium Domine in civitate tua imaginem ipsorum ad nihilum rediges
72:21 quia inflammatum est cor meum et renes mei commutati sunt

72:23 ut iumentum factus sum apud te et ego semper tecum
72:24 tenuisti manum dexteram meam et in voluntate tua deduxisti me et cum gloria suscepisti me
72:25 quid enim mihi est in caelo et a te quid volui super terram
72:26 defecit caro mea et cor meum Deus cordis mei et pars mea Deus in aeternum
72:27 quia ecce qui elongant se a te peribunt perdidisti omnem qui fornicatur abs te

tuas % in portis filiae Sion;
73:1 intellectus Asaph ut quid Deus reppulisti in finem iratus est furor tuus super oves pascaue tuae
73:2 memor esto congregationis tuae quam possedisti ab initio redemisti virgam hereditatis tuae mons Sion in quo
habitasti in eo
73:3 leva manus tuas in superbias eorum in finem quanta malignatus est inimicus in sancto
73:4 et gloriati sunt qui oderunt te in medio sollemnitatis tuae posuerunt signa sua signa
73:5 et non cognoverunt sicut in exitu super summum quasi in silva lignorum securibus
exciderunt ianuas eius in id ipsum in securi et ascia deiecerunt eam;
incenderunt igni sanctuarium tuum in terra polluerunt tabernaculum nominis tui
dixerunt in corde suo cognatio eorum simul quiescere faciamus omnes dies festos Dei a terra
signa nostra non vidimus iam non est propheta et nos non cognoscet amplius
usquequo Deus improperabit inimicus inritat adversarius nomen tuum in finem
ut quid avertis manum tuam et dexteram tuam de medio sinu tuo in finem
Deus autem rex noster ante saeculum operatus est salutes in medio terrae
tu confirmasti in virtute tua mare contribulasti capita draconum in aquis

tuus est dies et tua est nox tu fabricatus es auroram et solem
tu fecisti omnes terminos terrae aestatem et ver tu plasmasti ea
memor esto huius inimicus improperavit Dominum et populus insipiens incitavit nomen tuum
ne tradas bestiis animam confitentem tibi animas pauperum tuorum ne obliviscaris in finem
respice in testamentum tuum quia repleti sunt qui obscurati sunt terrae domibus iniquitatum
ne avertatur humilis factus confusus pauper et inops laudabunt nomen tuum
exsurge Deus iudica causam tuam memer esto improperiorum tuorum eorum qui ab insipiente sunt tota die
ne obliscaris voces inimicorum tuorum superbia eorum qui te oderunt ascendit semper
in finem ne corrumpas psalmus Asaph cantici

cum accepero tempus ego iustitias iudicabo
liquefacta est terra et omnes qui habitant in ea ego confirmavi columnas eius diapsalma
dixi iniquis nolite inique facere et delinquentibus nolite exaltare cornu
nolite extollere in altum cornu vestrum nolite loqui adversus Deum iniquitatem
quia neque ab oriente neque ab occidente neque a desertis montibus
quoniam Deus iudex est hunc humiliat et hunc exaltat
quia calix in manu Domini vini meri plenus mixto et inclinavit ex hoc in hoc verum fex eius non est exinanita
bibent omnes peccatores terrae
ego autem adnuntiabo in saeculum cantabo Deo Iacob
et omnia cornua peccatorum confringam et exaltabuntur cornua iusti
in finem in laudibus psalmus Asaph canticum ad Assyrium
75:2 notus in Iudaea Deus in Israel magnus nomen eius
75:3 et factus est in pace locus eius et habitatio eius in Sion
75:4 ibi confregit potentias arcuum scutum et gladium et bellum diapsalma
75:5 inluminas tu mirabiliter de montibus aeternis
75:6 turbati sunt omnes insipientes corde dormierunt somnum suum et nihil invenerunt omnes viri divitiarum manibus suis
75:7 ab increpatione tua Deus Iacob dormitaverunt qui ascenderunt equos
75:8 tu terribilis es et quis resistet tibi ex tunc ira tua
75:9 de caelo auditum fecisti iudicium terra timuit et quievit
75:10 cum exsurgeret in iudicium Deus ut salvos faceret omnes mansuetos terrae diapsalma
75:11 quoniam cogitatio hominis confitebitur tibi et reliquiae cogitationis diem festum agent tibi
75:12 vovete et reddite Domino Deo vestro omnes qui in circuitu eius adferent munera terribili
75:13 et ei qui aufert spiritus principum terribili apud reges terrae
75:14 in finem pro Idithun psalmus Asaph
76:1 voce mea ad Dominum clamavi voce mea ad Deum et intendit me
76:2 in die tribulationis meae Deus exquisivi manibus meis nocte contra eum et non sum deceptus rennuit consolari anima mea
76:3 memor fui Dei et delectatus sum exercitatus sum et defecit spiritus meus diapsalma
76:4 anticipaverunt vigilias oculi mei turbatus sum et non sum locutus
76:5 cogitavi dies antiquos et annos aeternos in mente habui
76:6 et meditatus sum nocte cum corde meo exercitabar et scobebam spiritum meum
76:7 numquid in aeternum proiciet Deus et non adponet ut conplacitior sit adhuc
76:8 aut in finem misericordiam suam abscidet a generatione in generationem
76:9 aut obliviscetur misereri Deus aut continebit in ira sua misericordias suas diapsalma
76:10 et dixi nunc coepi haec mutatio dexterae Excelsi
76:11 et meditabo in omnibus operibus tuos et in adinventionibus tuis exercebor
76:12 Deus in sancto via tua quis deus magnus sicut Deus noster
76:13 tu es Deus qui facis mirabilia notam fecisti in populis virtutem tuam
76:14 redemisti in brachio tuo populum tuum filios Iacob et Ioseph diapsalma
76:15 viderunt te aquae Deus viderunt te aquae et timuerunt et turbatae sunt abyssi
76:16 multitudo sonitus aquarum vocem dederunt nubes etenim sagittae tuae transeunt
76:19 vox tonitrui tui in rota inluxerunt coruscationes tuae orbi terrae commota est et contremuit terra
76:20 in mari via tua et semitae tuae in aquis multis et vestigia tua non cognoscentur
76:21 deduxisti sicut oves populum tuum in manu Mosi et Aaron
77:1 intellectus Asaph adtendite populus meus legem meam inclinate aurem vestram in verba oris mei
77:2 aperiam in parabola os meum eloquar propositiones ab initio
77:3 quanta audivimus et cognovimus ea et patres nostri narraverunt nobis
77:4 non sunt occultata a filiis eorum in generationem alteram narrantes laudes Domini et virtutes eius et mirabilia eius quae fecit
77:5 et suscitavit testimonium in Iacob et legem posuit in Israel quanta mandavit patribus nostris nota facere ea filiis suis
77:6 ut cognoscat generatio altera fili i qui nascentur et exsurgent et narrabunt filiis suis
77:7 ut ponant in Deo spem suam et non obviscantur opera Dei et mandata eius exquirant
77:8 ne fiant sicut patres eorum generatio prava et exasperans generatio quae non direxit cor suum et non est creditus cum Deo spiritus eius
77:9 filii Effrem intendentes et mittentes arcus conversi sunt in die belli
77:10 non custodierunt testamentum Dei et in lege eis noluerunt ambulare
77:11 et obliti sunt benefactorum eius et mirabilium eius quae ostendit eis coram patribus eorum quae fecit mirabilia in terra Aegypti in campo Taneos
77:12 interruptit mare et perduxit eos statuit aquas quasi utrem
77:13 interruptit petram in heremo et adaquavit eos velut in abysso multa
77:14 et deduxit eos in nube diei et tota nocte in inluminatione ignis
77:15 interruptit petram in heremo et adaquavit eos velut in abysso multa
77:16 et eduxit aquam de petra et deduxit tamquam flumina aquas
77:17 et adposuerunt adhuc peccare ei in ira excitaverunt Excelsum in inaquoso
77:18 et temptaverunt Deum in cordibus suis ut pelerent escas animabus suis
77:19 et male locuti sunt de Deo dixerunt numquid poterit Deus parare mensam in deserto
77:20 quoniam percussit petram et fluxerunt aquae et torrentes inundaverunt numquid et panem potest dare aut parare mensam populo suo
77:21 ideo audivit Dominus et distulit et ignis accensus est in Iacob et ira ascendit in Israel
77:22 quia non crediderunt in Deo nec speraverunt in salutare eis
77:23 et mandavit nubibus desuper et ianuas caeli aperuit
77:24 et pluit illis manna ad manducandum et panem caeli dedit eis
77:25 panem angelorum manducavit homo cibaria misit eis in abundantiam
transtulit austrum de caelo et induxit in virtute sua africum
et pluit super eos sicut pulverem carnes et sicut harenam maris volatilia pinnata
et ceciderunt in medio castrorum eorum circa tabernacula eorum
decen avverunt et saturati sunt nimis et desiderium eorum adtulit eis
non sunt fraudati a desiderio suo adhuc escae eorum erant in ore ipsorum
et ira Dei ascendit in eos et occidit pingues eorum et electos Israhel inpedivit
in omnibus his peccaverunt adhuc et non crediderunt mirabilibus eius
defecerunt in vanitate dies eorum et anni eorum cum festinatione
et cum occideret eos quaerabant eum et revertebantur et diluculo veniebant ad Deum
et rememorati sunt quia Deus adiutor est eorum et Deus excelsus redemptor eorum est
tandem et dilexerunt eum in ore suo et lingua sua mentiti sunt ei
cor autem ipsorum non erat rectum cum eo nec fideles habiti sunt in testamento eius
ipse autem est misericors et propitius fiet peccatis eorum et non perdet eos et abundabit ut avertat iram suam et non accendet omnem iram suam
et recordatus est quia caro sunt spiritus vadens et non rediens
quotiens exacerbaverunt eum in deserto in ira concitaverunt eum in inaquoso
et conversi sunt et temptaverunt Deum et Sanctum Israhel exacerbaverunt
non sunt recordati manus eius die qua redemit eos de manu tribulantis
sicut posuit in Aegypto signa sua et prodigia sua in campo Taneos
et convertit in sanguine flumina eorum et imbres eorum ne biberent
misit in eos cynomiam et comedit eos et ranam et disperdit eos
dedit erugini fructus eorum et labores eorum lucustae
et occidit in grandine vineam eorum et moros eorum in pruina
et tradidit grandini iumenta eorum et possessionem eorum igni
misit in eos iram indignationis suae indignationem et iram et tribulationem inmissionem per angelos malos
viam fecit semitae irae suae non pepercit a morte animarum eorum et iumenta eorum in morte conclusit
percussit omne primitivum in terra Aegypti primitias laborum eorum in tabernaculis Cham
et abstulit sicut oves populum suum et perduxit eos tamquam gregem in deserto
deduxit eos in spe et non timuerunt et inimicos eorum operuit mare
et induxit eos in montem sanctificationis suae montem quem adquisivit dextera eius et eiecit a facie eorum gentes et sorte divisit eis terram in funiculo distributionis
et habitare fecit in tabernaculis eorum tribus Israhel
et temptaverunt et exacerbaverunt Deum excelsum et testimonia eius non custodierunt
et averterunt se et non servaverunt pactum quemadmodum patres eorum conversi sunt in arcum pravum
et in ira concitaverunt eum in collibus suis et in sculptilibus suis ad aemulationem eum provocaverunt
audivit Deus et spreivit et ad nihilum redegit valore Israhel
et reppulit tabernaculum Selo tabernaculum suum ubi habitavit in hominibus
et tradidit in captivitatem virtutem eorum et pulchritudinem eorum in manus inimici
et conclusit in gladio populum suum et hereditatem suam spreivit
iuvens eorum comedit ignis et virgines eorum non sunt lamentatae
sacerdotes eorum in gladio ceciderunt et viduae eorum non plorabantur
et excitatus est tamquam dormiens Dominus tamquam potens crapulatus a vino
et percussit inimicos suos in posteriora obprobrium sempiternum dedit illis
et reppulit tabernaculum Ioseph et tribum Effrem non elegit
et elegit tribum Iuda montem Sion quem dilexit
et aedificavit sicut unicornium sanctification suum in terra quam fundavit in saecula
et elegit David servum suum et sustulit eum de gregibus ovium de post fetantes accepit eum
pascere Iacob servum suum et Israhel hereditatem suam
et pavit eos in innocentia cordis sui et in intellectibus manuum suarum deduxit eos
psalmus Asaph Deus venerunt gentes in hereditatem tuam polluerunt templum sanctum tuum posuerunt Hierusalem in pomorum custodiam
psouerunt morticina servorum tuorum escas volatilibus caeli carnes sanctorum tuorum bestiis terrae
effuderunt sanguinem ipsorum tamquam aquam in circuitu Hierusalem et non erat qui sepeliret
facti sumus obprobrium vicinis nostrorum subsannatio et inlusio his qui circum nos sunt
usquequo Domine irasceris in finem accendetur velut ignis zelus tuus
effunde iram tuam in gentes quae te non noverunt et in regna quae nomen tuum non invocaverunt
quia comederunt Iacob et locum eius desolaverunt
ne memineris iniquitatum nostrarum antiquarum cito anticipent nos misericordiae tuae quia pauperes facti sumus nimis
adiuva nos Deus salutaris noster propter gloriam nominis tui Domine libera nos et propitius esto peccatis nostriis propter nomen tuum
ne forte dicant in gentibus ubi est Deus eorum et innotescat in nationibus corum oculis nostris ulti sanguinis servorum tuorum qui effusus est
introeat in conspectu tuo gemitus confessorum secundum magnitudinem brachii tui posside filios
mortificatorum

78:12 et redde vicinis nostris septuplum in sinu eorum improperium ipsorum quod exprobraverunt tibi Domine

78:13 nos autem populus tuus et oves pascuae tuae confitebimur tibi in saeculum in generationem et generationem adnuntiabimus laudem tuam

79:1 in finem pro his qui commutabuntur testimonium Asaph psalmus

79:2 qui regis Israhel intende qui deducis tamquam oves Ioseph qui sedes super cherubin manifestare
